Stirling Juveniles Defeat Norwood To Finish in First Place in League

Three Teams Will Play Round-Robin Series To Decide Group Championship

Stirling Juveniles eked out a win over Norwood at the Stirling Arena on Friday night. The game, which was witnessed by a good crowd of fans, was a close-checking affair between two evenly-matched teams, and while play was a bit ragged at times some fine combination plays were seen. Both goalies came up with some sparkling saves and the result was in doubt until the last bell.

A brief flare-up between Donohoe of the locals and Flager, of Norwood, enlivened the third period but referee Payne cooled out the participants with majors and Hagerman, of the locals, who joined in the fight, received a game misconduct.

Stirling opened the scoring early in the first period when Donnan counted on a pass from Donohoe. However, Delaney beat Rowe to tie the score and LaPlante gave the visitors the lead at the 16.10 mark. The score was tied again when Donohoe counted on an assist from Donnan.

Early in the second period Donohoe got his second goal an a pass from Donnan. Both teams opened up and play went from end to end with the opposing goalies coming up with key saves, but no further scoring occurred in the period.

Fife beat Rowe to knot the score 3-3 at 5.34 of the third stanza and play was wide open until the 13.25 mark when Faulkner burst past a Norwood defenceman to pick the corner. Five minutes later with Norwood putting on the pressure Donohoe got a breakaway and went in to score giving the homesters an insurance marker. The visitors came back strong and scored just before the final whistle to make the final score 5 to 4.

Donohoe was the big trigger-man for the locals with three goals and an assist while Donnan had one goal and two assists and Faulkner a goal. Laplante got two and Delaney and Fife one each for Norwood.

Summary:

First Period

Stirling—Donnan (Donohoe) .. 1.30
Norwood—Delaney (Patterson, Bloom) 5.10
Norwood—LaPlante (Edwards) 17.45

Second Period

Stirling—Donohoe (Donnan) .. 0.15

Injured When Caught In Shaft

Morris Morrison, of the 4th Concession of Rawdon, suffered painful arm injuries in an accident at the farm of Percy Mumby, Spring Brook, on Thursday last. He was assisting in hay-baling operations when his clothing caught in the power take-off and was torn from his body. Dr. Wm. Hipwell attended at the scene of the accident and the injured man was rushed to Belleville General Hospital in Duffin's Ambulance. His right arm was broken in four places.

Round Robin Series Start Tomorrow

The play-offs in the O.M.H.A. Juvenile series in the district league will be a round robin series between Stirling, Norwood and Marmora

The opening game for the Stirling team will be tomorrow (Friday) night when they play host to Norwood at the Henry St. Arena. On Saturday night Stirling plays in Marmora. They are idle for a week and play in Norwood Thursday, February 21st, and entertain Marmora here on Friday, February 22nd.

Stirling and Norwood are two evenly matched teams and Friday night's game should be a thriller. In all their league games the final score has been close and fans can look for real exciting hockey in the series.

Hockey lovers in the entire district are urged to come out Friday night and give the boys their support. Coach Bastedo has the local lads playing a good brand of hockey and plenty of vocal support will give them a lift. See you at the Arena tomorrow night.

Federal Election Monday. April 8th

Mr. and Mrs. W. J. Tanner To Celebrate Diamond Anniversary

Well-Known Rawdon Twp. Couple Will Observe Event Monday Next, Feb. 11th

Congratulations and best wishes are extended to Mr. and Mrs. W. J. Tanner, R.R. 1, Harold, Ont., who will celebrate their 60th wedding anniversary on Monday next, February 11th.

Mr. Tanner is a son of the late Mr. and Mrs. John Tanner, of Rawdon Township, and Mrs. Tanner is the former Laura Harrison, daughter of the late Mr. and Mrs. Geo. Harrison, of the Thomasburg district. They were married at Crookston by the Rev. W. D. Harrison, minister on the Ivanhoe Methodist Circuit.

They have two daughters, Miss Edna Tanner, at home, and Mrs. Edith Edwards, North St., Stirling, and two sons, Clare and George Tanner, both at home. There are also two grandchildren and one great grandson.

Mr. Tanner has always taken a keen interest in municipal affairs and served his township for several years in the capacity of Councillor, Deputy-Reeve and Reeve. He has also been active in the Orange Order and is an honorary member of Tanner L.O.L. No. 509. Both Mr. and Mrs Tanner are regular attendants at St. Thomas Anglican Church and have always taken an active part in all phases of the church work. Mrs. Tanner is a life member of St. Thomas W.A.

A family dinner party was held earlier when their granddaughter, her husband and baby, Mr. and Mrs. T. Giannini and Alan, of Espanola, could be present.

Mr. and Mrs. Tanner are both in fairly good health and will spent the day quietly at their home.

Mrs. Hiram Rodgers Widely Mourned

Following an illness of a week's duration, Mrs. Hiram Rodgers, Ridge Road, died in Belleville General Hospital on Sunday, in her 78th year.

Born in Murray Township, she was the former Pearl Christena Alberta Cross, a daughter of the late Mr. and Mrs. Addison Cross. Prior to coming to the Stirling district 57 years ago, she resided in Trenton.

She was a member of St. John's Anglican Church, Stirling, and was active in church affairs. A member of the choir for 40 years, she was also a member of the St. John's Afternoon Guild and a life member and past president of the Woman's Auxiliary.

She is survived by her husband, Hiram W. Rodgers; a daughter, Mrs. Frank Doras) McGee, of R.R. 1, Harold; four grandchildren and two great grandchildren. A son, Aubrey, was killed in action with the RCAF during World War II.

The funeral was held from the Duffin Funeral Parlour to St. John's Anglican Church for service at 2 p.m. on Wednesday, February 6th. Archdeacon the Rev. A. S. McConnell, of Belleville, officiated.

Members of the Afternoon Guild and the W.A. attended in a body.

The pallbearers were Messrs. W. H. Donnan, Gordon Mitts, Gordon Burrell, Raeburn Wood, George Sarles and E. Reid.

Entombment in Stirling Cemetery Chapel Vault.

John Sager Jr. Gives Illustrated Talk At St. Paul's AOTS Men's Club

Two New Members Initiated — Plans Made For Ladies' Night Next Month

Mr. John Sager Jr. entertained the members of St. Paul's AOTS Men's Club at their montly meeting on Wednesday night with a travel talk illustrated by coloured slides. He showed a great variety of scenes taken last summer while he travelled to Vancouver and during his visit to the World's Fair at Seattle. His commentary gave the members an excellent picture of the many parts of the West that were visited. The beautiful Stanley Park in Vancouver was much admired as were the animal pictures of Banff National Park. Unusual views taken from the gondola of the chair lift at Banff thrilled the audience. Mr. Grant Potter, chairman of the programme committee, introduced the speaker.

New Members Initiated

During the meeting, Mr. Elwood Bateman conducted an initiation ceremony for two new members, Art Loucks and Ron Terwilligar. Mr. Harold Bird presented the membership pins. Mr. Harold Hagerman was in charge of a sing-song with Don Williams as accompanist. An impromptu quartette of Grant Potter, Russell Rupert, Wes Beatty and Ed Heasman rendered "In the Evening by the Moonlight."

Marvyn Scott capably summarized the third chapter of the study book, "The Word and the Way." The fellowship report was given by Fred Bateman.

The Club decided to help sponsor the Every Member Plan of the United Church Observer in conjunction with the United Church Women. Arrangements were made for the sale of tickets for the Club's annual Ladies' Night banquet on March 6th. The report of the catering project at Hoard's Sales Barn was favourably received from Allen Wells who organized this event. Francis Lyons was named to arrange a Broom Ball game with the Trenton AOTS Club in the near future. A financial report was given by the Treasurer, Carl Potter.

The sergeant-at-arms, Ralph Johnson, extracted suitable fines during the supper hour from various members, creating considerable merriment for the onlookers. President Wendell Camm made special mention of the presence at the head table of Messrs. Fred Bateman, Cecil Macklin and Bob Patterson. These three AOTS members have recently completed long periods of faithful service at St. Paul's. The Rev. P. J. Hommersen gave the closing benediction.

January Meeting I.O.D.E. Chapter

Mrs. Robert Luery was hostess to the January meeting of the Hon. J. R. Cooke Chapter, I.O.D.E.

The meeting opened with the prayer of the Order, after which the Standard was placed.

The Regent, Mrs. B. Glendinning, conducted the meeting and dealt with the business at hand. The conveners presented their monthly reports showing activity in all departments.

A paper was read on Founder's Day, released by the National Public Relations Secretary. This release appears elsewhere in this issue.

The Provincial Annual Meeting will be held in Hamilton April 24th to 26th.

A nominating committee of Miss R. Spry, Mrs. Geo. Loshaw and Mrs. Peter Briggs conducted the nominations prior to the annual meeting and election of officers.

The annual meeting, February 28th, will be preceded by a dinner party and each member present was urged to bring an absent member with them.

The meeting closed with the National Anthem, after which the hostess, Mrs. Luery, with her committee of Mrs. Jack Armstrong, Mrs. Bruce Glendinning, Mrs. Ralph Utman and Mrs. Robt. Philp, served a refreshing cup of tea and lunch.

The February meeting will be at the Parish Hall. Dinner hour at 7.00 p.m.

High School Basketball

(By John Svoboda)

Seniors

Defeat Marmora

Monday night the senior boys basketball team defeated Marmora 66-60 in a closely fought game. The high scorers for Stirling were Andy Faulkner with 25 points and Al Fletcher with 22 points. Larry Heath (5 points), Howard Jeffs (4 points), Murray Steacy (4 points) and Doug Bolte (6 points) played a solid game on defence.

Juniors Lose

The Juniors did not fare so well as they lost to a good Marmora team. The top scorers were Bob Vandervoort with 11 points and Ken Smith with 7 points.

Bantams Compete In Tournament

On Saturday, February 2nd, Stirling Bantams travelled to Norwood District High School to take part in an eight-team tournament.

Our boys defeated Tweed in the first game 14-5 with Barry Pyear getting 10 points. Jack Rose and Dave Short picked up 2 points each.

In the next game they were defeated by St. Mike's, Belleville (the champions) 14-3. Jack Rose got all three points from the foul line.

The boys played well and it is hoped they will do even better in the championship tournament to be held in Campbellford on February 15th.

Seniors Defeat O.S.D., Belleville

Lengthening their winning streak the seniors took Wednesday night's game from O.S.D., Belleville, by a score of 40-38. Al Fletcher led the Stirling attack with 20 points.

Juniors Lose

The Junior players couldn't seem to get untracked. O.S.D. won with a score of 39-21. Vandervoort, Vreugdenhil and Smith netted Stirling's points.

First Annual Meeting United Church Women Belleville Presbyterial

On Thursday, January 31st, nearly 400 women assembled in Picton United Church to attend the First Annual Meeting of United Church Women, Belleville Presbyterial.

Mrs. R. H. Smithrim, of Trenton, President of the Presbyterial, presided in a most capable manner at all sessions. She welcomed the delegates and visitors in a very cordial way. Another most gracious welcome was extended by Mrs. H. Gray, President of Picton U.C.W., also the minister of the Church, Rev. V. E. R. Zufelt.

Mrs. Harold Ostrander presided at the church organ throughout the day. The worship period was conducted by Cherry Valley U.C.W. The afternoon worship was conducted by Massassaga U.C.W. and Wellington U.C.W. was in charge of the evening worship.

In the absence of Mrs. Carman Sine, Harold, Ont., Mrs. Kenneth Weaver, of Stirling, took care of the Literature Table and gave Mrs. Sine's report. A great deal of literature has been purchased and is being used in the local organizations. Mrs. Weaver also introduced some new books and pamphlets as well as the Mission study packets.

Financial reports were given by the Treasurer, Mrs. C. W. Smith, R.R. 1, Belleville, and Mrs. R. G. Coutler, Belleville, Chairman of the Finance Committee. A Missionary allocation of $32,750 for 1962 had been accepted and met. $409 had been raised for "Over and Above" gifts. The Presbyterial accepted an increased allocation for 1963.

The Regional Presidents reported progress, amiable fellowship and rich experiences as the local women study the Bible for their devotional development and participate in the Missionary study of the ways of people in other countries — the Wider Work of the Church.

The highlights of the day were the two addresses given by Miss Beatrice Wilson, Associate Secretary of the Board of Women of the United Church of Canada.

Miss Wilson said "We have come to the end of the first year of United Church Women. It has been quite a year! It has been a good year but it has not been an easy year." When the two former organizations amalgamated with the beginning of 1962 most women did not know what to expect. She said "it was like moving into a new house.

In closing her address Miss Wilson asked "What are you going to see out of your window that needs to be done in the community?" She referred to Fox's Book of Martyrs — women after women after women whose commitment was so strong they were willing to even go unto death for their faith. How strong is our faith? How great is our commitment? How far does commitment take us in time, talent and money for other people? How far are we willing to make real to people this faith of ours?

In her evening address Miss Wilson dwelt on "Why do we do things the way we do them?" and she attempted to explain the procedure of the Committee who presented the proposed Constitution for the Board of Women to General Council for approval.

Speaking of programme material Miss Wilson pointed out that women ought to know what the job of the Church is. We ought to know what the basis of our Faith is. Everything suggested in the programme packets fits into this pattern. The job of the programme committee is to "pick and choose" the pieces of material susceptible to their particular pattern. Emphasis in 1963 of citizenship will be immigration.

Miss Wilson concluded her address with the purpose of United Church Women "To unite all women of the congregation for the total mission of the Church and to provide a medium through which they may express their loyalty and devotion to Jesus Christ in Christian Witness, Study, Fellowship and Service."

Due to the fact that Rev. V. E. R. Zufelt had to conduct two funeral services in the afternoon the Rev. N. J. Truax, of Wellington, presided for the election and installation of officers.

Elaines Win And Lose

Elaines split their games this past week dropping a 10-4 decision to the North Stars in Cooper, but showed a complete reversal of form Monday night by downing the previously undefeated Bata Bombers by the tune of 5 to 4.

Stars Swamp Stirling

The Cooper North Stars built up a convincing 7-2 first period lead, made it 9-3 at the end of two and split markers in the final stanza to win 10-4. Allan Bird, Ricky Little, Ross Anderson and Doug McCrory scored the Stirling goals.

Elaines Win First Game

The Village of Stirling will never be the same,
For their gallant Elaines finally won a game.
The Stirling crew really gave their best,
And it was good enough to stand the test.
Their faithful supporters really got their kicks
While the Bata fans looked pretty sick.

Recipe For A Successful Game

Start with two powerful teams and mix thoroughly. Add a goaltender with the Luck O' the Irish. Stir in a large quantity of bruising bodychecks. Add two donny-brooks and bring to a boiling point. Then cool in a cold place. Serve with a rowdy audience.

Elaines came up with their finest performance of the year and their big guns took over and handed Bata their first defeat. Doug McCrory led the Stirling attack scoring two goals and one helper. Ross Anderson scored his sixth marker of the year. Gord Barrie and Allan Bird also scored. Ray Darrah got credit for two assists.

The game was in doubt right until the final whistle. Allan Bird scored what proved to be the winner at the 12.00 minute mark of the final stanza, making it 5-3. MacDonald put Bata right back in the game at the 16.40 mark in the second on passes from The play went from end to end with Darrah and Smith handing out several bone-crushing checks to the Bata attackers. Kellar stole a pass and broke into the clear only to be foiled by Taylor in the final minute of play.

Gord Barrie put Stirling ahead at 50 second mark of the first period on a neat passing play with Darrah and Anderson. Doug McCrory picked up a pass from Little and raced the length of the ice to make it 2-0 at the four minute mark.

Ross Anderson scored at the 5.10 mark in teh second on passes from Barrie and Darrah. Pete McLeod spoiled Taylor's bid for a shut-out at the 18.20 mark on a breakaway.

Doug McCrory made it 4-1 at the 35 second mark of the third stanza. Robarts and Kellar scored two quickies to make the score 4-3. A wild donny-brook followed with Bird, Foshay, Anderson, Doug McCrory and Kellar and then both teams joined in. Foshay with a double minor and Anderson with two-minute sentence for roughing drew penalties, the rest getting away scott-free. This set the stage for Bird's winning tally.

Doug McCrory and Foshay drew majors for fighting in the second after Foshay slashed Taylor.

D. Bird and B. Donohoe officiated.

We were battered and bruised,
And slightly mistreated
But Bata was shaken
And for the first time defeated.
So now that we are no longer cellar dwellers
Come on out and support the fellers.

ELAINES — Goal, R. Taylor; defence, B. McCrory and D. Smith; centre, Ross Anderson; wings, Ray Darrah and Gord Barrie; alternates, Doug McCrory, Don McCrory, Little, Kinton, A. Bird, P. Rollins and Bob Noble.

Other Games

In other league play this past week Bata defeated Spring Brook 7 to 4 and Bata won over Cooper 8-6.

RCMP To Present Musical Ride At Belleville Fair

Lee Grills, M.P. for Hastings South, is pleased to announce that he has assured the President and Directors of the Belleville Fair Board that the Royal Canadian Mounted Police will present their famous Musical Ride on August 12th, 13th and 14th, the first three days of the Belleville Fair.

Representations were made to Mr. Grills by the new President, Mr. Bob Phillips, and the Past President, Mr. Carl Thompson, on behalf of the Fair Board to get this attraction. From Belleville, the Musical Ride goes to the Canadian National Exhibition in Toronto.

Foxboro Canning Factory To Close

The Foxboro canning factory which for the past 15 years has provided a peak summer employment of up to 100 persons, is going to be closed down.

This was confirmed Tuesday by plant manager Eric Hiltz who said that closing of the plant was the result of the company's programme of consolidation and reorganization.

Operations of the plant will be transferred to other company plants in Ontario and in Quebec with senior employees at Foxboro being given the opportunity to transfer.

"Studies revealed that the same company production could be achieved with one less plant," Mr. Hiltz said.

Hard Decision

"It was a rough and hard decision to make, but the company felt it must be done for the sake of economy and to meet today's stiff competition."

Mr. Hiltz said company fieldmen were now making their rounds notifying growers in the Foxboro area that there would be no further growing contracts let.

Closing of the Foxboro plant however, does not affect the company's Frankford operation where frozen foods, mainly peas, are processed.

The Foxboro plant was built back in 1947 by Canadian Canners which operated it until four or five years ago when it was purchased by Del Monte of California. Since then a number of smaller canning plants in the area, mainly in Prince Edward County have been closed.

Currently there are 26 on staff at the Foxboro plant, while in the peak canning season as many as 100 were employed.

Plant Unionized

The main operation of the Foxboro plant was canning of corn and pumpkin.

Several months ago workers at the plant were unionized, and rumor has been to the effect that closing of the plant was to some extent caused by entry of the union.

This was denied by Mr. Hiltz who said that closing of the Foxboro operation was being done solely in the interests of economy in company operations.

One Who Likes The Teen-Agers

We read in the papers and hear on the air,
Of killings and stealing and crime everywhere;
We sigh and we say, as we notice the trend,
"This young generation — where will it end?"
But can we be sure it is their fault alone,
That maybe a part of it isn't our own?
Too much money to spend, too much idle time,
Too many movies of passion and crime.
Too many books not fit to be read,
Too much of evil in what they heard said,
Too many children encouraged to roam
By too many parents who won't stay at home.
Now kids don't make movies, they don't write the books
That paint a gay picture of gangsters and crooks;
They don't make the liquor and they don't run the bars,
They don't make the laws and they don't buy the cars,
In how many cases we find that it's true,
The label 'delinquents' fits older folks too!

Dial "O" For Life

A telephone call took a mother away from the bath tub where her small daughter was splashing happily with her rubber duck.

The call was a short one, but when the mother returned, she found the tot face down in the water, apparently lifeless. Panic and hysteria overwhelmed the mother. She picked up the child and rushed to telephone for help. Almost incoherent, she stammered to the operator that she needed a doctor for her suffering daughter. The operator fortunately, was one of the many thousands of Bell employees who had taken a St. John Ambulance course in first aid. Quick to realize that by the time a doctor could be reached and dispatched to the house, the child might be dead, the operator gave terse, but calm instruction to the mother on mouth-to-mouth resuscitation. The child lived, and a mother had a deep reason to be grateful to a clear-headed telephone operator who had taken the time to attend a St. John Ambulance First Aid class.

St. John Ambulance is a hidden asset in your community. The uniformed brigade attend public functions as volunteer standbys in case of an accident. Other volunteers teach housewives and executives, truck drivers, firemen — and telephone operators — the basics of first aid training, so that they may help others in times of distress. You never know when you may need St. John Ambulance; you never know when you may need first aid training.

February is St. John Ambulance Month in Ontario — a good time to sign up for a course that may save a life.

Clarence Fitchett Elected District Director Central Fairs Association

Clarence Fitchett, of Stirling, was elected as District Director of the Central Ontario Fairs Association at their annual meeting held at the Kiwanis Centre, Belleville, on Thursday of last week. Other elected to the executive were Carl Heath, of Marmora, associate district director; C. W. Varcoe, of Roseneath, secretary-treasurer. Elected to the ladies' directorate were Mrs. Addie Wilks, of Denbigh, as district director; Mrs. Percy Utman, of Stirling, and Mrs. Fred Bailey, of Cooper, as first and second vice-presidents, respectively, and Mrs. W. A. Hume, Campbellford, as secretary-treasurer.

The near-hundred delegates to the annual meeting supported a resolution requesting the provincial government to increase its financial support of Class "C" fairs from 25 per cent up to 35 per cent of approved expenditures. It was also felt that this resolution should be circulated amongst the other fairs associations prior to the annual meeting of the Ontario Fairs Association later this month.

The motion was one which climaxed a lively discussion of what can be done to improve the lot of the community fairs and to expand their activity.

Guest Speaker

Fairs usually failed, advised Floyd A. Lashley of the Provincial Department of Agriculture, because they didn't change their officers, failed to get in new blood in their membership, failed to ask the people of the community for their support or a combination of these factors.

In 1905 there were 488 fairs in Ontario; today there are 241 fairs, he said. He suggested that these 241 remaining fairs existed because they had become established as community affairs and projects rather than strictly as "farmers' fairs."

Various methods of raising funds for prize money were considered and discussion centred mostly on how the class "C" fairs could advance to become class "B" fairs. Sixteen of the 19 fairs in the Central Ontario Fairs Association are currently class "C" fairs. The Belleville, Picton and Kingston fairs are class "B" fairs.

It was generally felt that a greater effort might be made by some of the class "C" fairs to improve themselves to the point where they would be eligible for rating as class "B" and could receive larger grants.

Mr. Lashley strongly recommended that the Belleville Fair make application to become a class "A" fair. This is the leading classification of fairs and includes such events as the Central Canada Exhibition in Ottawa, the Western Fair in London, and the Canadian National Exhibition, Toronto.

The suggestion was made that a planned programme, to be circulated to members in advance of the next annual meeting of the association, be adopted for future use A motion to this effect was passed and the new executive was empowered to arrange a meeting with the ladies' division at which such a programme would be arranged.

A suggestion that all fair reports be submitted in writing for distribution at the meeting, in order to allow more time for discussion of problems also found favor amongst the delegates, a number of whom criticized the verbal reports of the delegates as being needlessly repetitious and offering little real value to those delegates who were seeking solutions to problems which their fairs encountered.

Horse Prizes Too Big

During a brief address to the delegates, Mr. Lashley reviewed some of the changes which had occurred and were being considered in Ontario's fairs. He noted that there was some criticism of the large amounts of prize money being paid out for horses on the grounds that they were extinct as a farm work animal.

He suggested that it would be worthwhile for fair boards to keep their prize lists up to date and to make changes to suit local conditions and crops.

He reminded those present that they were essentially "showmen," since the midway and the entertainment were the main fair attractions to many people.

HORTICULTURAL BULLETIN

A city boy and a country lad were walking down the street. Coming towards them was a product of the beauty parlor — permanent wave, scarlet finger-nails, drug store complexion and gaudy lipstick.

The city boy stuck out his chest proudly. "Well now, what do you think of that?"

"Speaking as a farmer," his friend replied, "I'd say that it must have been mighty poor soil to require so much top dressing."

Birth

McKEOWN — Mr. and Mrs. Leslie McKeown are happy to announce the safe arrival of their daughter at the Peterborough Civic Hospital. A darling sister for Gerald and Carol, February 2nd, 1963. Robin Leslie. Weight 6 lb. 12 oz. 47-1

In Memoriam

BATEMAN — In loving memory of our dear mother and grandmother, Lora Bateman, who passed away February 10th, 1962.

We who loved you sadly miss you
As it dawns another year;
In our lonely hours of thinking
Thoughts of you are ever near.

—Ever remembered by son Edward, wife and grandchildren. 47-1

CARR — In loving memory of Philip S. Carr, who passed away February 19th, 1961.

No morning dawns, no night returns,
But that I think of you,
Those left behind are very good,
But none replaces you.
Loving and kind in all his ways,
Upright and just in all his days,
Sincere and true in heart and mind
Beautiful memories he left behind.

—Sadly missed and ever remembered by wife Ada, family and grandchildren. 47-1

JOHNSON — In loving memory of a dear son and brother, Jack Johnson, who passed away February 10th, 1961.

We who loved you, sadly miss you,
As it dawns another year;
In our lonely hours of thinking,
Thoughts of you are ever near.

—Ever remembered by his family. 47-1p

JOHNSTON — In memory of Allan Johnston who went to his rest on February 11th, 1961.

"I'll lend you for a little time a child of Mine", He said,
"For you to love the while he lives and mourn for when he's gone,
It may be six or seven years, or twenty-two or three,
But will you till I call him back, take care of him for Me?
He'll bring his charms to gladden you, and shall his stay be brief
You'll have his lovely memories as solace for your grief."

I fancied that I heard you say: "Dear Lord, Thy will be done!
For all the joy Thy child shall bring, the risk of grief we'll run.
We'll shelter him with tenderness, we'll love him while we may,
And for the happiness we've known forever grateful be;
But shall the angels call for him much sooner than we'd planned,
We'll bear the bitter grief that comes and try to understand."

—Lovingly remembered by Mom, Dad, Janet and Grandmother. 47-1p

CARD OF THANKS

To all those who remembered me with cards, gifts, flowers and personal calls during my stay in Belleville General Hospital and since my return home I wish to express my sincerest thanks. Ivanhoe

Mrs. A. Wood and Mrs. K. Bray attended the first annual meeting of the U.C.W. of Belleville Presbyterial held in Picton United Church on Thursday.

Mr. and Mrs. George McLean, of Foxboro, were Sunday supper guests of Mr. and Mrs. Wayne Shaw.

Mr. and Mrs. John Stephens and Mr. and Mrs. Clifford Mitz spent the week-end in Toronto.

Mr. and Mrs. Jas. Stobbart and Mr. Harold Stobbart spent Saturday in Toronto.

Sunday dinner guests at the home of Mr. and Mrs. Harry Benson were Mr. and Mrs. Wm. Nightingale, Julie and Janet, of Huff's Island.

Mr. and Mrs. Milton Shaw spent Sunday with Mr. and Mrs. Roy Thrasher, Mount Pleasant.

Mrs. Wm. Shaw spent Sunday with Mr. and Mrs. Fred Campbell, of Foxboro.

Spring Brook

Mr. and Mrs. Russell Reid and daughter, Trenton, and Mr. and Mrs. Grant Reid were guests of Mrs. Jane Reid on Sunday.

Mr. and Mrs. Doug Radnor, Brian and Donnie, of Havelock, were guests of Mrs. Esther Leonard and Paul on Sunday. Miss Lois Leonard, of Oshawa, spent the week-end at the same home.

Mr. and Mrs. Harold Bateman, of Niagara Falls, were week-end guests of Mr. and Mrs. Ed Bateman.

Mrs. Clarence Sutherland, Stirling, spent Monday with her sister, Mrs. George Sutherland.

Mr. Bill McKeown and Mr. Malcolm Mason are spending a couple of days this week attending a Chrysler service school at Belleville.

Mrs. H. E. Beare, of Roseneath, was a guest of Mr. and Mrs. Delbert Fleming on Monday.

Mrs. George Thompson, Mrs. H. Pillen, Mrs. Murney Mason, Mrs. Ralph Wellman and Mrs. Lorne Bailey attended the U.C.W. Convention in Picton United Church on Thursday last.

A number of ladies held a quilting at the home of Mrs. George Thompson on Monday and Tuesday.

Wellman's U.C.W.

The February meeting of Wellman's United Church Women was held at the home of Miss Emma Rainie and Mrs. John Rainie on the fifth. There were 17 adults and 3 children in attendance.

Mrs. John Carlisle, President, opened the meeting with the U.C.W. Theme, Psalm 117, followed by the theme hymn. Mrs. Gerald Clancy was musician for the meeting.

Mrs. Gerald Russett gave the devotional. The hymn, "Happy the Home When God is There" was sung. The Scripture reading, Ephesians 4: 1-16, was given by Mrs. Omar Dracup. Mrs. Russett led in prayer. Mrs. Russett sang as a solo "The Ninety and Nine" and closed the devotional period with a poem, "Don't Forget to Live."

The roll call, a Bible verse containing the word "Union" was well answered. The offering was taken by Little Miss Linda Rainie and dedicated by Mrs. Carlisle. The minutes read by the Secretary, Mrs. K. Tompkins, were approved. Correspondence was also read. The Secretary was authorized to purchase four band books.

Mrs. Douglas Clancy gave an interesting introduction to the new study book. The author, Andrew Roy, is at present head of a college in Hong Kong. The book deals with the study of Taiwan, Hong Konk, Korea and Okinawa. Things in these countries are still quite backward. There are language and commercial ties and still ancestor worship. However, a newer movement is taking place with western and modern science being taught in universities.

A skit was put on by four members, Mrs. Douglas Clancy, Mrs. Byron Seeley, Mrs. John Carlisle and Mrs. Ken Tompkins. It was entitled "Bow Before the Wind" and dealt with some of the trials of the people of the East.

Mrs. Jim Rainie gave a reading entitled "Friends." Mrs. Craig Watson and Mrs. Gerald Clancy rendered a piano duet, "The Teddy Bears' Picnic." Mrs. Carlisle thanked everyone taking part in any way with the day's proceedings and closed with prayer.

Dainty refreshments were served by the hostess and assistants and all enjoyed a social half hour.

Bring In 800 To Help Trade

Trade Minister George Hees said in Ottawa 800 foreign buyers and Canadian overseas sales force of trade commissioners will be flown to Canada this spring for "operation world markets."

The six-week programme will be "the biggest single export trade promotion project this country has ever undertaken," Mr. Hees said in a press statement giving a progress report of his department's plans.

Mr. Hees said the programme provides "a unique opportunity for Canadian manufacturers. It is a national project which will benefit all Canadians."

CANADA DEPARTMENT OF AGRICULTURE

CANNED PEARS IN PLENTIFUL SUPPLY

Canadian canned pears will be plentiful this winter. They are mostly of the popular Bartlett variety which we enjoyed last fall as that yellow, juicy, tender dessert pear.

The Consumer Section, Canada Department of Agriculture tells us that there are three grades for pears — Canada Fancy, Canada Choice and Canada Standard. They are graded on flavour, uniformity of colour and size, tenderness and freedom from blemishes, bruised spots and other defects. Colour is important as they must be typical white or yellow-white with little or no discolouration or browning due to oxidation or improper processing. All grades of Bartlett pears are packed in a 35% sugar syrup and this is marked on the label. Canned pears of different grades have the same net and drained weights when packed in the same size cans.

Canned pears provide a simple and satisfying dessert. They even please those who try to keep their slim figures, for two pear halves and two tablespoons of juice contain only 78 calories.

DELICIOUS WAYS TO SERVE CANNED PEARS

Spiced Canned Pear Slices with Meat

Heat pear slices in their own syrup to which a little red food colouring and cinammon flavouring has been added or dissolve some cinammon candies in the syrup. Allow to cool in the syrup and serve with cold meats.

Gingerbread Canned Pears With Chinese Food

Simmer canned pear slices in their own syrup to which a little ginger has been added. Chopped candied or preserved ginger is best. Gingered pears are delicious with Chinese food.

Canned Pears In Salads

Combine diced pears with diced celery and chopped nuts. Sprinkle with a little lemon juice for tartness and mix with salad dressing.

Serve pear halves, heaped with cottage cheese, and on a bed of shredded lettuce as a side salad.

Canned Pears as Hors d'oeuvres

Cube canned pears and cheddar cheese. Insert a small wooden toothpick into both the pear and cheese cubes and perch on a tiny, hot meat ball or cube of cooked ham for the hors d'oeuvres tray.

Canned Pears As A Dessert

Chill and serve as is or with a garnish of canned fruit cocktail inside the pear halve.

Serve drained, canned pear slices on a cheese tray with various kinds of cheeses.

For a luscious party dessert, serve a pear halve, cut side down, on a square of white or chocolate cake. Pipe pear with whipped cream and garnish with tiny, dark chocolate candies.

Put two pear halves together with a scoop of ice cream. Serve with chocolate sauce.

Heat pear halves in their own syrup and serve warm with one of these tasty toppings — shredded cocoanut, toasted nuts, chopped candied ginger, raisins or chopped dates.

Cooking Comments

Macdonald Institute, Guelph, suggests that you crush a few yellow cheese crackers and stir into hot buttered green beans before serving, to give extra flavour and attractiveness.

To make crumbs stick to chops, first roll them in flour, then dip them into beaten eggs, and then into crumbs.

One of the secrets of making perfect tea biscuits is to use all-purpose flour and knead lightly.

To garlic a salad bowl use a small wooden masher. Mash and rub the garlic clove over the inside of the bowl, and then discard what is left of the garlic.

THE BIBLE TODAY

In a recent television interview, Viscountess Astor, the first woman member of Parliament to take her seat in the British House, reported her reasons for the long history of Britain's influence in the Commonwealth and Empire. "Because, I think, they translated the Bible, and read it, and understood justice and mercy," she stated.

Many distinguished people have given their witness to the effectiveness of the Holy Scriptures for the personal as well as the national life.

Queen Elizabeth II, whose accession to the Throne was on February 6th, eleven years ago, has visited Bible House in London on at least two occasions, showing an intense interest in the work of translating and distributing the Word of God in many languages throughout the world.

Field Marshal Lord Montgomery once remarked "Gentlemen, I read my Bible every day, and I recommend you to do the same."

Opening Dates of Fishing Seasons

Fishing seasons for 1963 were recently announced by The Department of Lands and Forests. The most important features include the opening of the Speckled Trout season March 1st, which has been, in previous years, on May 1st; the opening of the pickerel season in the Bay of Quinte and Prince Edward County on May 1st, which also allows such fishing in the Moira, Napanee and Trent Rivers up to the first dam. In the case of the Moira River pickerel can be taken out on May 1st up to the dam at Corbyville. The possession limit for lake trout has been raised to 5 per day.

Maskinonge

June 29th to November 30th.
Limit — two in one day, not less than 28 inches in length.

Largemouth and Smallmouth Bass

June 29th to November 30th.
Limit — Six in one day.

Brook or Speckled Trout, Brown Trout

In Hastings, Lennox and Addington, Frontenac and other counties east of this immediate area:

March 1st to September 15th.
Limit — Ten pounds of brook trout plus one brook or fifteen brook trout, whichever is the lesser, from waters in this immediate district.

Rainbow Trout

May 1st to November 30th.
Limit — Five per day

Yellow Pickerel, Walleye, or Pike-perch

Bay of Quinte, Consecon Lake, East and West Lake, Pleasant Bay and Huck Bay in Prince Edward County; those portions up to the first dam upstream in Trent, Moira, Salmon and Napanee Rivers.

May 1st to March 31st.
Limit — Six in one day.

Pike

May 15th to March 31st.
Limit — Six in one day.

Lake Trout and Splake

Splake is a cross between Lake and Speckled Trout and is not common in this area.

Counties of Frontenac, Hastings and Lennox and Addington:

March 1st to October 5th.
Limit — Five in one day.

NOTE — Possession limit shall not exceed one day's catch. Length is measured from tip of head (jaws closed) to tip of tail.

OF MANY THINGS

(By Ambrose Hills)

I'M AN ADDICT

I've a mind that contrives the sweetest melodies — rich, vibrant tones and sweeping high notes finer than those of Caruso. Unfortunately, this all goes on back in the recesses of my mind; when it comes out, through my vocal chords, something awful has happened to it. Even I groan when I hear it.

Yet I love music. Nothing suits me better than a stormy night outside and a stereo inside. I pile on the records, then close my eyes, and listen. Almost anything will do, particularly if there's a sweet fiddle in the background, or an organ rounding out the performance. Many an evening my brief case has gone unopened, because someone turned on FM multiplex, or a good recording, and I was caught. The whole evening was lost in music, and my work was waiting in the morning, as heavy as ever.

The other night I was determined to get some work done, and I asked my wife not to let me get snared by that doggone stereo. She replied that if we went back to the days of the hand-wound gramophone it would be a different story.

She may have something there, although I'd hate to confess to being that lazy. I believe the real truth is that our musicians today are better, and the methods of reproduction are better, so that the combination is almost irresistible. Those lucky souls able to whistle in tune, or hum for themselves, may escape addiction; but for those of us who cannot carry a tune, this perfection is overwhelming. As the dope users say, we've a monkey on our backs.

Ah, well. Some folks are saying the big problem of modern man is how to use his leisure. So there's at least one world problem I have solved and how! Anyone with some spare leisure they don't know how to use can ship it along to me, first class mail.

FIRST TREATMENT

A suburban housewife was telling her neighbour about a new book on reducing she had just bought for five dollars.

"How much have you lost so far?" the neighbour asked. Replied the woman: "Just five dollars."

The Tree Farm movement is spreading rapidly in Canada.

Founder's Day I.O.D.E., Feb. 13th

The Imperial Order Daughters of the Empire (I.O.D.E.) observes Founder's Day on February 13th, which will mark its sixty-third anniversary.

It is the first women's organization to have as a project the building of Community Halls in the Far North. One has been completed in Frobisher Bay in the Eastern Arctic; a second one in the Western Arctic at Tuktoyaktuk was opened by the National President, Mrs. Peter L. Robinson, in December of last year, and a third hall is under construction in the Central Arctic at Baker Lake.

The Order was organized in 1900 by Mrs. Clark, of Montreal, and now has 977 Chapters reaching from the Yukon to Newfoundland. It co-operates with the National Chapters of the I.O.D.E. in Bermuda and the Bahamas. It is associated with the Victoria League in England, and the Daughters of the Empire in the United States of America.

The I.O.D.E. is one of the largest voluntary, patriotic women's organizations in Canada. It stimulates patriotism through education and service, fosters unity within the Commonwealth, provides an efficient organization for prompt and united action in times of emergency, and works for the betterment of Canada and the people.

Over thirty thousand voluntary women comprise the membership who raise and disburse over one million dollars annually.

One third of a million dollars is spent on education. During the past year 2,060 schools were adopted and assisted, 1,810 students were awarded scholarships, bursaries and grants from all grades of chapters, 157 of whom were from homes of ex-service personnel; 62 schools in the Far North, and 8 hostels received over 1800 prize books. In the West Indies and British Honduras, 49 schools have been adopted by I.O.D.E. chapters.

4,235 Canadian school children, who have been encouraged to be "pen pals" with other children in Canada and the Commonwealth, have exchanged letters.

$74,400 was awarded from I.O.D.E. First and Second War Memorial Funds to provide 14 Post Graduate Scholarships (Overseas) of $2000.00 each, and 29 bursaries in Canadian universaries to the value of $1600.00 each, for children of Canadian war veterans.

In the field of service, half a million dollars is spent annually; four hundred thousand dollars ($400,000) in Canada and one hundred thousand dollars ($100,000) on supplies shipped to Europe, Africa, Korea, the West Indies, Hong Kong and India. Through the continuous work of I.O.D.E. members, thousands of knitted and sewn articles of clothing ad quilts are made for distribution and chapters have undertaken the sponsorship of destitute and refugee children.

The I.O.D.E. is a patriotic, non-sectarian Canadian women's organization, and by its diversity of interests, offers a satisfying outlet to any woman who is a Canadian citizen or British subject.

"THE HEART STORY"

New Technique Helps Prevent Heart Attacks

This is the fourth of a series of articles by David Spurgeon, published for the Heart Foundation of Canada.

For many years, a heart attack has been looked upon popularly much like "an act of God." No one knew when it might strike, and it was considered that there was not much anyone could do to prevent it.

As a matter of fact, no one had even heard of the term 50 years ago: What is now known medically as a myocardial infarction was not diagnosed as such before 1917. When someone had one, it was believed to be some kind of acute indigestion.

Today the picture has changed. Indeed, a Winnipeg cardiologist now believes it is possible to tell in advance if a patient is headed for a heart attack — and possibly often to prevent or delay the attack with drugs called anticoagulants.

The cardiologist is Dr. R. E. Beamish, assistant professor of medicine at University of Manitoba. With the help of Dr. V. Marie Storrie, assistant physician at Winnipeg General Hospital, he has been studying the onset of heart attacks for the past nine years. And he has produced some highly significant data.

Dr. Beamish says that the way to recognize an imminent heart attack is to observe a patient's angina (chest pain) symptoms. Heart attack candidates, he says, fall into three groups:

First, there are those who have never previously suffered angina pains and then suddenly experience them for the first time. Usually they have repeated bouts of angina lasting 15-30 minutes or more. Or pains may grow progressively worse at exercise or rest.

Second, there are those who previously suffered angina for several months or years, in whom the pain becomes worse with effort. These patients notice an abrupt change in their previous pattern of pain — pains come oftener, with less provocation, last longer or are more severe.

Third, there are those who have suffered a previous heart attack but have been pain-free since, and who notice a recurrence of pain at rest or on slight provocation.

It is the change in angina symptoms that tells the story, says Dr. Beamish. For often electrocardiographs show no abnormalities even though a heart attack threatens. It has been an all too common experience for physicians to reassure their patients because their electrocardiograms were normal—only to have the patient die suddenly a short time later from an attack.

The results of Dr. Beamish"s study strongly confirm his contentions. He reports that, of 100 patients advised to go to hospital for anti-coagulant therapy and rest because of what he believed was a threatened heart attack, 85 went and 15 did not. Within the first six months after diagnosis, 10 of those who did not go to hospital died from heart attacks, compared to only one of those who went to hospital.

Dr. Beamish believes that, with anti-coagulants available (they are drugs which help prevent formation of blood clots) recognition of impending heart attacks is of the greatest importance. In fact, he says that until the cause of hardening of the arteries (which leads to heart attacks) is found, the best hope for reducing the death toll from this cause is to recognize those likely to suffer attacks, and to apply anti-coagulant therapy.

The importance of prevention is underlined by the high mortality experienced — 15 to 40 per cent.

Trent University Receives Gifts

Mr. E. C. Braund, chairman of the Trent University Founding Fund, announced two gifts recently.

Westclox Canada Limited has made a donation of $35,000 towards the 5-year founding program. In making the gift, Mr. F. R. Pope said the contribution is being made to indicate his company's whole-hearted approval and endorsement of the aims and ideals of Trent University. "There can be no doubt that this new university will be of immense value to our employees and, in fact, to all of us who live in and around the City of Peterborough."

Mr. Braund also announced a gift of $5,000 from Craig, Zeidler and Strong, the well-known firm of architects. Mr. Zeidler has been actively involved in the initial planning of the University.

The Trent University Founding Fund is seeking $1,520,000 in public subscriptions in a Campaign scheduled to be completed by March 1963. A further $9,705,000 is anticipated from Provincial and Federal Government sources and in students' fees.

The Good Driver

There is no immunity from danger; the thing to know is how to meet it. They are unfortunate people who imagine that life can be wholly secure and certain.

The Ontario Safety League quotes from "Safety is a Personal Thing," one of the Monthly Letters from the Royal Bank of Canada. The letter stresses the point that it is not enough to hope for freedom from accident; it is up to the individual to work for it.

It is not enough to put a guard around the physical hazards. We must put a guard around our thinking, and our emotions. Our best guards are between our ears.

He is a silly person who raises his feeling of courage by the ill-considered acceptance of any and every risk. Most of us have to guard against this temptation. A feeling of inferiority may break out in a determination not to let another driver pass us on the road. The dread of humiliation is a strong force propelling us to do unwise and dangerous things.

The time to be afraid is before the thing happens. A wholesome fear will make us attentive to safety measures, and when we have taken this precaution our minds will be clear to cope with the situation. But we cannot allow carefulness to paralyze us. If we wait always until the outcome of our movements is certain, we will never move. Fear, while being a healthy safety device when kept within bounds, can in itself become a menace to self-preservation if allowed to run wild. We must know how to face risks intelligently.

In the midst of our machines, our household appliances, our poisons, our fires, and all the natural forces which we have brought under partial control, we risk our lives every hour of the day. It is only good sense, in this environment, to become not accident-fearing but safety conscious, remembering that our safety is up to us — a personal thing.

Nature occasionally upsets Ontario Hydro's solid reputation for delivery. Twice recently power interruptions have been caused by wildlife. In one case, an industrious beaver dropped a tree over hydro lines. In the other, a moose tangled with a hydro pole. The pole lost.

When handling a gun, be smart — not a smart alec.

NEWS FOR THE BUSY FARMER

FARM CREDIT REGULATIONS AMENDED

Two important amendments to regulations of the Farm Credit Act were announced recently by Agriculture Minister Alvin Hamilton.

A recent change in the Act set an upper limit on the appraisal fees which the Farm Credit Corporation may charge applicants for loans. The new regulation sets the fees somewhat lower than is permitted under the Act.

Another amendment allows postponement of loan instalments under special circumstances.

A new formula replaces the former $50 and $100 appraisal fees chargeable for standard (Part II) and package deal (Part III) loans.

Farmers applying under Part II will pay $10 with their application. In addition, 40 cents for each $100 of the amount of loan approved will be deducted when the loan is made.

Farmers applying under Part III will pay $10 with their application. In addition, 50 cents for each $100 of the loan approved, or $100, whichever is the lesser, will be deducted when the loan is made.

The chief result of the new formula will be lower appraisal fees for smaller loans under both Part II and Part III.

Farm Credit Corporation will continue its policy of refunding the fee if an appraisal is not made.

Under the other amendment, a borrower developing a new enterprise from which revenue will be so limited in the first year or two as to make repayment a hardship, may arrange at the time of obtaining his loan from FCC for the postponement of instalment payments due in this initial period.

This provision may apply particularly to farmers switching from dairy to beef production.

Mr. Hamilton said the new amendments provide greater flexibility in the FCC's lending operations.

He added that revision of appraisal fees had been taken up by the Farm Credit Corporation last June but no change could be made until Part III of the Act was amended. This was done on November 29th, 1962.

INDOOR CITRUS PLANTS INTERESTING PROJECT

The glossy-leaved citrus plants with their colourful fruits are not too difficult to grow indoors. Seed of the common citrus fruits such as grapefruit, oranges and lemons are excellent to start with, say horticulturists with the Ontario Department of Agriculture.

Soak the seeds overnight in warm water, and sow them just below the surface in a sandy soil. Germination may be slow, so put in more seeds than you need plants. Cover the container with a sheet of glass or plastic, and place in a warm room. When the seedlings emerge remove the cover, and move the container to a window sill where it will receive good light.

When the young plants have several leaves, transplant them into 2½ inch pots, using a sandy potting soil containing ½ loan, ¼ peat moss or leaf mould, and ¼ sand. Keep moist as growth develops but do not overwater.

Citrus plants need to be re potted annually using the next size pot. During the summer the plants should be kept outdoors. Choose a shady location and plunge the pots to the rims. Make sure they do not dry out.

FARM ACCOUNT BOOK VALUABLE TO FARMERS

According to the Farm Economics Branch, Ontario Department of Agriculture, a sharp pencil and a completed account book are this time of year most useful farm tool.

With these, a farm operator can determine his earnings for the past year. He can assess his operating achievement and failures. And he can plan changes in management that should improve his farm income.

The necessary information for this year-end assessment may be in many forms. A few farmers can remember every detail of their business operation. Many maintain a drawer-ful of statements. But more and more farmers prefer the use of some type of formal account book.

Last year, almost fifteen thousand farm operators used the Ontario Farm Account Book for this purpose. The records in this book can be readily summarized for income tax purposes and are classified to simplify their analysis for farm management use.

The Ontario Farm Account Book is again available to Ontario farmers at the offices of the local Agricultural Representatives or can be obtained by mail from the Information Branch, Ontario Department of Agriculture, Parliament Buildings, Toronto, Ont.

Open Front Barns For Pigs

Here's a tip on how to obtain better hog grades and at the same time cut housing costs:

Use an open-front barn for your pigs.

The only snag is that more feed is required for these fresh air types in the colder weather.

R. J. Curtis of the CDA's research station says pigs readily adapt themselves to sharp temperature changes. In one test the thermometer showed minus 28 degs. F. inside the barn, the outside temperature being minus 37 degs. F.

There's obviously no ventilation problem in the open-front housing. Cleaning labor can be reduced by sloping the concrete floor to a gutter wide enough to take a front-end tractor loader.

Pigs from such a barn grade better, winter and summer, than comparable pigs kept in conventional housing, reports Mr. Curtis. In winter 78 per cent of the open-front barn pigs graded "A" compared with 63 per cent from the standard piggery.

Mr. Curtiss said Yorkshire feeder pigs averaged 1.53 pounds daily gain on 3.86 pounds of feed per pound of gain in three trials conducted in an open-front barn in winter. This compared with 1.59 pounds of gain on 3.55 pounds of feed by pigs from the same litters in conventional housing. The pigs were about the same weight at the beginning of the experiment and were self-fed in groups of up to 30 hogs per pen.

Tests between May and September showed that rates of gain and feed under both housing systems were similar in summer, but carcass quality of the open housed pigs remained higher.

CONSERVATION NEWS

TIMBER CAN BE A VALUABLE FARM PRODUCT

In wintertime farmers often cut logs and other forest products but not all of them pay enough attention to good cutting practices, and not all of them obtain full value for their woodlot products.

When it comes to cutting, a farmer who is in doubt what method is best for his woodlot would be well advised to consult an experienced neighbour who is managing woods competently or phone or write to the nearest Department of Lands and Forests office and ask for advice.

The Ontario Department of Lands and Forests is keenly interested in any work our farmers are doing in their woodlots and are glad to send out literature dealing with woodlot management. If required a Forester is available to walk with the owner over the woodlot and discuss how the best care can be taken of the forest and how to preserve its capacity to grow good timber in perpetuity. Here we point out that a forest should be considered a living thing. By abusing it you can destroy its productivity and you can in no time turn a good forest into a useless jungle, growing weeds, weed trees, and thornbushes. The country around Belleville and Kingston abounds in such sad neglected woodlots.

Now a few words about marketing woodlot products.

Before starting with the cutting a woodlot owner should make sure that he will be able to use or sell every stick of timber he will be cutting. Nothing, except small branches, should be left to waste.

A man who cuts the timber first and looks for markets afterwards is little different than a man who kills his livestock first and then rushes around looking for buyers who might be willing to take the meat. Very often no one is in a hurry to take the meat off his hands.

And before he sells his logs, poles, pulpwood, firewood, a woodlot farmer should observe a few general rules. Sale agreements should be in writing, and in some cases even drawn up by a lawyer. A sales contract on our desk has the following items covered:

1. Name and address of buyer and seller.
2. Date of instrument and place of execution.
3. Items bought and sold — species, specifications.
4. Exact location of area from which material is being sold
5. Conditions governing removal of material.
6. Provision for buyer's access.
7. Care of other property — fences, roads, reserved timber, etc.
8. Fire protection.
9. Method and place of measurement.
10. Price basis — price per M board feet, cord, piece.
11. Method and terms of payment.
12. Provision for close utilization — stump height, top diameter.
13. Ownership of by-products — tops, stumps, etc.
14. Statement of whose is the loss if timber is destroyed or stolen after cutting.
15. Signatures of both parties, with witnesses.

Not all of these items are always necessary and often you can leave out a few, but be sure that the essential ones are always included in a contract.

When in doubt a farmer should not hesitate to consult the Department of Lands and Forests who maintain a free service for the farmers, and are glad to help when they can.

Chance To Win Radial Arm Saw

Stirling and area homeowners and do-it-yourself enthusiasts can win a Beaver "1500" Radial Arm Saw by entering the nation wide Canadian Johns-Manville homesteading contest now in progress.

By replying to four simply worded and easily answerable questions at Stirling Lumber Ltd., Stirling, any homesteader is eligible to win one of the twelve unique prizes. The questions will concern Johns-Manville building materials such as ceiling panels, siding, roofing and insulation products which are on display as Stirling Lumber Ltd.

The Beaver "1500" has been called a one tool workshop. Its rota arm action allows for swinging, spinning and tilting of the motor for easier safer cutting and it provides the basic equipment to do almost any homesteading project.

Johns-Manville, one of the world's leading building materials manufacturers will announce the contest winners in mid-April.

STIRLING HORTICULTURAL SOCIETY

The Stirling Horticultural Society will hold the February meeting at the home of Mrs. Ray Rose on Monday the 11th at 2 p.m.

LEGION NOTES

The February business meeting of Branch No. 228 was held on Tuesday the 5th at the Legion Hall. Several important items of business were discussed.

Favourable reports from several committees were received. To date, Branch membership is almost half of the 1962 total. A special membership night is to be held later in March. However, members are asked to pay their dues as soon as possible. Dues may be paid to Membership Chairman Doug Patterson.

Comrade Elwood Wilson, Branch Sports Officer, advises that a cribbage tournament has been suggested by the Frankford Branch for later in the Spring. Comrade Elwood would like to hear from all members who would be interested in taking part. Please contact Elwood right away. If enough members indicate an interest he will proceed with arrangements.

The meeting was addressed by Mr. J. Irish, District Commissioner of the Boy Scouts of Canada. The meeting was most interested in the report presented by Mr. Irish.

President Lawes reported that the local branch compared most favourably with the other branches in Zone F-3. Each district branch reported its activities at the recent Zone meeting in Belleville. The Stirling Branch was represented by President Allan Lawes; Secretary, Bert Bastedo, and executive member Fred Houchin.

The meeting concluded plans for the annual Legion Skating Carnival. Additional details can be found in an advertisement appearing in this issue. President Lawes appealed to all members to lend their support to this annual project.

Men's Ten Pin Bowling League

For the second week in a row the high triple went to a spare, Keith Johnson with 457. Keith also tied with Don McCrory for the high single with 170. Other good triples were Don McCrory 431, Ralph Scea 406 and and Ray Poste 400.

Friday Night Mixed Bowling

The ladies' high single, triple and average, Rosa Spry, 261, 707 and 218. Men's high single and triple, Ray Poste, 360 and 891. Cliff Short maintains the high average with 232.

Other high games bowled this evening were: Ivy Poste 202, Rosa Spry 239 and 204, Verna Woodbeck 230 and 204, Ray Rose 240, Dick Reid 261, John Eaton 215, Cliff Short 274 and 221, Ray Poste 238 and 293, Ralph Clements 209, Bob Taylor 226.

It's pretty hard to convince the kids that the shortage of teachers is a calamity.

Pee Wee Tournament Here Saturday

This coming Saturday, February 9th, Stirling Legion will again act as hosts for the annual Stirling Pee Wee Hockey Tournament. The event will be held in the Stirling Legion Arena starting at 10 a.m. Some eight district Pee Wee teams will participate. The winning team will be presented with the M. S. Fraser Trophy. Last year, this coveted prize was won by the Stirling Legion Pee Wees.

Local hockey fans can give minor hockey a real boost by dropping in to the arena to see these teams in action. A small admittance charge will be made for all adults. This is to help defray arena expenses since teams do not pay an entry fee.

Tournament Draw

The tournament draw is as follows:

Series A — 10 a.m. — Frankford vs Havelock

Series B — 11.00 a.m. — Norwood vs Marmora

Series C — 12.00 noon — Brighton vs Stirling

Series D — 1.00 p.m. — Tweed vs Cooper

Series E — 2.00 p.m. — Winner Series A vs winner Series C.

Series F — 3.00 p.m. — Winner Series B vs winner Series D.

Final — 4.00 p.m. — Winner series E vs winner Series F.

Local fans can be assured of some excellent hockey action and everyone is urged to support this worthwhile sports activity. The arena canteen will be open throughout the day to provide refreshment service to players and the general public.

The Legion can use several volunteers this Saturday to act as scorekeepers, time keepers and goal judges. Anyone who can assist even for an hour should contact Bert Bastedo at EX 5-2242 right away.

St Paul's Y.P.U.

On Monday evening St. Paul's Young People's Union gathered in the Sunday school parlours of the Church for their regular meeting. John Hommersen led the devotional which was followed by the business. It was quickly disposed of and games of carpet bowling and shuffleboard plus a party game supplied by Firth Bateman were well received. Lunch was served and the meeting closed with Taps.

Wed. Afternoon Bowling Results

Ladies high single, Marilyn Pollock, 296; high triple, Kay Dean and Marilyn Pollock, 614.

Other 200 games — Mildred Fraser 201, Bessie Hewton 205 and 206, Kay Dean 244, Marie Eggleton 204.

Canadian Women Found To Possess Potential Beauty

"There is no such thing as an ugly woman."

"There are merely those who do not make the most of themselves."

These words come from a bachelor with definite ideas about women. That's because he's in the business of trying to make them beautiful.

He's Dr. Oneskiw, a Rumanian-Canadian chemical engineer who is the founder of Canada's first cosmetic company.

There's more: the face is the true mirror of the soul — the evidence of past emotions which gradually leave their mark, become a part of us, and make us what we are."

And: "women's most noble preoccupation is to be beautiful."

He says the 20th century is the most "beauty-hungry" in history.

"Canadian women have the greatest potential for beauty in the world," in his opinion, after having observed women all over the world.

"They have the greatest desire to seek perfection."

His products have colourful names which emphasizes their Canadian origin, especially since they compete in world markets; a bubble bath is called Mooose Play; a cologne is called Ice-Breaker; a man's cologne is called Inouk, which means "man" in Eskimo, to name a few.

Appointments Made to Recreation Committee by Village Council

Concurs With Resolution Seeking Ban on Sale Detergents with A Mineral Base

Messrs. Ronald Woodbeck and Allan Bird were appointed to the 1963 Recreation Committee at the regular meeting of the Village Council on Thursday last.

Reeve G. C. Mouck presided and was supported by Councillors James Chambers and Robt. Anderson.

Communications were tabled from the John Howard Society and the Salvation Army asking for financial assistance, but no action was taken; also one from Procter & Redfern, engineers, confirming a verbal agreement for inspection of the streets early in the coming Spring.

Mrs. Robert Luery, Girl Guide Commissioner, wrote a letter of thanks to Council for the use of the Community Hall.

Council Concurs

A letter from Wentworth County asked concurrence of local Council in a resolution which called for the prohibition of the sale of mineral based detergents, which are alleged to result in the pollution of lakes and rivers. On motion of Councillors Anderson and Chambers Council concurred in the resolution.

A letter was tabled from Arnott & Bateman, Village solicitors, respecting the drainage ditch running in a southwesterly direction from Front St. W. at Annis Street to the Frankford Road. It was pointed out by members of Council that the Village had cleaned out the portion of ditch on Village property only, and the remainder of the ditch was on private property.

The resignation of L. Rawlings from the Recreation Committee was tabled and accepted with thanks on motion of Councillors Chambers and Anderson.

Final Cost of Sewerage

The final accounting of the sewerage project was tabled from the Ontario Water Resources Commission, showing the total cost at $258,992.37.

The monthly report of Police Chief D. M. Ketcheson was tabled and accepted.

A letter was tabled from Mrs. Wm. Wannamaker, of Colborne, thanking members of Council and citizens in general for their remembrance of her mother, Mrs. R. Sine, on the occasion of her 100th anniversary.

The members of the Community Centre Committee were reappointed for 1963. They are Harold Wells, Marvyn Scott and Wm. Blakeley.

The purchase of 8 tons of calcium chloride was authorized by Council.

The matter of the purchase of a piano for the Community Building was discussed and Reeve Mouck was authorized to inspect a piano offered for sale, and, if satisfactory, to purchase.

The following accounts were passed for payment:

General

Cairns Shoe Store, $11.50; Morton's Body and Fender Shop, $30.98; Bell Telephone, Police $25.57, Office $11.00, Fire $26.32; Harold E. Baker, $252.10; Foley Foundry and Machine Co., $27.04; Don Tucker, $7.50; Hatton Fuels, $79.55; Jack Livesey, $1.12; D. M. Kecheson's account, $37.30; W. L. Pollock, $10.18; Stirling News-Argus, $4.39.

Community Hall

Livesey's, $2.45; Hatton Fuels, $87.61.

Relief

Livesey's Red & White Store, $15.00; Hatton Fuels, $7.13.

Following a discussion of several minor items of business Council adjourned.

Enumerators Begin

Enumerators will begin listing the names of all eligible voters for the coming Federela election on Monday, February 18th. In the local ridings Mrs. C. B. Rollins is the enumerator in Hastings South portion of the Village, while Mrs. G. Finkle is enumerator in that portion of the Village in Hastings-Fronetnac west of Highway No. 14 (North St.), and Mrs. Frank Harding east of Highway No. 14.

Has Operation

Friends of Mrs. J. Livesey will regret to learn that she underwent surgery in Belleville General Hospital Wednesday morning. The latest report is that she is progressing as well as can be expected.

Bowling Club Euchre Party

The Stirling Ladies Lawn Bowling Club held a successful card party at the home of Mrs. W. T. Elliott on Thursday night last. Ten tables took part in play with the prizes going to Mrs. M. Tanner (high lady); Mrs. Chas. Ross (consolation); Mrs. Don Donohoe (high gent); Miss Delia Descent (consolation); Jack Doran, travelling prize.

At the conclusion of play dainty refreshments were served and a social hour enjoyed.

Local Choir Heard On TV

Congratulations go to the members of St. Paul's United Church Junior Choir, who were heard to good advantage over CHEX-TV, Channel 12, on the Keith Brown Talent Time Tuesday night. The choir, under the direction of Mrs. H. West, contributed three numbers, while Miss Margaret Hommersen contributed a piano solo and Ed and John Svoboda a piano duet.

The choir members travelled to Peterborough by bus and were served refreshments on their return home by the ladies of St. Paul's.

Co-Operation Appreciated

The Students' Council of Stirling-Rawdon District High School thanks the public for their co-operation in purchasing their "At Home" tickets in advance. No tickets will be sold at the door.

Jane West District Public Speaking Champion

Jane West, of Stirling Public School, won the District Public School Speaking Contest, held at the Stirling Public School last night. There were 15 contestants coming from Rawdon Public Schools and the local school. Second place was won by Miss Eleanor Shortt, also of the Stirling School.

Principal Marvyn Scott was chairman and the judges were Mrs. Gladys Sine, Mrs. Stewart Hoover, Mrs. Warren Arbuckle, Mr. Wayne Jones and Rev. W. G. Fletcher.

Hostess To Hort. Society

The Horticultural Society held their February meeting at the home of Mrs. Ray Rose on Monday afternoon with a good attendance. Mrs. F. Armstrong presided for the business session. The Secretary, Mrs. Rose, read the mintues and correspondence and reported any changes in the prize lists for the Flower Show and Stirling Fair.

Plans were made to plant a flower bed at the Masonic Hall and shrubs at the Legion Hall. Mr. J. B. Belshaw reported that he had finished the flower boxes that are to be placed on the new bridge. Mr. E. Munro agreed to care for the flower beds again this year.

The Society voted to send the President and Secretary as delegates to the Horticultural Association Convention in Toronto in March.

Mrs. K. Ray and group presented a programme of music, readings on horticulture and an interesting contest on flower names. They also served a delicious lunch of assorted cookies, tea and coffee, assisted by the hostess.

Eleanor Shortt Winner of Public Speaking Contest

Speaking on the subject "Canada 1967," Miss Eleanor Shortt won first prize in the public speaking contest for Stirling Public School pupils held at the school on Monday night. Miss Jane West, who spoke on "Protection of Our Song Birds," was second and Douglas Faulkner, who spoke on "The Water Wheel," was third.

Mrs. R. Luery, Chairlady of the Public School Board, presided and presented the trophies to the winners. There were fifteen contestants from Grades 5 to 8. The judges were Miss E. Wallace and Miss V. Williamson, of the local High School staff; Mrs. C. Fargey, S.S. No. 12, Rawdon; C. Baggs, of Stirling, student teacher, and Rev. P. J. Hommersen.

D.D.G.M. of I.O.O.F. Pays Official Visit

Bro. Heath Jones, District Deputy Grand Master of Madoc District, No. 45, I.O.O.F., paid his official visit to Stirling Lodge, No. 239, I.O.O.F., last night. A large turnout of Oddfellows was present to greet him, with visitors present from Campbellford, Madoc and Tweed. The Noble Grand of Campbellford Lodge presented a travelling gavel to the Stirling Lodge.

During the evening the Second Degree was exemplified on a class of four candidates under the direction of Bro. Guy Bradshaw. Degree Captain.

Following the work of the evening the brethren repaired to the banquet hall where refreshments were served and a social half hour enjoyed.

Offered Position

Mr. Edgar C. Hay-Ellis, M.A., of the local High School, has been offered an appointment as critic teacher of English at the Kingston Summer School Branch of the Ontario College of Education for the training of teachers. He has been obliged to refuse the position due to the fact that he will be taking the final part of the Secondary School Principal's course during the month of July.

Mrs. Spencer Simmons Native of Rawdon Twp.

The funeral of Susan Jane Simmons was held in Vancouver, B.C., on Monday, February 11th.

The late Mrs. Simmons was born on the 13th Concession of Rawdon Township on September 20th, 1867, the second daughter of the late George Luery and Annie Johnson. Until 1925 Mrs. Simmons resided in Bonarlaw and Deloro. After the death of her husband she went to Vancouver to live with her daughter, Mrs. W. T. Brunker.

She is survived by her daughter, two brothers, George and David Luery, of Stirling; four granddaughters and twelve great grandchildren.

Plans Complete for Stirling Legion Annual Fancy Dress Skating Carnival

Legion President Allan Lawes has announced the details regarding the forthcoming Legion Skating Carnival to be held in Stirling Arena next Saturday, February 16th. The Legion has arranged a most interesting programme which should appeal to citizens of all ages.

The evening programme will commence at 7.30 p.m. with public skating for everyone. At 8 p.m. the judging of costumes will commence. At present, there are many valuable cash prizes for the best costumes in the following categories:

Best couple; best dressed girl; best dressed boy, best dressed lady, best comic costume (adult); best comic costume (girl); best comic costume (boy); youngest skater; oldest skater.

The Legion President expressed the hope that skaters of all ages will compete for the foregoing costume prizes. Cash prizes of up to $4.00 will be offered.

Door Prize

Another feature of the Carnival will be a door prize which will be drawn during the course of the programme. The prize will be a fine, fat turkey. Anyone who pays a regular admission fee will be eligible to win this attractive prize.

Girls' Hockey Game Special Feature

Following the costume judging the Carnival committee has arranged a special feature. The Stirling Creamery "Margarines" will play a team called the "Noble Drugs Pill Pushers." The interesting feature of this game will be the fact that all the players will be girls between 10 and 14. The "Margarine" club will represent the West End of town, while the Noble "Pill Pushers" will draw their players from the East End of the community. We are advised that all hockey players should be on hand to see how the game of hockey is really played. Reports are that if this game is successful the local minor hockey association will consider entering the team in playoffs next year.

Races

At approximately 9 p.m. there will be a series of races which should provide lots of thrills and possibly a few spills. Here again, the Legion will offer a number of cash prizes for each race. Races to be held are as follows:

Under 6 years, girls; under 6 years, boys; under 10 years, girls; under 10 years, boys; ages 10 to 13, girls; ages 10 to 13 years, boys; ages 14 to 16 years, girls; ages, 14 to 16 years, boys; over 16 years, girls; over 16 years, boys.

Following the races the general public will again be allowed to skate to finish out the evening's program.

In drawing up the Carnival programme, the Legion has tried to provide something of interest to attract all ages and all citizens. The local arena is in good shape and it is expected that the ice will be in excellent condition. The arena canteen is heated and is well stocked to cater to the refreshment needs of everyone.

During the past number of years the Legion has contributed much to winter enjoyment of residents in this community. Much time and money has been devoted to renovating the local arena and as a result Stirling now has one of the best arenas in this area. Local residents can help to support this community project by attending and taking part in the Carnival this coming Saturday evening. Proceeds from the Carnival will be used to effect additional improvements to the arena.

All roads will lead to Stirling Arena this Saturday, February 16th at 7.30 p.m. The Legion extend a cordial invitation to everyone to come in costume and enjoy an interesting programme.

Juveniles Win First Two Games In League Championship Series

Victories Over Norwood Here By 7 to 4 and Over Marmora on Home Ice 5-0

Stirling Juveniles got a good start in the round robin series for the League Championship this past week, coming up with two victories. On Friday night they entertained the Norwood squad at the Henry St. Arena and came up winners by a score of 7 to 4. On Saturday night they defeated Marmora on their home ice by a score of 5 to 0.

Norwood Game

The game at the Stirling Arena against Norwood on Friday night drew one of the biggest crowds of the season and the fans were treated to an exhibition of good hockey by two evenly matched teams. Grant Hagerman, with three goals, led the Stirling offensive but Donnan was close behind with two, and Wright and Wrightman got one each. Patterson and Bell divided the scoring for the visitors.

Stirling took the lead early in the first period when Hagerman scored on an assist from Donohoe. Bell tied the score at 12.20 only to have Stirling get two goals in less than a minute, both by Hagerman, assisted by Donohoe. Norwood got back into the game with a counter by Bell, from Fleming, at 18.43 to make the period score 3 to 2.

The second period was the fastest of the game. Both teams were going all out and first one then the other took the offensive. Patterson, from Delaney, tied the score early in the period and Stirling again struck for two quick goals with Wrightman getting the first unassisted and Donnan the other, on assists from Hagerman and Potts. At the 5.32 mark Patterson from Fife and Delaney, narrowed the margin to 5-4, while Bird was serving a penalty. Midway in the period Donnan counted on assists from Donohoe and Potts to give the homesters a two-goal margin. For the remainder of the period both goalies were tested frequently but came up with sparkling saves to rob the sharpshooters.

The final period was a see-saw battle with Bur in the Norwood net being particularly sharp and it was not until the 18.30 mark that J. Wright got the final counter from a scramble in front of the Norwood net.

Line-Ups

NORWOOD — Goal, Bur; def., Payne and Delaney; centre, LaPlante; wings, Patterson and Fife; alternates,, Fleming, V. Fife, Wilford, Bell, Gwen and Bloom.

STIRLING — Goal, Rowe; def., D. Potts and P. Bosiak; centre, Donnan; wings, Hagerman and Donohoe; alternates, Faulkner, Bird, Wright, McMaster, Wrightman, Vandervoort and Bolte.

WHITEWASH MARMORA

On Saturday night at Marmora Arena the local Juveniles scored a 5-0 victory. However, the game was much closer than the score would indicate.

Hagerman, from Donnan, got the lone goal in the first period just before the end. Early in the second period Doug Bird scored unassisted to make the score 2-0. In the final stanza Stirling added three more goals, with Donohoe, from Hagerman, Andy Faulkner and Donohoe, from Donnan and Hagerman, being the marksmen.

MARMORA — Goal, Howden; def., Casselman and Fraser; centre, Shannon; wings, McInroy and Parkin; alternates, D. Nicolson, Mantle, Goodchild, McInroy, Bertrand, McCaw and Clemens; spare goalie, Stark.

STIRLING — Goal, Rowe; def., Potts and Bosiak; centre, Donnan; wings, Donohoe and Hagerman; alternates, Wrightman, Faulkner, McMaster, D. Bird, Vandervoort, Bolte and Wright; spare goalie, Bob Morrow.

Referees — Barrons and Mulholland.

Barry Penhale, of Penhale-Reid Publications, Campbellford, was the prinripal speaker an gave an interesting address on outdoor life. Geo. Warner, of Stirling, District Game Warden, showed a film of the Trent and Severn Waterways.

Stirling Bantams Outclass Brighton

Stirling Bantams made it two straight over Brighton at the local arena last night when they defeated the visitors 15 to 1. In Brighton on Tuesday night they downed the home club 10 to 5.

In last night's game the locals took a 4 goal lead in the first., added three in the second stanza, and ran wild in the third period to score eight goals. Brighton got it's lone goal in the final period with McDougall being the marksman on an assist from Lisle.

For Stirling Barry Pyear led the scorers with five counters. D. Potts got three and three assists; D. Ray, 3 goals; Brian Cooke, 2 goals and 2 assists; and Parr and Cooney singletons; Ross McIntosh got a pair of assists and Larry Jeffs one.

BRIGHTON — Goal, Kemp; def., Lisle and Daniels; centre, MacDougall; wings, Cooper and Gillette; alternates, Quick, Graham, Morrow, Moore, Grant, Coe, Martin and Brose.

STIRLING — Goal, Wellman; def., Larry Jeffs and Dave Short; centre, Potts; wings, B. Pyear and B. Cooke; alternates, R. McIntosh, Ray, Cooney, Parr and Armstrong.

10-5 At Brighton

At Brighton on Tuesday night Don Potts, from Pyear, got the first goal but Brighton tied the score midway in the period and the period ended 1-1. However in the second Stirling ran in six counters without a reply from the home club. Don Potts got three, and Pyear, Cooke and Parr the others.

In the final stanza, Brighton scored four in the first six minutes but Stirling again assumed the offensive and added three to their total. D. Short with one and B. Cooke were the marksmen.

Mrs. W. C. West Hostess To W.I.

Mrs. W. C. West was hostess to the Stirling Women's Institute on Thursday afternoon with a splendid attendance.

Mrs. B. Reid chaired the meeting and Mrs. R. Stapley acted as pianist. "Household Hints" was well responded to. Correspondence and the reading of the minutes by the Secretary, Mrs. L. Bronson, was followed by the Treasurer's report given by Mrs. W. C. West.

Through the passing of Mrs. R. Williams two offices had to be filled. Mrs. B. Reid was elected to fill out her term as District Director, and Mrs. L. Bronson was appointed as the representative to the Hastings Museum.

It was decided to present the Stirling Festival of Sacred Praise with a Bible for a girl or boy's best Scripture reading.

Bereaved families will be remembered with cards.

Mrs. R. Stapley has been busy mailing out used Christmas cards — ten boxes up to date; to the Limbless Veterans' Hospital, England; Indian Sanitarium, British Columbia, and to a Missionary School in Formosa. She stated she has received very kind and thankful letters from these people. They are so pleased that others find time to give them a helping hand in their daily work. Money was forwarded to assist in the mailing of these parcels. Many more boxes will be got in readiness for mailing. This is a splendid public relations work.

It was agreed to dispose of a number of card tables. The Property Convener, Mrs. B. Reid, and the Treasurer, Mrs. W. C. West, were the committee named to take charge of disposing of these articles.

Again the Stirling W.I. will be represented on the Stirling Fair list of prizes.

The winter work in sewing has been planned with patterns being chosen and each member to bring print or get some from a neighbour. Mrs. E. Foster will cut out the print for a complete quilt cover. Quite an amount is on hand in readiness for this.

The Citizenship Convener, Mrs. E. Foster, gave a splendid paper, stating the fundamental qualities required for the foundation for being a good citizen, beginning in the home, neighbourhood, church and community.

Memorial Service

A memorial service was conducted by Mrs. L. Rodgers for Mrs. Robert Williams and Mrs. Hiram Rodgers. Both were splendid Institute workers and church workers. They were most willing to do their share in whatever capacity they could fill, giving of their time and talent and both were stricken so suddenly. Mrs. L. Rodgers said one was like a sister and the other a choice friend and neighbour. All will keep fond memories of these two ladies, both so devoted to the betterment of their community. Mrs. P. Bronson and Mrs. R. Stapley sang softly the sweet old hymn "Going Home."

Mrs. M. Ayhart gave an appropriate reading entitled "Communion." The meeting closed with the Queen and the Mizpzah Benediction.

A dainty lunch was served by Mrs. McMurray, Mrs. B. Reid and the hostess, Mrs. W. C. West.

The usual social family chat was enjoyed, after which Mrs. E. Foster moved a vote of thanks to one and all who helped make the afternoon meeting so well worthwhile.

THE LATE SHOW

It was very late and the pedestrian had been stopped by the police.

"What are you doing on the streets at 4.00 o'clock in the morning?"

"Going to a lecture," he replied.

"At 4.00 a.m.!" was the derisive snort. "You expect us to believe that?"

"You sure would," sighed the man, "if you knew my wife."

Entered Into Rest

MRS. DAVID A. BURKITT

In ill health for the past five months, Mrs. Jenny Burkitt, Harold, died Saturday morning in the Belleville General Hospital. She was in her 86th year.

Daughter of the late Mr. and Mrs. David Calvert, she was born at Fuller and had lived at Harold for the past 14 years, and previously at Stirling.

She was a member of St. Paul's United Church, and was a charter member of Laurel Rebekah Lodge, No. 211, and was also a past Noble Grand. She also belonged to Stirling L.O.B.A., No. 655.

Predeceased by her husband, David A. Burkitt, in 1942, she is survived by three daughters, Mrs. Fred (Gladys) Richardson, of Stirling; Mrs. John (Hazel) Heagle, of Harold, and Mrs. Cecilia Bedell, of Sault Ste. Marie.

There are 13 grandchildren and 36 great grandchildren. She was the last of her family.

The funeral service was held at the Duffin Funeral Home, Stirling, at 2.00 p.m. on Tuesday, February 12th with Rev. W. G. Fletcher officiating.

The pallbearers were Messrs. Gordon, Edward and Douglas Richardson, Allan Heagle, Ray Hedger and William Coughlan.

Entombment in Stirling Cemetery Chapel Vault.

Memorial Service

Members of Laurel Rebekah Lodge held a memorial service at the funeral home on Monday evening which was well attended.

MRS. LORNE WILSON

Following a lengthy illness, Mrs. Lorne Wilson, Baker St., died in the Belleville General Hospital on Saturday, February 9th, in her 55th year.

Born at Thomasburg, she was the former Mildred Jane Maynes, daughter of the late Mr. and Mrs. Wm. Maynes, and had resided in Stirling for the past 37 years. She was well known and held in high regard by a wide circle of friends who mourn her passing. In religion she was a member of St. Paul's United Church and took an active part in the work of the United Church Women. Fraternally she was a member of Laurel Rebekah Lodge, No. 211.

She leaves to mourn her husband, Lorne Wilson; one daughter, Miss Nancy Wilson, at home; one brother, Albert Maynes, of Madoc, and one sister, Mrs. Lloyd (Florence) Dafoe, of Stirling.

Memorial Service

A largely attended memorial service was held by members of Laurel Rebekah Lodge at the funeral home on Sunday night.

The funeral, which was largely attended, was held at the Duffin Funeral Home at 2 p.m. on Monday, with the Rev. P. J. Hommersen officiating.

The pallbearers were Messrs. Elwood Bateman, Embury Hough, Chas. Devolin, Wm. Bolte, Hector Eggleton and Roy Eggleton.

Entombment in Stirling Cemetery Chapel Vault.

BURNESS DEMOREST

Ill for only the past week, Mr. Burness Demorest, R.R. 2, Stirling, died Monday, February 11th, 1963, in the Belleville General Hospital. He was in his 78th year.

Son of the late Mr. and Mrs. Chas. Demorest, he was born in Murray Township, and had lived in the Stirling area for the past 60 years where until his retirement he had carried on a farming operation. He was a member of St. John's Anglican Church at Stirling.

He is survived by his wife, the former Edith Hagerman; a daughter, Miss Delores Demorest, and a son, Adrian Demorest, both at home. Also surviving is a brother, Bruce Demorest, of R.R. 2, Stirling.

The funeral service was held at the Duffin Funeral Home, Stirling, on Wednesday afternoon.

Entombment in Stirling Cemetery Chapel Vault.

Financial Aid To Municipalities and School Boards

Financial assistance to municipalities and local school boards highlighted the budget address February 7th by the Honourable James N. Allan, Provincial Treasurer. The budget forecast expenditures of more than a billion dollars during the next fiscal year starting March 31st.

School Boards

School boards will receive immediate financial relief. By adding $20 million to this year's operating budget, the government will be able to issue advance payments to school boards this month and thereby reduce or alleviate the need for temporary borrowing of money for education at the local levels. February grants will be based on approximately 10 per cent of the net provincial grant in 1962. Forty per cent of the 1962 figure wil be advanced school boards in April; 25 per cent in August and the balance in October. Previously, provincial grants to school boards were made only in April and October.

The Ontario government also proposes to move forward its advance payments to school boards where non-resident pupils exceed 10 per cent of the school board's total enrolment. In an attempt to keep the province's share of education costs on a current basis, the government will pay 45 per cent of its 1963 estimated cost in February. A similar amount will be paid in October and the balance as early as possible in 1964.

Municipalities

Financial assistance to municipalities will take the form of municipal road subsidies, both maintenance and capital. Legislation will be introduced to allow this year's grants to start in May, based on approximately 25 per cent of the municipality's total subsidy for 1962. A second payment will be made in the fall based on approved expenditures from Janaury 1st to September 30th, less a 15 per cent holdback and the grant made in May. Final payment of the 1963 government subsidy will be made during the first quarter of 1964.

Council concurred in a resolution from Wentworth County asking the Provincial Government to pass legislation to prohibit the sale and use of mineral based detergents.

Council asked for tenders for 9,000 tons of crushed gravel.

A resolution was passed instructing the Clerk and Mr. Waldrum, Public School Inspector to prepare a By-Law forming a Township School Area of the School Sections of the Township of Huntingdon.

Road Voucher No. 2 for $1366.52 was ordered paid and also the following bills: Village of Madoc, Stobbart fire, $5.80; Municipal World, supplies, $44.58; Moira River Conservation Authority, dues, $340.97; Tweed News, printing, $6.86; Registrar of Deeds, 29 registrations, $5.80; Salvation Army, grant, $25.00; Federation of Agriculture, grant, $250.00; Welfare, $395.41.

Council will meet again on March 4th at 12.30 p.m.

Goldie McInroy, Reeve — W. J. C. Wright, Clerk

Plead Guilty To Robbery

Three young men pleaded guilty at Madoc Monday morning of robbing an elderly Ivanhoe district farmer early Saturday of $300.00.

Remanded a week while officials prepare a pre-sentence report for the court were John Cannon, 18, Trenton; Theodore McCumber, 19, Frankford, and 21-year-old Ralph Lorne McCumber, of Stirling.

All three were charged before Magistrate R. E. Jackson with robbery and violence. They were arrested in Trenton early Saturday morning, while police searched for three men who robbed 72-year-old Jack Douglas at his farmstead a mile east of Ivanhoe.

The robbery took place after the trio scuffled with the farmer, who had the money in a bag in his pocket.

Rylstone W.I. Wins Award

At the recent Farm Safety Conference of the Farm Safety Council of Ontario, held at the Ontario Agricultural College, Guelph, on February 4th, 5th and 6th, the Rylstone Women's Institute exhibit of slides on Farm Safety, won fourth place. These slides depicted unsafe and safe practices in and about farm buildings. First place was won by Oxford County.

High School Teachers' Conference

On Monday, February 11th, the 387 teachers in the fifteen High Schools (from Picton to Cloyne and from Brighton to Odessa) in the Ontario Secondary School Teachers' Federation District 23 (Quinte), held a Professional Development Day, organized by the Professional Development Chairman, Mr. Edgar C. Hay-Ellis, of Stirling-Rawdon District High School and a small committee, at Belleville Collegiate Institute.

The teachers registered from 8.45 to 9.15 and then assembled in the auditorium to hear the key speaker, Mr. A. H. McKague, B.A., Assistant Superintendent of Secondary Education in Ontario, on a subject which concerns all of us, teachers, parents and students: "The Reorganized Programme for Secondary Education," which is to be put into effect in September, 1963.

For the rest of the day, the teachers met in fourteen various subject groups, in which programmes were arranged by the Subject Chairmen. Of the local High School, Mrs. F. Lyons, M.Sc., H.Ec. and Mr. Ray Marbry, B.A., were the chairmen of the Home Economics and Geography sections respectively.

In these sections, common problems, new ideas for the promotion of education, techniques of teaching, etc. were discussed. Several notable speakers from outside the district were heard: From Queen's University, the Head of the French Department, Dr. W. H. Evans; Prof. R. S. Thoman, Geography; Mr. Pat Galasco, Coach for Athletics; from the University of Toronto's Science Department, Dr. W. C. Winegard; from the University of Waterloo, Dr. R. G. Stanton, Head of Mathematics; from the Ontario College of Education, Prof. of Classics, Mr. B. C. Taylor. Others were Miss Anne Lawson, Secondary Inspector of Home Economics, Dept. of Education; Mr. J. Colin McLeod, Principal of Rideau District High School; Mr. R. Sams, Kingston Collegiate; Mr. Murray Irwin, Albert College.

There were several visitors, notably the District Secondary Inspector, Mr. R. W. Froats; Mr. Bruce Portt, Chairman of the Bay of Quinte District High School Board, and Archdeacon A. S. McConnell, of Belleville, who conducted the devotions.

It is believed that out of this professional development day the teachers will have gained a greater appreciation of their profession, and benefits for all who serve in the classrooms. There is always a great deal to learn.

At road speeds of 60 miles per hour, approximately 2,500 gallons of water per hour are circulated through the average automobile radiator.

Ten years ago less than two-thirds of Ontario homes had mechanical refrigeration of any kind. In 1961, 97 per cent were equipped with electrical refrigerators.

To get your prospect lukewarm you have to get yourself red hot.

CANNED TOMATO JUICE IN PLENTIFUL SUPPLY

Canada's most popular appetizer, tomato juice, is in plentiful supply. In fact it apears that there has been more packed in 1962 than ever before — over 7 million cases to be exact — and that's a lot of tomato juice! The Consumer Section, Canada Department of Agriculture tells us that most of the juice packed for consumer use is in 20 oz. and 48 oz. size cans — 6 oz., 10 oz. and 15 oz. are also available.

The large pack of canned tomato juice on the market this winter is top quality juice. Most of it graded Canada Fancy. This means it has the true red colour and flavour of the well ripened tomatoes from which it is made. It is pure juice with no water added. If salt or sugar is added this must be stated on the label. It is of a good consistency and is practically free from particles of solids such as skins and seeds.

When you keep several cans chilling in the refrigerator you have a breakfast juice, a thirst quencher at snack time or a quick first course. But tomato juice need not always be served cold — when served hot it makes a delicious starter for a meal. Try a **Quick Hot Tomato Juice Cocktail.** Simply heat, do not boil, 1 20-oz. can of tomato juice (for 2 generous servings) and add ¼ teaspoon Worcestershire sauce and ½ teaspoon of butter. Garnish with a clove-spiked lemon slice or a sprinkling of chopped onion. If you are serving it hot in mugs, you could add a celery "stirrer" — a short stock of celery with a few leaves on top.

Canned tomato juice is a natural with cooked meats. It adds both flavour and colour and, with the addition of spices, adds subtle seasoning to the meat. The Consumer Section, Canada Department of Agriculture, suggests the following recipe for Barbecue Sauce. It may be used with stewing meat, spareribs, swiss steak or any meat which you like served with a spicy sauce.

Barbecue Sauce

2 tablespoons brown sugar
1½ teaspoons dry mustard
½ to ¾ teaspoon chili powder
1 teaspoon salt
¼ teaspoon pepper
1½ tablespoons spicy meat sauce
3 tablespoons vinegar
¾ cup finely chopped onion
3 cups tomato juice

Mix brown sugar and seasonings. Add remaining ingredients and mix. Simmer 10 minutes. Makes 3 cups. It may be used as the liquid to cook spareribs, hamburg patties, stew, etc., or it may be simmered until thick, about 30 minutes and served over cooked meat or poultry.

OF MANY THINGS

(By Ambrose Hills)

CALL FOR RED ADAIRS!

When a gas well in Alberta caught fire recently, its owners knew just what to do — call for Red Adair. If any person could quell the fire, it would be that young Texan. They call him a daredevil. I wonder.

I would suspect that brains, more than sheer courage, are the makings of Red Adair and his fabulous business. He is simply just that little edge better than his contemporaries in knowledge and ability, and he has the wit to capitalize on it. I am told he has an office decorated in bright red decor, complete with a red-headed secretary who wears a red dress!

There is a great deal to know about fires and how to fight them. This fire happens to be at a natural gas well. One thing few people realize is that natural gas is NOT poisonous. That's right, it is not poisonous; it was the old form of manufactured gas that used to claim hundreds of lives through poisoning. Red Adair would know this and a thousand other facts to enable him to approach the fire and defeat it.

I have never met Red Adair, but I would dearly love to. Without having met him, I would take wagers that he has these qualities — he works like the very devil, he is quiet in his manner, he is a delightful personality. Men who know what they are about usually qualify on all these counts, with very rare exceptions.

How we could use a population of Red Adairs, of men and women willing to work hard enough to be tops in their fields — to know what they are about, and to have that quiet self-assurance that comes with skill and knowledge.

Virtually every young lad today has the opportunity to be a Red Adair of a sort. Educational opportunities are better than ever before, and the chance to earn and learn is open to most of those who seek diligently for that kind of opportunity. I hope that at least some of them will resolve to be something more than ordinary run-of-the-mill sorts and set out to be — in whatever line of work interests them — Canadian Red Adairs!

Stirling Centenarian Observes Her Anniversary

(Contributed)

During the afternoon and evening of Thursday, January 22nd, 1963, Mrs. Rebecca Sine, Mill Street, Stirling, greeted over one hundred guests on the occasion of her one hundredth birthday anniversary.

Relatives and friends were in attendance from Toronto, Colborne, Belleville, Campbellford, Eldorado, Mount Pleasant, Burnbrae, also a group of Bethel ladies as Mrs. Sine spent most of her life in that vicinity.

Her immediate family, Karl Sine, Belleville; Mrs. William (Beatrice) Wannamaker, Colborne, and Mrs. Percy (Irene) Ford, Toronto, spent the day with their mother and enjoyed reminiscing with old friends. Mrs. Sine has nine grandchildren, twenty great grandchildren and ten great great randchildren. One daughter, Ruth, is deceased. Many of the grandchildren, nephews and nieces attended this special party.

During the afternoon the group included two ladies who plan to celebrate their 100th birthday anniversary in March, Mrs. Jane Munro, Mrs. Emily Runnalls, formerly of Front St., Stirling, on March 8th and Spring Brook, who now resides with her daughter in Frankford, on March 14th.

Mrs. Sine received her guests wearing a pale blue silk negligee. One of her gifts was a corsage of baby 'mums tied with orchid satin ribbon.

She was the recipient of a large array of personal gifts which included chocolates from the neighbours and a token remembrance from Leslie Rawlings, manager of the local Bank of Montreal. She received over one hundred greeting cards and these she opened and read their messages.

The room was a bower of beauty with bouquets of cut flowers and potted plants. The family provided several of these and one outstanding arrangement was a lovely engraved cup and saucer filled with carnations. The flowers included one dozen long stemmed red roses, presented by Reeve Graham Mouck, on behalf of the citizens of Stirling.

Another was a mixed bouquet from all who reside in the business section of Mill Street, Stirling. The donors names were on the accompanying card and the presentation was made by Mrs. Brad Spry, the eldest lady on the street and Mrs. Arthur Stevenson. Other flowers were from Stirling I.O.O.F. Lodge, No. 239; Laurel Rebekah Lodge, No. 211, Stirling, and Bethel United Church Women. She also received flowers from Oakville and Frankford and a lovely decorated birthday cake from her daughter.

Many Messages

Messages were received from Queen Elizabeth II, Buckingham Palace, London, England, signed by her Private Secretary; from Rod Webb, M.P. Hastings-Frontenac; from John D. Diefenbaker, Prime Minister of Canada; Premier John P. Robarts, Premier of Ontario; Lee Grills, M.P., Hastings-South.

In the afternoon W. E. Sandercock, M.P.P., Hastings-West, paid a personal visit and presented a framed citation from the Provincial Secretary of the Parliament Buildings, Toronto.

In the evening Earl Fox, Deputy Grand Master of Ontario, presented a gift on behalf of the I.O.O.F. Grand Lodge of Ontario.

Mrs. George E. Green was hostess for this auspicious occasion and all the guests received a very warm welcome.

Mrs. Estella Chisholm presided over the guest book and over one hundred signatures were recorded.

Mrs. Ritchie Geen, Miss Delia Descent and Mrs. Delia Alderson served the refreshments which included the birthday cake and ice cream.

Mrs. Sine had a very happy day and enjoyed the round of activities in her cheery manner. She opened her various gifts and expressed thanks to the donors and she did enjoy greeting her relatives and friends.

The citizens of Stirling Village and Rawdon Township extend congratulations for continued health and happiness in the days ahead.

River Valley W.I. Sponsors National Farm Forum

On Monday evening, February 4th, River Valley Women's Institute sponsored the National Farm Radio Forum at the school with an attendance of 23 men and women from River Valley W.I. and six from Pine Grove W.I.

It was regretted that due to road conditions the eight members of Chatterton W.I. who had planned to attend were unable to be present.

The school room was decorated with friendship posters, an A.C.W.W. tea towel with a set of United Nations initials and their meanings on the blackboard.

Mrs. Vernon Harry, Vice-President, welcomed the guests and each signed the guest book. At 8.30 p.m. Mrs. Roy Bush, chairman for the event, opened the meeting with a special welcome to all. Mrs. George Heasman was pianist and the group sang "O Canada', and "Friends and Neighbours." Mrs. Jack Bush read a selection entitled "I Am a New Canadian." Mrs. Ernest Carr read "The story of the Farm Forum" as it was written a few years ago in the "Home and Country."

Greetings

Mrs. Percy MacMullen brought greetings from West Hastings District and told how the executive of the National Farm Radio Forum had decided to invite the largest women's organization in Canada to participte. The first broadcast in 1962 was based on "Technical and Vocational Training" and it was so successful they decided to ask the Institute to participate again for 1963. She closed with a message from the Triennial Conference held at Melbourne, Australia. It said in part "Member societies of A.C.W.W. must determine to give more to the Pennies for Friendship fund. Much more could be accomplished during the coming three years if there were sufficient funds. Mrs. MacMullen said that the Canadian Institutes were highly honoured to have a place on this outsanding program.

Mrs. Roy Tucker read a message from Mrs. Ruth Houck, of Brampton, and this outlined how through the United Nations, women contribute to health and nutrition; to the education and a better standard of living for underdeveloped peoples of the world.

Mrs. E. C. Hay-Ellis read an article re the distribution of surplus food stuffs. Other nations should be taught better internal controls of production, distribution, education and population.

Recently Dr. Helen C. Abell stressed that people from other lands should be invited into Canadian homes. Every year hundreds of people enter Canada to study in Canadian schools, offices and government institutions.

Listen To Broadcast

Mr. and Mrs. John Kane provided the radios and the group listened to the broadcast from 9 to 9.30 p.m. The thoughts that were presented included that the F.A.O. teaches people to make the best use of what they have. Miss Pearl Isaachsz, of Ceylon, now studying home economics at Macdonald College, Guelph, on a $1000 Institute scholarship was interviewed. On her return to Ceylon she will train community leaders and their rural women and girls will spread the idea through their village classes. She will stress improvement of agricultural techniques and health and sanitation measures. She also hopes to establish and run food preservation centres on a commercial scale thereby assisting the government in its campaign to grow and preserve food products to the fullest extent possible.

The broadcast also stated that in 1961 F.W.I.C. raised $7,150 in Unesco gift coupons for the extension department of University College in the West Indies at Kingson, Jamaica.

The Lady Aberdeen scholarship is used to assist in training mature country women who are now leaders and teachers for adult education, family welfare and home and country crafts.

The broadcast closed on the theme of "World Peace" and that women of rural Canada are most important. The group was arranged by number and 20 minutes were spent in discussing the various ideas. The chairman held open discussion and the secretary wrote the findings which will be forwarded to Toronto. Among the ideas were a few thoughts of interest such as "Could our outdated machinery be used in less developed countries?" "Would bales of clothing gathered by each branch Institute be of assistance to the needy of other lands?" "How best could each branch stress world peace."

Short Synopsis

Following the discussion Mrs. Roy Tucker gave a short synopsis of letters in connection with the United Nations, such as: F.A.O. — Food and Agricultural Organization; UNESCO — United Nations Educational, Social and Cultural Organization; and UNICEF — United Nations International Children's Emergency Fund. The W.I.'s of Canada are not governed organization but they do have consultive status with the United Nations. Mrs. Tucker stressed the advisability of all branches channelling their funds through their own organization where it is used so wisely. Later she collected "Pennies for Friendship" which amounted to over $2.00.

Mrs. George Heasman told of the various scholarships at provincial level. Some day it is hoped that each branch will respond with their donation and then the interest will be used to send trained home economists to other countries. Requests have come to FWIO for assistance but the necessary funds have not been sent in as yet.

The chairman gave a paper entitled "Food for Thought" with items and clippings from many sources. This was both informative and educational.

ACWW Talk

Mrs. Percy MacMullen spoke briefly re ACWW and said that Mrs. Van Beekhoff, of the Netherlands, is President of Associated Country Women of the World and this organization comprises seven million women of all races, colours and creeds. It was organized 30 years ago and now there are over 140 constituent societies and 54 corresponding societies. As a power for good ACWW has become worthy partners in the international field and has gained the respect of the United Nations. Unfortunately far too many Institute members do not seem to realize the tremendous forces hidden in ACWW.

The chairman closed the meeting with a poem written by Ethel Chapman, editor of Home and Country.

The Agricultural Group, under the direction of Mrs. Jack Bush and assistants, Mrs. E. C. Hay-Ellis, Mrs. Roy Irven, Mrs. Ernest Carr, Mrs. John Kane, Mrs. Roy Tucker, Mrs. Glenn Bush and Mrs. George Heasman served fruit bread, pickles, celery, cheese, cookies and coffee.

A decorated and lighted birthday cake made by Mrs. Ernest Carr was displayed and Mr. John Kane was honoured as he was celebrating a birthday. The cake was then shared by those present.

Mrs. Alex Tanner, President of Pine Grove branch, voiced thanks on behalf of the group for the kind invitation.

Mrs. Percy MacMullen, on behalf of River Valley Branch, expressed thanks to Mrs. Roy Bush who chaired the meeting and was responsible for the programme arrangements.

The closing thought was in the poem "The cry of the world is not only — I have — but also, I give."

Friday Night Mixed Bowling

The high noise level at the alleys last week was caused by the fierce competition between the Jets and the Die Hards.

The results this evening for the ladies' high single and high triple, Verna Woodbeck 295 and 787. For the men, the high single and triple, Ray Poste, 289 and 761. Dick Reid followed closely with three fine games of 209, 260 and 245.

The high averages are maintained by Rosa Spry with 216 and Cliff Short with 231.

Other high games for the evening: Bessie Hewton 210, Rosa Spry 213 and 216, Ivy Poste 274, Verna Woodbeck 282 and 210, Ray Rose 209 and 233, Ray Poste 267 and 205, Ralph Clements 200, Cliff Short 254 and 209, Maurice Faulkner 263 and John Eaton 201.

NEWS FOR THE BUSY FARMER

GRADE "A" HOGS UP

Hog marketings in Canada last year contained a record percentage of Grade "A" hogs.

The total of 6.6 million hogs marketed included 34.9 per cent Grade A's. This compared with 32.7 per cent of 6.4 million hogs marketed in 1961.

Ontario with 2.4 million, Alberta with 1.8 million, and Quebec with 1.3 million, all increased hog marketings in 1962 and accounted for 82 per cent of the total.

All provinces increased their percentage of Grade A marketing except Nova Scotia, which, however, still placed second in this category.

EXTEND CONTROL OF BRUCELLOSIS

Canada's drive to stamp out brucellosis disease in cattle is forging ahead.

Canada Department of Agriculture's Health of Animals Division reports that at the end of 1962, the number of brucellosis control certified areas stood at 472. The herd testing programme was introduced in 1957.

In addition, another 119 areas were under tests.

The number of certified areas, by province: Prince Edward Island, 3; Nova Scotia, 18; New Brunswick, 15; Quebec, 28; Ontario, 43; Manitoba, 96; Saskatchewan, 241; Alberta, 56; British Columbia, 12.

By the year's end, more than 8.3 million of Canada's 13 million cattle population had or were being dealt with under the programme. Of this number, some 6.7 million were in areas already certified. Diseased animals slaughtered since the programme was started totalled 124,481.

HOG PRICE SUPPORT

Agriculture Minister Alvin Hamilton anonunced recently that the Agricultural Stabilization Board has been authorized to continue price support for hogs on the basis of $23.65 per hundredweight for Grade A hogs on a national average basis.

This level applied through the last calendar year.

Mr. Hamilton said the deficiency payment method of price support will be continued and any payment made will be the amount by which the national average price for the year falls below support level.

Also uncharged. Eligibility for deficiency payments is limited to a maximum of 100 hogs — Grade A's and B's — for each registered producer.

No deficiency payment is being made in respect of 1962 as the national average price for Grade A hogs during that year was $28.28 per hundredweight — well above the support level.

The Minister said: "Since introduction of the deficiency payment method of price support three years ago, the over-production of previous years has been corrected and production is more in line with demand. This adjustment in production has resulted in reasonably satisfactory prices to producers during the past three years."

Mr. Hamilton, however, cautioned producers that while hog prices have been good, any significant increase in production could result in lower prices and decreased revenues.

Cooking Comments

Food experts at Macdonald Institute, Guelph, say that when making cookies of any kind — drop, rolled or molded — never work or beat the dough unnecessarily or the cookies may be tough.

* * *

When using baking soda maximum leavening is obtained when it is sifted with the flour. However, if the soda is lumpy, it is better distributed in the batter or dough if dissolved in hot water.

* * *

To measure the capacity of an odd-shaped pan, fill the pan with water and then measure the water. Home economists suggest that you use one-half that measurement of batter for a well baked cake.

* * *

To separate lettuce leaves from a head easily, cut out the core and fill the cavity with running water from a tap. The water enters between the leaves and they can be pulled apart more readily.

I.O.D.E. Announces Short Story Competition

Mrs. W. R. Morrison, President of the Provincial Chapter of Ontario, I.O.D.E., announced recently that a Short Story Competition will be held and a prize of $200 is offered for the best short story.

The competition is open to writers, citizens of Canada, resident in Ontario. Closing date of contest is April 30th, 1963.

Dr. A. G. Whalley, Chairman of the Department of English, Queen's University, Kingston, Ont., is the judge for 1963.

Contestants are advised not to submit any manuscripts without first obtaining printed conditions. These may be secured by writing to: Provincial Chapter of Ontario, I.O.D.E., 168 Jackson Street, West, Hamilton, Ont.

"THE HEART STORY"

X-Ray Microscope Seeks Stroke Cause

This is the fifth of a series of articles by David Spurgeon, published for the Heart Foundation of Canada.

One of the difficulties inherent in research into the causes of hardening of the arteries is that the phenomena involved cannot be directly observed.

This problem is not peculiar to heart research, of course, but observation of blood vessels is, perhaps more difficult than observation of some other organs.

Recently a tool has been developed which shows great promise for the study of circulatory diseases: It provides a method of observing blood vessel processes as they are actually going on.

The tool is a new kind of microscope, developed at Cambridge University with the assistance of Dalhousie University anatomy professor, Dr. R. L. de C. H. Saunders. Dr. Saunders, in addition to working on original development, also built one of the new microscopes for Dalhousie University.

It is the only one of its kind in Canada, and he has already changed concepts of brain physiology with it.

The device is called an X-ray microscope. Other miscroscopes are either the common optical variety or electron types capable of extremely high magnification.

The X-ray microscope is an electronic-optical device which makes it possible to obtain photographic images beyond the scope of the other two types. It can even reveal the internal structure of metals with great clarity and detail.

Dr. Saunders has taken pictures of the ear of a living rabbit which reveal with exceptional details its circulatory system and the effects on it of experimental treatment such as freezing and trauma.

What application could this miscroscope offer in diseases such as hardening of the arteries and strokes? In atherosclerosis there is a build-up within blood vessels of a fatty substnce which can prepare the way for heart attacks and strokes by facilitating blockage of the vessels. Just what causes this build-up of fatty substance is not known, but the X-ray microscope provides a means of observing it actually going on. It can also reveal the effects on blood vessels of certain drugs which are used in cases of high blood pressure because these drugs act by constricting or relaxing the blood vessels.

The theory of how strokes are caused must already be revised as a result of the secrets of the human brain that the X-ray microscope has disclosed.

It has been thought until now that a stroke was caused by blockage of large blood vessels in the brain or feeding the brain. The blockage was supposed to have cut off the supply of blood to brain tissue, thus causing its death and symptoms like partial paralysis.

The X-ray microscope has revealed that there is actually a fantastically complex network of tiny blood vessels as well as large ones in the brain. The large blood vessels can be seen to go right through the brain tissue (something heretofore unsuspected) and the small ones form a capillary network throughout the tissue.

This means it would be impossible for a simple blockage of a large vessel to cause death of brain tissue — because the small capillary network would go right on supplying blood to the tissue. It could also explain something never explained by the old theory — the restoration of function after a stroke. If, as commonly supposed, the brain tissue died, how was function restored?

The new evidence suggests that the small capillary network maintains life in brain tissues after a stroke. The original work on Dalhousie's unit was carried out at Cambridge's famous Cavendish Laboratories, where Dr. J. J. Thomson discovered the electron — thus opening the field of atomic physics — where Chadwick discovered the neutron, and where Lord Rutherford and others have done pioneering nuclear work.

A government survey of 1,672 urban Canadian families with an average annual expenditure of $5,570, one-quarter with working wives, shows the main items of spending as: Food, $1,323; housing, $911; automobile, $518; clothing, $508; personal taxes, $378; household furnishings, $277; security, $271; medical care, $237; tobacco and ilquor, $230.

LEGION NOTES

This is one of the busiest months in the branch programme. Elsewhere in this issue are details concerning the Legion Skating Carnival, and also a report of the Stirling Legion Pee Wee Hockey Tournament held at the arena last Saturday. With a busy schedule of events, President Allan Lawes has asked for the support and co-operation of all members of the Stirling Legion.

Comrade Lawes has appealed to all Legion members to support the Skating Carnival next Saturday by turning out in costume. Legion members are asked to make sure their families also come in costume. Much work and planning has gone into this event, and it calls for the wholehearted support of every member of Branch No. 228. There will be a number of jobs at the arena next Saturday evening and anyone who can help is asked to contact President Lawes at once.

On Saturday, February 23rd, the local arena will be the scene of the Annual Branch Skating Party. This annual event has come to be a highlight of the winter programme. At this time, Legion members and their families enjoy an evening of skating. The arena will be closed to the general public for this one evening. Skating will commence at 7.30 p.m. All members of the branch are invited to bring their families along for a most enjoyable evening. Each child will receive a special treat from the branch. Members are asked to make a special note of the date and time. That's Saturday, February 23rd at the arena, 7.30 p.m. Come and bring all the family.

Commencing in March, the local branch will conduct a special membership drive. A highlight of the membership campaign will be a pot luck supper and smoker at the Legion Hall. At present no date has been announced, however, the executive of the branch will meet shortly to consider plans for this very special event. Members will be advised by a branch bulletin. In the meantime, all members who are not yet in good standing are urged to pay their dues as soon as possible. At present just about half of the membership is paid up. Anyone wishing to pay their dues should contact Membership Chairman, Doug Patterson. Dues are $6.00 per year.

Why Join the Legion?

With the branch membership campaign about to start, we would like to direct this question and some answers to it, to those veterans of this area who have not been members of the Legion, or who may have allowed their membership to lapse. Each week we will attempt to give at least one good answer to this question.

One good reason for joining the Legion is this. Out of their own pockets, Legion members are paying for services which are being made freely available to ALL veterans. As a result of Legion efforts through the Legion Service Bureau, thousands of war veterans have received benefits to which they have been entitled by law, but which they would not have received had it not been for the Legion Service Bureau. Of all the applicants seeking Legion assistance, some 70 per cent are not Legion members.

Local Club Marks Rotary Anniversary

This week the Rotary Club of Stirling celebrated the 58th anniversary of the founding of Rotary in Chicago, Illinois, on February 23rd, 1905. The local club marked the milestone by a programme which included an address by Miss Elisabeth Klein, Reg. N., District Nurse, Belleville Center, on "The Ontario Society for Crippled Children."

Don Williams, president of the Rotary Club of Stirling in announcing the anniversary meeting, said, "The celebration of this occasion is global in scope, for there are more than 11,400 Rotary clubs and 529,000 Rotarians in 128 countries. That means that Rotary meetings marking this occasion will be held in many languages, including Arabic, Danish, Finnish, French, Spanish, Portuguese, Chinese, Japanese, and Persian."

The Rotary Club of Stirling, organized in 1949, has 24 members, all business and professional men of this community. They represent a cross-section of the Village's business life since the membership of a Rotary club is composed of one representative from each business or professional activity of a community. This principle of membership had its beginning in the first Rotary club and has continued through the decades as a cornerstone of Rotary.

As its 58th year begins, Rotary is growing at the rate of one club a day. During 1962, four new countries were added to the roster of nations in which Rotary clubs exists: Bahamas, Zanzibar, Haiti, and New Caledonia.

Rotary's world leader for 1962-63, Nitish C. Laharry, of Calcutta, India, has focused the attention of Rotarians everywhere on "fully releasing the latent power within each of us to be of service to others."

Guest At Dinner

Mrs. Percy MacMullen, President of West Hastings, District Women's Institutes, was a dinner guest Tuesday evening, February 12th in the "Canadian Room" of the Royal York Hotel, Toronto.

The Honourable Robert Macauley, Q.C., Minister of Economics and Development for the Province of Ontario, sponsored a reception and dinner to present the Conference of Women for Ontario and to launch the Consumer Trade Crusade.

High School Basketball

(By John Svoboda)

On Tuesday night both the Junior and Senior teams lost by wide margains to first place Albert College teams. Jeffs, 12 points; Faulkner, 11, and Fletcher, 6, were the high scorers for the seniors. The junior players netting the points were Vreugdenhil 6, Vandervoort 5 and Smith 4.

Although the seniors lost all chances to be district champions, they still lead the way for the Centre Hastings Trophy with a three won and two lost record. Madoc, Marmora and Tweed have yet to win a game.

The top scorers this season are Al Fletcher with a total of 89 points and Andy Faulkner with 84. Howard Jeffs with 45 points and Heath, Bolte and Steacy, who have collectively netted 25 points, complete the scoring. Heath and Jeffs have led the team on defense by gathering in the most rebounds.

Norwood Here Feb. 22nd

Both juniors and seniors play their next game against Norwood in the local gym on Friday, February 22nd. The game will be followed by a dance.

Norwood Wins Pee Wee Tourney

The fifth annual Stirling Legion Pee Wee Hockey Tournament was held in the Stirling Legion Arena on Saturday, February 9th. Eight district Pee Wee teams participated in this day-long tournament which featured some the best Pee Wee hockey seen in this district in some time. Observers were generally agreed that the minor hockey future of this section of the province seems bright indeed if the efforts of these youngsters are any indication.

Members of Stirling Branch No. 228 of the Royal Canadian Legion acted as hosts throughout the day. Tournament Director Bert Bastedo supervised the play, and was assisted by a number of volunteers from the Legion and from the fans of the district. Several district referees volunteered their services for the day, and the Legion is much indebted to them for their good work.

Results

The results of the tournament are as follows:

Series A, Havelock 3, Frankford 1; Series B, Norwood 7, Marmora 1; Series C, Stirling 2, Brighton 1; Series D, Tweed 6, Cooper 2.

Semi-Finals — Stirling 3, Havelock 1; Norwood 4, Tweed 3.

Final — Norwood 3, Stirling 1.

Major Fraser Trophy

Stirling Legion President Allan Lawes acted as the master of ceremonies for the presentation. Mr. Lawes thanked everyone who had assisted and supported the Pee Wee Tournament. He next introduced Major Fraser, the donor of the M. S. Fraser Trophy. Mr. Fraser made the presentation of the trophy to Norwood team captain, Kevin Hie.

Throughout the day a good number of local citizens attended the games and the tournament officials report that public support was the best in a number of years.

Who's Nuts

An interesting little story on aspirin came to my attention the other day.

We were entertaining a few friends and the subject of aspirin was brought up because I was doing some writing and researching on the subject. One of my friends who is a schoolmarm said, "You know, sometimes when I get up in the morning and I'm not feeling too well and sleepy and tired and dopey, I take a couple of aspirins and they make me feel fine."

From the other end of the room piped up another female friend and she said, "When I am about to go to bed and don't feel tired or sleepy enough, I usually take two aspirins and they usually put me into a sound slumber."

Well, it just goes to prove the versatility of aspirin or the stupidity of the human mind. You figure out which it is. —From Growing Flowers

Boy Scout Week Observed In Honour of Baden-Powell Founder

Scouts and Girl Guides To Attend St. Andrew's Church on Sunday Morning

This week, February 17-24th, is Boy Scout Week and on Sunday next the local Scouts and Girl Guides will attend Divine Service in St. Andrew's Presbyterian Church commemorating Lord Baden-Powell, the founder of the Scout movement. Parents are asked to make sure their boy or girl is at the Community Hall by 10.30 Sunday morning.

Display

A display of Cub handicraft may be seen in a store window in the Stapley Block, Front St. W.

In 1930 Stirling had the first Scout Group which comprised 30 boys; today there are 49 Cubs and 35 Scouts with 13 leaders. One Cub Pack meets on Mondays and the other on Tuesday in the Public School. The Scouts meet in the High School on Tuesday at 7.00 p.m. Everyone is welcome to come and visit the boys at their meetings any time. Some people do not realize what scouting means — it is more than a kid's game, the boys are trained to take care of themselves and do their duty to the Church, since a boy cannot be invested if he doesn't go to a Church.

The theme of the 1963 Boy Scout Week is "World Scouting." There are 145 countries taking part in Scouting. Can you get any cheaper fun for your boys than Scouting. Stirling should have at least 150 boys in the movement if the parents would only take some interest in the boys attending the meetings.

Father and Son Banquet

The father and son banquet will be on March 5th and the Cub Camp August 3rd to 9th.

The Group Committee consists of Clare West, Chairman; Harold Baker, Secretary-Treasurer; Don McIntosh, David Duffin, Bert Woodbeck, Bob Cooke, Don Irish, Charles Mayell and E. Burrell and B. Glendinning of the Legion who are the sponsors of the Group.

"Let us therefore, in training our Scouts, keep the higher aims in the forefront, nor let ourselves become too absorbed in the steps.

"Don't let the technical outweigh the moral. Field efficiency, backwoodsmanship, camping, hiking, good turns, Jamboree comradeships are all means, not the end. The end is Character — character with a purpose. And that purpose, that the next generation be sane in a insane world, and develop the higher realization of service, the active service of love and duty to God and neighbour."

These words were written by the late Lord Baden Powell in 1939.

Good Scores Men's Bowling

February 18th — It looks as though Ray Poste has taken the high triple for the second week in a row with two fine games of 297 and 281 and a three-game total of 765. Also on the Odds and Ends team Harold Johnson rolled 206 and 213 and Dick Reid 206 and 248. The Bolows had six over 200 games with Ken Cooke at 203 and 219, Tom Kovak 322 (this excellent game won Tom the high single for this week) and Ray Rose with 218, 228 and 227. The Six-R-Dees scored as follows: Doug Harris 235 and 250, Garry Poste 249 and Bob Crossman 203. The Maple Leafs had seven over 200 games with Keith Johnson 243 twice, Doug Scea 220, Ralph Parks 206 and Ralph Scea rolling three dandies at 202, 203 and 273. Howy Parsonson and Cliff Short of the Legion team bowled 205 and 272 and 240 respectively. The Drones came through with four nice games: Clive White 208 and 227, Fred Mallory 262 and Ray Mallory 219.

Winners of Grocery Baskets

Lucky winners of grocery baskets at Livesey's Red and White Store last week were Mrs. Stan Meeks, of town and Mrs. Lindsay Tanner, of Harold.

Buys Highway Property

St. Paul's United Church was the successful bidder for the Department of Highways property on Church St. at the auction sale held on Tuesday afternoon. The purchase price was $3600. Geo. Montgomery, of Frankford, was the auctioneer.

Appointed General Manager

Of interest to Stirling and district friends is the appointment of Chas. H. Porter as General Manager of the Corrugated Products Group of Continental Can Company of Canada. Mr. Porter, who previously was eastern district sales manager of the company, is a son-in-law of Mrs. C. I. Hatton, Front St. W., and brother-in-law of R. L. Hatton, local hardware merchant.

Toboggan Party

Recently approximately 50 folk gathered by a bonfire on the Oak Hills at the farm of Mr. and Mrs. Glenn Bush for their annual skii and toboggan party. Ideal weather conditions prevailed and after an afternoon of fun and tumbles the group journeyed to the house where a sumptuous hot buffet supper awaited all.

The remainder of the evening was spent around the piano indulging in a good old fashioned sing-song. Later a tired and happy group left thanking the Bush's for the good time.

Resigns After Over 50 Years' Service On Library Board

The Board of the Stirling Public Library acknowledge with regret the resignation of Mrs. H. H. Alger after more than fifty years of dedicated service.

Due to failing health, Mrs. Alger has found it necessary to tender her resignation. She has been keenly interested in the progress of the Library through the years and has been a most efficient treasurer as well as an active and effective member of the board.

Work Shop of H. C. Pitcher & Sons Destroyed By Fire

The work shop of H. C. Pitcher & Sons, Frankford, was destroyed by fire on Thursday morning last. Two tractors which were undergoing repairs along with a large amount of equipment were also lost in the blaze. The building, which was of frame construction covered with steel, was a complete loss, but workmen were able to save two other tractors and some equipment. Fortunately there was no wind, and firemen were able to confine the blaze to the one building. The loss is partially covered by insurance.

Meeting on Farm Safety Electrical Management Largely Attended

On Wednesday, February 20th, the Ontario Department of Agriculture and the Ontario Hydro, with the cooperation of the Hastings County Farm Management Club and Farm Safety Council, held an Electrical Management Meeting in the I.O.O.F. Hall, Stirling, to stress the need of safe electrical equipment.

Mr. Keith Bennett, Farm Sales Supervisor for East Central Region of Ontario Hydro, and Sidney MacDonald, Agricultural Representative for Hastings County, arranged the meeting and Mr. Bennett was in charge of the activities, assisted by Messrs. Harold Abbott and Ray Rumney, Sales and Service Representatives, of Frankford; Clifford Booth, Sales and Service Representative, from Belleville, and Robert Bleecker, Sales Representative, from Tweed.

Mr. Bennett briefly explained some electrical terms, cable heating in concrete for hog farrowing, milking parlour heating, stock tank de-icing, ventilation, and electric motors. Through the use of film, he also showed the necessity for proper installation and the many uses to which hydro is now put.

Mr. Percy Pickering, Chief Electrical Inspector for the East Central Region of Ontario Hydro, showed several slides on "What not to do and why," and how easy it is to use the proper material and size of material when installing the wiring.

From the keen interest shown by the seventy some farmers, it is expected that similar meetings may be held annually.

Change In Ownership

A change in ownership of Stirling Dairy was effected this week when John Sheridan became the sole owner, having purchased James Wright's share in the business. The dairy has been operated under joint ownership for the past three years. Mr. Wright will continue to operate the dairy bar for the present.

Well Known Resident Dies Suddenly

Stricken with a heart attack while visiting friends in Stirling on Tuesday evening, February 19th, 1963, Mrs. Estella Gertrude Chisholm died suddenly. She was born in Prince Edward County, 85 years ago, being the daughter of the late Mr. and Mrs. David F. Vandervoort and had resided in Stirling for the past 15 years. She resided for many years in Tulsa, Oklahoma.

She was a member of St. Paul's United Church and is survived by one son, Rex Chisholm, of Spavinaer, Oklahoma; two sisters, Mrs. Walter Hubbs, of Cedar Springs, Ont., and Mrs. Adrian Hall, of Cupar, Sask.; also a dear friend, Mrs. Molly Green, of Stirling, with whom she lived. Her husband, David T. Chisholm, died some years ago.

Resting at the Duffin Funeral Home, Stirling, where the funeral service will be held on Friday, February 22nd at 2.00 p.m. Rev. P. J. Hommersen will officiate.

Entombment will be made in the Stirling Cemetery Chapel Vault. Interment in Wellington Cemetery in the Spring.

High School "At Home" One of Finest Social Events of Season

The annual Stirling-Rawdon District High School "At Home", held on Friday, was one of the most successful the school has known. Almost three hundred and fifty people attended and enjoyed dancing to the music of the "Dixie Land Five Plus One."

Underwater Theme

The theme this year was "An Underwater Scene." The gym walls were delightfully decorated with turquoise paper on which drawings of mermaids, shipwrecks, fish, etc. were placed. Blue, pink and white streamers, twisted carefully, were draped across the room to produce a false ceiling. The band was backed by a big sea shell made and designed by the students, with several smaller ones placed in front.

King and Queen Chosen

Mid-way through the formal the king and queen were chosen, a tradition only started last year. Carol Beckett and Lyle Couch became the lucky couple. Former Queen, Helen Morrow, crowned them and gave Carol some beautiful red roses. The Princesses were Carol Sharpe, Beth Cook, Susan Webber and Barbara Morrow. Princes were Grant Hagerman, Albert Lawes, Bill West and Andy Faulkner.

A delicious lunch was served in the different rooms. Sandwiches, cookies, cakes and coffee were served by the Grade 11 students and their dates. It was thoroughly enjoyed.

The Students' Council would like to thank the many people who took part to make it successful.

Enrol Girl Guides

On February 11th the 1st Stirling Girl Guide Company enrolled eight Tenderfoot Guides into full membership. Mrs. Ed Warren greeted the mothers who came to watch their daughters make their Guide Promise.

The Guides enrolled were Ann Morton, Ellen Rodgers, Jacqueline Finkle, Cheryl Burfoot, Bonnie Tanner, Cheryl Conley, Debbie Arbuckle and Shirley Ann McDonell.

On February 18th eight more Tenderfoot Guides were enrolled with their mothers watching. They were Vickie Hay, Connie Tucker, Cheryl Stapley, Laurie Carr, Eleanor Shortt, Linda Haggerty, Gloria Pollock and Dianne Wilson.

Wed. Afternoon Bowling Results

February 20th — High single, Lenora West, 240; high triple, Bessie Hewton, 637. Other 200 games — Bessie Hewton 229 and 221, Marilyn Pollock 219, Lenora West 210 and Nora Scott 212.

Men's Ten Pin Bowling League

On February 16th Ralph Scea's team took all 7 points from Donald McCrory's team, tieing them up for total points. Bill Blakeley had the high single of 171 and high triple of 430. The only other 400 or over triple was Donald McCrory with 411.

Dress Carnival Proves Successful

Many Fine and Colourful Costumes on Display — Thrilling Races Witnessed

With an excellent crowd in attendance the annual Ice Carnival sponsored by the Stirling Legion on Saturday evening proved quite successful. Ideal weather conditions prevailed and a fine sheet of ice was provided by caretaker Alvin Rankin. D. Duffin acted as master of ceremonies.

The first part of the programme was allotted to the fancy skating of the various contestants and many fine and colourful costumes were on display.

Races were held for the different age groups and some thrilling finishes wer witnessed.

Ladies' Hockey

A feature of the programme was a hockey match between two lady hockey teams. Noble's "Pill Pushers" defeated Stirling "Margarines" by a score of 2 to 1.

Following the various competitions general skating was enjoyed. The hot and cold canteen did a good business throughout the evening.

AUSPICES STIRLING AGRICULTURAL SOCIETY

River Valley W.I. Meeting Based On Citizenship

Mrs. J. L. Donohoe and Mrs. J. R. Donohoe were hostesses at the school for the February meeting of River Valley Women's Institute last Thursday with 19 members, two visitors and two pre-school children in attendance.

Mrs. Kenneth Myers opened the meeting in the usual manner, after which Mrs. George Heasman gave a full financial statement and also remitted the district fees. Mrs. Jack Bush expressed thanks for co-operation in January and handed in approximately $33 as proceeds from a card party and pie social. Mrs. Ernest Carr handed in $14.85 received at last week's card party.

The correspondence included a letter from the W.I.'s adopted child written in German and another letter from the field secretary stated that a coat had been purchased, also a shawl from the money gift of $10 at Christmas. A letter was read from the Home Economist, Miss Elizabeth M. Spouse, and an invitation to attend Achievement Day on March 2nd in the Stirling Community Hall. The leaders of the River Valley 4-H Club are Mrs. Vernon Harry and Mrs. Roy Irvine. The topic is "Separates for Summer." The summer project on garden and beautification will not be carried out due to lack of girls.

Appreciation Extended

Appreciation was extended to Mrs. Roy Bush for her arrangements in the recent Farm Radio Forum Broadcast. Mrs. J. Bush read "The Closing of the Foxboro Canning Factory." Mrs. Roy Tucker read a humorous letter. Mrs. E. C. Hay-Ellis read the findings of the Farm Forum groups held recently. Mrs. Ernest Carr read the value of 4-H Clubs for tennagers.

Triennial Convention

Mrs. Roy Tucker displayed various A.C.W.W. pictures and she read items from the recent Triennial Convention which was based on "Food, Leisure, Learning and Friendship." The discussion centred around growing food, and its distribution; improvement of land and stock and fertilization. In the leisure portion, the use of exchange programmes and pen pals was stressed. A.C.W.W. could be strengthened by training centres to teach women who could then teach others and thus aid in learning. Through friendship, all could work together through one large world organization and thus lives could be broadened.

Mrs. Percy MacMullen, Public Relations Officers gave five important items. She told of the scholarship for Miss Florence Eadie who has retired after 36 years of work among the young rural people in the Province of Ontario. In 1935 there was 100 4-H Homemaking Clubs with a membership of 1,000 girls. This past year there were 1,686 Clubs with 11,000 members. Mrs. MacMullen read an invitation she had received from the Honourable Robert W. Macaulay, Q.C., Minister of Economics and Development to attend a dinner at the Royal York Hotel in Toronto.

Summer School

Miss Helen McKercher, Director of Home Economics has announced a summer school July 15th to 19th for 100 women who wish to enroll for needlework and English.

The new F.W.I.O. President is Mrs. Leonard Trivers, of Thessalon. She is 49 years of age, a mother of seven children and a school teacher for the past eight years. The River Valley ladies urged Mrs. MacMullen to attend the Conference of Women in Toronto and voted a sum of money to help defray expenses if she cared to accept it.

Fine Programme

Mrs. Ernest Carr presided over the programme and read a poem on "Citizenship" by Edgar Guest. Three school children who had the highest standing in oral composition gave their speeches and all were well received. Trudy Bush gave a synopsis of the Royal York Hotel, Toronto, with a pictorial display. Jane Bush gave "The Story of the Calendar" and showed several shapes and sizes of calendars. Jimmie Morrow gave the story of Alexander Graham Bell, who invented the telephone.

Mrs. Glenn Bush, co-convener of the programme, gave the motto, "A wise mind grows like a savings account, put a little in it each day." She closed with a poem of a recipe for contentment. Mrs. Percy MacMullen read two poems one of which was entitled "An Argument Between John Davidson and His Wife." Mrs. Alex Bush read "A Valentine's Day Story." Little Miss Linda Hay-Ellis recited a cute selection. Mrs. Ernest Carr read a paper on citizenship. The definition of a good citizen was given and stressed that a citizen should vote intelligently. The grounds around the homes should be kept tidy and regular church attendance is essential. Citizenship means putting Christian principles in action and citizens should have responsibility for the welfare of others. The writer stressed that participation in community affairs was needed and democracy like religion must be taught. The paper closed with an article on the theme "Are You a Good Citizen" and concluded by a quiz contest.

The hostesses, conveners and assistants Mrs. Percy Utman and Mrs. Alex Bush, served muffins, cheese, pickles and tea and all enjoyed a social half hour.

Mrs. E. C. Hay-Ellis voiced thanks for the hospitality, programme, refreshments with special thanks to the three school children and their teacher.

Go. T.S.A.

How would you like
To live on a line
Where people are so backward,
They hardly know the time—
The time, I mean,
Is not by the clock
But school conditions
They'd give anyone a shock!
No monthly meetings
Are held by the Board
To improve school facilities,
Don't you think it absurd?
So, an interested parent complains
To Board and head guys
Concerning health conditions
And it's twisted to lies.
But finally, the Board
Gets a big water crock
Disposable cups
And fix the pendulum clock.
They purchase paper towels,
Maps and desks
Piano is tuned
And stands the tests.
A stove guard placed
Around the big box stove,
Fly repellent, first aid kit,
Even school keys, by jove,
Insurance protection
They also did get
Thermometer, rollers and tissue,
So we are really well set;
Except! — for the biggest item,
Causing much debate,
To have the schoolroom
Temperature at least 68.
Oh yes, a caretaker
The Board does retain
To blaspheme and throw out parents
If they should complain.
The "Bouncer" they call him,
Shuts the door in your face,
The trustees get scared
And are in much disgrace.
They make a resolution
And a letter registered fast
To me it states
"DO NOT TRESPASS."
So I seek lawyer's advice
And notarians at large
Who say "Wait and see
If they come up with a Trespassing Charge."
So to all parents,
With their children's interest, I say
"Don't hesitate ever,
Go T.S.A. all the way T.S.A."

A Letter To The Editor

Dear Sir:

On behalf of the Board of Trustees and the Hospital staff, may I express to you our appreciation and thanks for your most valuable support during our recent Christmas Appeal. During the year we received over $300,000 from 31,000 contributors.

Funds given to the Hospital permit the continuation and even expansion of our work for children. The needs seem limitless and we can assure you that the generous contributions of our many friends are put to good use.

We wish that everyone could read the grateful letters from parents and friends. They would be an inspiration to you as they are to us.

Many thanks on behalf of the children in the Hospital.

Very sincerely yours,
C. L. Gundy,
Chairman, Board of Trustees
Hospital For Sick Children

Mrs. J. Milne Hostess Rylstone W.I.

Mrs. Jim Milne was hostess to the Rylstone Women's Institute on Wednesday afternoon, February 6th, when their February meeting was held at the Sunday School room of Zion Church. A small attendance of seven members held a meeting, mostly business.

The roll call was "A press clipping of agricultural interest." The Institute Creed was recited, followed by the Lord's Prayer.

A design for place mats with the subject, "Farm Safety," was made by Alex Brunton, son of member Mrs. Maurice Brunton and sent in. Coloured slides on farm safety were also asked for and these were sent in by Mrs. Stanley Kerr and awarded fourth prize.

A community supper is being planned for February. A card party in aid of the Hospital Auxiliary will be held in March.

Mrs. Ernest Irwin volunteered to be curator for the Tweedsmuir History Books and will attend a meeting in Madoc in the near future.

A demonstration on making a Valentine table centre was put on by Mrs. Jim Milne and enjoyed by all.

Lunch was served by the hostess and her committee.

Do You Remember?

TWENTY-FIVE YEARS AGO

ISSUE FEBRUARY 17th, 1938

A testimonial dinner to the Wardens of Prince Edward and Hastings County Deanery was held last night at St. John's Church under the auspices of St. John's Men's Association.

Miss Keitha Stapley, daughter of Mr. and Mrs. Russell Stapley, left on Tuesday to enter training in Toronto Western Hospital.

Jack Ackers, veteran defenceman of Stirling intermediates, is nursing a broken nose as result of an injury in the game against Madoc Monday night.

Reeve Thos. Cranston represented Hastings County at the annual convention of the Ontario Agricultural Council held in Toronto this week.

A Valentine Ice Carnival and mocasin dance was held at the Arena Monday night under the auspices of Stirling Agricultural Society.

Mr. and Mrs. Wm. Hanna, Frankford Road, celebrated their 61st wedding anniversary and the former's sister, Mrs. Samantha Dix observed her 94th birthday on Tuesday, February 15th.

Local and Personal

Mr. and Mrs. Arthur Hill, Belleville, were Sunday guests of Mrs. N. Wescott and Mrs. Nina Morton.

Mr. J. B. Belshaw attended the meeting of the Ontario Horticultural Association in Toronto this week.

F. R. Mallory attended the funeral of his sister-in-law, Mrs. E. B. Mallory at Brecken, Ont., on Monday.

Wellman's

Mr. Geo. Heagle and Mr. and Mrs. John Heagle were Sunday guests of Mr. and Mrs. Carl Clancy.

Miss Mina Drarup spent the week-end with Miss Luella Matthews, Eldorado.

Mount Pleasant

Miss Emma Cole, teacher, and pupils of S.S. No. 3, Allan School, entertained at a Valentine party Friday afternoon.

Frank Smith has accepted a position at Best Station, near Hastings.

Jos. G. Mitz, a former teacher here, died in Ottawa on Monday.

Unit Four St. Paul's U.C.W.

The regular monthly meeting of St. Paul's United Church Women, Unit Four, was held on the afternoon of February 12th in the Sunday School Hall, with a splendid attendance. The room had a very attractive appearance with many decorations of red hearts and cupids and a pretty teatable specially adorned for the occasion.

After a gracious word of welcome, the leader, Mrs. R. A. Patterson, opened the meeting with a poem, "The Golden Ladder," by Patience Strong, and a short prayer.

Business was conducted in the usual way with minutes by the Secretary, Mrs. Ross Bush and the financial report by the Treasurer, Mrs. J. B. Hough. Mrs. M. Ayrhart, Supply Secretary, reminded the ladies that their discarded nylons are still required, but the wool itself is preferred rather than the circular socks which had been sent for the Overseas bales. Memberships are due, there being only 19 paid up members thus far. Some of course are Life Members. Two women offered to help make church calls on the second Wednesday of the month.

After some discussion Unit Four decided in favour of co-operating with the AOTS Men's group in the Observer for church members. It was thought that the paper was not read or appreciated in some homes and this is a matter of regret as the Observer is such a splendid church paper.

The matter of the annual St. Patrick's supper was brought to the attention of the ladies and the decision of Unit Four was in favour of holding it.

Instead of raising money by means of various ways, the method of regular free-will giving was favoured. However the Birthday Box will still be used.

Suggestions for a Work Project were made by Mrs. Patterson, two of which were the making of cancer dressings and puppet making. Further suggestions were requested before a decision was made.

Announcements included the World Day of Prayer, March 1st, to be held in the Anglican Church this year and the General U.C.W. meeting which will be held in the evening of March 5th at eight o'clock.

Programme

Mrs. Ashley Brooks chaired the meeting for the remaining part of the programme, opening with a poem "The Anvil, God's Word." Mrs. Sid Williams read the Scripture lesson from Matthew 6: 31-34 ann John 16. The commentary was given by Mrs. Brooks.

The question arose, "Have we a genuine faith or an inferior substitute?" Do we seek first the Kingdom of God and His righteousness and as Micah, walk humbly with God? Mrs. H. Philp's solo, "Heartaches, Take Them All To Jesus," was much appreciated. She was ably accompanied by Mrs. H. West, pianist for the Unit.

The new study book "On Asia's Rim," was capably introduced by Mrs. J. Good. This is a captivating story of four lands along the Eastern side of Asia — Korea, Okinawa, Taiwan (formerly known as Formosa) and Hong Kong. Following this interesting study and splendid map talk, some questions marked "Do You Know?" were answered by several of the women, following which the meeting was closed by prayer.

The tea hour was much enjoyed and Mrs. Geo. Carlisle voiced appreciation of all to the hostess, conveners, leader and all who had by their time and effort made the afternoon so very worthwhile and enjoyable.

Pretty baskets of candy were prepared by Mrs. Patterson to be taken as a small Valentine gift to members who, for some reason were unable to attend the meeting.

Ranger News

On January 24th the Rangers met at the home of Rosalyn Rodgers. The meeting opened with a prayer, followed by the reading of the last minutes. The girls discussed the bus trip to the Ice Follies. Nancy Finkle gave the Treasurer's report and they spoke about a Ranger Conference at the RCAF Station in Trenton which will include a tour of the station.

A delightful lunch was served by Rosalyn. The meeting closed with Taps.

Bus Trip

On February 1st the 1st Stirling Rangers sponsored a bus trip to the Ice Follies. Thirty-nine people attended the event and all reported to have enjoyed themselves very much.

Feb. 5th Meeting

On February 5th the Ranger Company met at the home of Nancy Finkle. The meeting opened with a prayer, followed by the reading of the last minutes. In the business the girls discussed their former trip to the Ice Follies and a Ranger Conference in March.

Later the members rolled three hundred bandages for the Cancer Society. Nancy served some delicious refreshments and the meeting closed with Taps.

Spring Brook United Church Women

Spring Brook United Church Women met in the Church basement on February 7th for a pot luck dinner. Mrs. C. Burkitt and Mrs. M. Mason acted as hostesses.

Following the dinner the ladies gathered for their meeting at 2.00 o'clock. The President, Mrs. R. Wellman, opened the meeting and welcomed everyone. The theme hymn was sung.

The worship theme, "Stewardship," was conducted by Mrs. Joe Thompson with Mrs. Fred McKeown, Mrs. Florence McKeown, Mrs. George Thompson, Mrs. Gordon Webb, Mrs. Kenneth Thompson and Mrs. Joe Thompson taking part. Part of hymn 356 was sung with Mrs. H. Haslett as pianist. The Scripture, Romans 12: 1-16 was read by Mrs. H. Pillen, followed with a prayer by Mrs. G. McFaull. The remainder of hymn 356 was sung, followed with a prayer for missionaries by Mrs. J. Thompson. The roll call, "A Talent," was well responded to by twenty-seven members and three preschool children. The cards and sick calls were given by the members.

"Stewardship and Recruiting," a three-part drama, with Mrs. Bert McCoy as the maid, Mrs. Don Bateman, as a sixteen-year-old girl, and Mrs. Harry Haslett as her mother, was very well acted.

The minutes of the last meeting were read by the Secrtary, Mrs. Lorne Bailey. Correspondence was read and dealt with. A letter regarding the allocation from Mrs. Smith, Belleville, was read. Thank you notes were read from Mrs. Delbert Mumby, Mrs. Carl Spry, Mr. and Mrs. Yorke, of the County Home, and from Burn's Lake Hospital, B.C. Mrs. Gordon Webb reported several calls made by the volunteer visiting committee.

The Treasurer, Mrs. Gerald Broadworth, gave her report; also the fruit and flower committee. A report on the annual meeting at the Presbyterial Convention at the Picton United Church on January 31st was given by Mrs. L. Bailey, Mrs. M. Mason and Mrs. H. Pillen.

Social functions were given by Mrs. M. Mason for the activity programme for the year.

World Day of Prayer will be held at Spring Brook United Church March 1st at 2.30 p.m.

Mrs. Murney Mason read a letter from Burns' Lake, B.C., telling of the work they are doing in their hospital and of the care their patients get.

The programme consisted of two readings by Mrs. Roy Shortt and Mrs. Gordon Webb. Mrs. H. Pillen led a discussion on "Is the world turning the church upside down or vice-versa."

The hostesses for the March meeting and pot luck dinner will be Mrs. Ralph Wellman and Mrs. Murney Bateman.

The President closed the meeting with hymn 362 and thanked the two ladiesf or being hostesses.

Mrs. Burton Morton and the pupils of the Allen Public School, S.S. No. 3, entertained the mothers and preschool children on Wednesday afternoon to a Valentine Party. The children gave an interesting programme of songs, recitations and piano solos. Brenda Williams was pianist. She and Brenda Campbell conducted several games. At the close Brenda Williams gave an oral appreciation to the teacher, Mrs. Morton, and Linda Hoard, daughter of Mr. and Mrs. Robert H. Hoard made the presentation of a small gift for which the recipient gratefully replied. On February 13th, 1956, Mrs. Morton began teaching at the Allen School and at that time there were thirteen pupils. She now has over twenty in attendance. At the close the older pupils served refreshments of sandwiches, candy, cake and coffee.

On Thursday, February 14th Mrs. Bert Reid and the pupils of Williams School, S.S. No. 4, entertained the mothers and pre-school children of the Section to a delightful Valentine party. Donald Potts presided and all sang "O Canada." Jill McAdam read a poem and Judy McAdam a story. Linda Potts gave a recitation and the school children sang two selections. Barbara Hoard gave her speech on "The Water Wheel" and Betty McAdam on "The Trans Canada Highway." Nancy and Carolyn Johnson contributed a piano duet. Barbara Hoard conducted several games. The pupils of Grades Six and Seven served sandwiches, cookies, cake and a beverage. Thanks was expressed to the teacher and pupils for a very enjoyable afternoon.

Mr. and Mrs. Burton Sharpe and daughter Carol entertained eleven guests previous to the High School "At Home". The young people took several flash pictures and enjoyed a light lunch. The guests were Misses Sharon Matthews, Mary Ellen David, Margaret Hommersen, Mary Cranston and Diane McAdam; Messrs. Frank Sager, David Murray, Richard Reid, Andy Faulkner, Robert Bell and John Hommersen.

Friendship among individuals.
Friendship in communities.
Friendship in countries.
Friendship is a stepping stone for friendship among nations. —Mrs. J. Haggerty, Federated President.

In Memoriam

LOUGH — In loving memory of a dear wife, mother and grandmother, Mrs. Charles Lough, who passed away February 24th, 1962.

In tears we saw you sinking,
We watched you fade away;
Our hearts were nearly broken
One year ago today.
But when we saw you sleeping,
So peacefully free from pain;
We could not wish you back
To suffer that again.

—Lovingly remembered by husband, family and grandchildren. 49-1p

STORAGE OF CANNED GOODS

Here are some tips on storing canned foods from the Consumer Section, Canada Department of Agriculture.

● Store canned foods in a cool, dry place and avoid sudden or extreme changes in the temperature of the air in the storage room. Dampness will cause rust on the outside of the cans, which, though not injuring the contents, may, in severe cases, penetrate the can and cause leakage.

● Although canned foods will keep indefinitely it is a good idea to rotate old stocks and use them up while replacing them with new. If you have stock piled for emergency use, it is recommended that these stocks be replaced within a year.

● Freezing does not harm canned goods to any extent. The texture of fruit, and vegetables may be changed slightly but this does not affect the flavour and colour. Repeated freezing and thawing, of course, would have a greater effect on texture than a single freezing. Freezing does not change either the nutritive value or the mineral content of canned foods.

OF MANY THINGS

(By Ambrose Hills)

ADVERTISING NEEDS REFORM

Advertising is an important part of a free country, for it is based on persuasion instead of compulsion; but the advertising profession, for the past twenty years or so, has been slipping badly and has brought a valuable social tool into disrepute.

Intelligent persons, viewing and listening to television advertising these days, are often hard put to avoid regurgitation. Viewers are assaulted by such sham and exaggeration and nonsense they become sick to death and utterly disgusted with advertising. Fortunately, many leading advertising men are aware of the need for reform.

Recently, a copy supervisor in one of the larger advertising agencies, protested the depths to which advertising had sunk, and he urged his fellow copy writers to start treating the housewives with more respect instead of "telling her that she has tired blood, denture breath, lower back pains, clogging sinuses, rough red hands, dull hair, large pores, dry skin and an itchy scalp."

The same copy man went on to say, "I truly believe people have taste and dignity,. are full of common sense, know good from bad, value from sham and fake, honest talk from double talk."

I agree with him, two hundred percent!

I believe in advertising, because I have seen it increase the use of good products, lead to further improvements, and eventually lower prices. I know that it works. A merchant who fails to advertise often fails; or, at best, merely continues on a small scale without expansion. But advertising that is larded with half-truths, while it may work for a while, does a great deal of harm to the advertiser who sticks to the truth. When wolf is cried so often, even the truth is doubted.

Leaders in the advertising agencies who are trying to raise advertising standards deserve every support. In my opinion, the best support the consumer can give is to simply refuse to buy any product which is advertised by methods that insult the intelligence. Instead, patronize the advertiser who appeals to your good taste, respects your dignity, and avoids double talk. This would soon put the hard-sell hacks out of business!

Cooking Comments

Food experts at Macdonald Institute, Guelph, suggest that you add a few shakes of nutmeg, for unexpected flavour, to egg plant, spinach and squash.

* * *

Don't throw out any leftover canned fruit juices. Use them instead of water in gelatin desserts or as glazes for ham and pork.

* * *

Keep a large covered jar in your refrigerator to hold vegetable water. This stock can be used for soups and gravy to give extra nutrients and flavour.

* * *

If you are one of the "not hungry in the morning" types, try drinking a glass of cold, unsweetened fruit juice upon rising. It may just stimulate your appetite, and if it doesn't, at least it is nutritious.

* * *

Do you sometimes run out of muffin batter with 3½ wells left to fill? Don't despair, just fill the empty holes with hot water and bake without a care. This keeps your shiny tins shiny instead of charring.

Presbyterial U.C.W. Met at Madoc

Miss Olive Ashe, Madoc, President of Trinity United Church Women, was hostess to the Belleville Presbyterial United Church Women's Executive on Monday afternoon in Trinity United Church parlour. Eighteen members were present.

Presbyterial President, Mrs. R. H. Smithrim, of Trenton, presided. She conducted a brief worship period taken from the book "Strengthening the Spiritual Life," by Nels F. S. Ferre.

A great deal of business was transacted setting up committees and appointing delegates.

A Training Day for Presidents and Executive members is to be held on March 25th in Holloway St. Church, Belleville. A sub-committee of Mesdames Morgan Sills, Ameliasburg; Geo. Carlisle, Stirling; Leslie Finkle, Foxboro; Kenenth Weaver, Stirling; Chares Johnston, Trenton; Frank Davidson and Grant Coulter, of Belleville, was appointed to arrange this programme.

Voting delegates to U.C.W. Conference in Brighton March 18th and 19th are Mesdames Harry Pierson, of Wellington; Keith Bray, Ivanhoe; C. W. Smith and Grant Coulter, Belleville; Charles Johnston, Trenton, and Frank Smith, Newburgh.

Energetic Bowlers

Friday, February 15th bowling still left Nora's "Thunderbirds" on top with 81 points. Ruth's "Meteors" trail with 68 points; Hilda's "Corvetes" and Jane's "Galaxies" are tied with 66 points.

In Class "A" Lenora West had the high single of 272. In class "B" the high single went to Betty Johnson, 282. Ruth Warner and Hazel Johnston were tied for the high triple, 613.

200 games and over — Gladys Richardson 200, Didge White 203, Ruth Warner 211 and 215, Verna Woodbeck 215, Hazel Johnson 215, Earla Crossman 237, Marcella Svoboda 259.

Have I said a prayer this morning,
Have I thanked God for the night,
Have I asked God this morning
To help me to live the day right.

Have I taken time this morning
To read a few words from His Book.
There is a message always waiting
If we only will take time to look.

Have you taken time this morning,
To thank Him for all He has done,
Or have you neglected or forgotten
To remember about God's only Son.

What would you do if Jesus came,
And knocked on your door today;
Would you arise and let him in,
Or would you send him away.

Oh, no, dear Lord, I haven't time
To spend with Thee today;
Perhaps when my work is finished
I'll take time to read and to pray.

more worth when you buy!

You can *see* Chevy's worth the minute you look at those terrific lines. You can *feel* Chevy's worth as soon as you take off for a Jet-smooth ride! And you can *revel* in Chevy's worth all the time you drive—with such rewarding features as the battery-saving Delcotron generator, self-adjusting brakes, long-life exhaust system. See your Chevrolet dealer—it's well worth it!

All those good reasons why you bought Chevrolet in the first place are going to pay off for you when you trade. Chevrolet's popularity, good looks, great features, high quality—all go to bat for you come trade-in time. No wonder fleet buyers—men who really know value—choose Chevrolet again and again. Trade-in time may be a long way off—but Chevrolet value is *built right in*—for keeps.

NEWS FOR THE BUSY FARMER

N.W.T. SOIL SURVEY

A soil survey in a virgin area of Canada's north west has added almost one million acres to the total arable land in the nation.

The land is contained in a 200-mile stretch of the Liard River Valley between Fort Liard and Fort Simpson in the Northwest Territories. The discovery was made during a recent survey by J. H. Day, of Canada Department of Agriculture's Soil Research Institute in Ottawa.

The survey was part of a plan to map all districts in the Yukon and Northwest Territories having agricultural possibilities.

Discovery of such a large amount of arable land in one district is surprising, comments Frank S. Nowosad, CDA's expert on northern agriculture. Previously, the amount of arable land in the entire Mackenzie River basin was estimated at one million acres.

From Fort Liard in the southwest corner of the District of Mackenzie, the valley runs northwards to Nahanni Butte, then northeasterly to Fort Simpson at the junction of the Liard and Mackenzie rivers.

Bulk of the best land is in the Fort Liard-Nahanni Butte section, where the sweeping "S" curves of the river provide better drainage. For the rest of its route, the river follows a comparatively straight course through poorly drained land.

The surveyed portion of the Laird valley ranged in depth from two to 15 miles on each side of the river and contained 1,753,000 acres.

Of these, Mr. Day rates 359,000 acres as good arable land, 263,000 as fair and 319,000 as poor. The remaining 812,000 is rated as non-arable.

The better arable land was found largely on the well-drained alluvial terraces within one to three miles of the river. Forest cover is mostly of poplar and some spruce.

The land is best suited for livestock farming, Mr. Nowosad says. Brome timothy and other cultivated grasses would thrive and provide hay and pasture, while some of the poorer and non-arable areas could serve as rough pasture.

In addition, early oats and barley would provide concentrate feed for winter ration.

But, adds Mr. Nowosad, the area could be expected to produce the same kind of farm and garden crops as those grown at the federal experimental farm at Fort Simpson.

Good crops of many of the hardier kinds of vegetables can be grown without protection against frost. And — with the use of plastic covers — such tender vegetables as sweet corn, tomatoes, cucumbers and peppers can be produced with satisfactory quality.

At Fort Simpson, too, strawberries and raspberries ripen satisfactorily most years.

Stirling Upset Cooper In Play-off

The score was tied with minutes to go
And the North Star players were flying low,
But the local lads came thro' at last
On Anderson's terrific blast.
Our faithful supporters got their kicks
While the Cooper fans looked pretty sick.

Anderson Fires Winner

With just a minute and some forty odd seconds to go Ross Anderson, Elaine's leading marksman, shifted his way through the Cooper defence and blasted a drive by Curtis to put Elaines ahead 3-2. Cooper tried desperately to get it back but Taylor and a stubborn Stirling defense held up and Elaines went one game up in the two out of three semi-finals.

One of the big factors in the Stirling victory was the play of young Donny McCrory who shadowed Cooper's Elgin Grey, the league's top scorer.

Grey opened the scoring however when he broke in alone on Taylor and shifted the Stirling goalie out of position and tucked the puck in the net. Anderson scored his first goal of the night unassisted to tie the score late in the first period.

Gord Barrie put Stirling in the lead early in the second by slapping home a goal-mouth pass. Henderson however tied it up shortly afterwards when his backhand shot eluded Taylor. Don McCrory and Graham drew high sticking penalties midway in the period.

The third period was very close with both teams going from end to end with both Curtis and Taylor coming up with several dazzling saves. Several heavy bodychecks were handed out by Hunter, Darrah and the McCrory's.

Late in the third period Chapman stole a misguided Elaine pass and broke into the clear and rifled a shot by Taylor only to see it carom of the goal post. This was the break Stirling needed and two short rushes later Barrie and Hunter set Anderson up for the winning goal. The largest crowd of the season was in attendance.

ELAINES — Goalie, Bob Taylor; def., Doug Scott and Bob McCrory; centre, R. Anderson; wings, Gordon Barrie and Bob Hunter; alternates, B. Noble, R. Darrah, Doug McCrory, Don McCrory, R. Little and A. Kinton; spare goalie, Don Brady.

Play In Cooper Monday Next

The scene of action shifts to Cooper on Monday next and the Elaine crew will have to take along all their good luck charms, black magic or what have you if they plan to knock off the North Stars. Cooper won't take a defeat lightly and Stirling will meet their most severe test of the season. They will be minus righ winger Gerry McGee out for an indefinite period with a knee injury.

Bata Won Over Spring Brook

In the other half of the play-offs the Bata Bombers defeated the Spring Brook Indians 6 to 4 Monday night in their first meeting.

Thursday Night Mixed Bowling

Ladies high single, triple and average, Joyce McCrory, 249, 592 and 179. Men's high single and average Tom Kovak 291 and 223; high triple, Doug McCrory and Tom Kovak, 643.

Other 200 games — Marie Eggleton 238, Sally Woodbeck 219, Joyce McCrory 202, Marg Bird 204, Gordon Barrie 211, Maurice Faulkner 201, Doug Scea 216, Ralph Scea 235, Doug Ferguson 210, Doug McCrory 240 and 215.

Murder Suspect Remanded

A Toronto man who drove 150 miles on Valentine's Day to give his girl an engagement ring was remanded in court Monday on a charge of capital murder.

His girl, Sharon Frost, 18, was found stabbed to death Thursday night at the home of her sister, near Bancroft, where she was visiting.

Leonard J. Coombs, 22, of Scarborough, was remanded in Belleville Court until February 21st.

No reason was given for the slaying.

Mt. Pleasant Messengers

Mount Pleasant-Rawdon Messengers convened at the Church Hall on Sunday, February 17th for their first meeting of the year with approximately thirty children in attendance. The slate of officers is as follows:

Leader, Mrs. Raymond McConnell; Assistants, Mrs. Frank Spencer and Mrs. Clarence Scott; Past President, Brenda Campbell; President, Carolyn Merrick; Vice-President, Janet Scott; Secretary, Donald Potts; Assistant, Nancy Johnson; Treasurer, Glenn Spencer; Pianists, Linda Potts, Jean Jeffs and Donna Knight; Song Leaders, Brenda Williams and Betty McAdam.

The Juniors are studying "Tiger Tail Village" and the primary group "Sun Hee the Street Boy." Both books contain continued stories centred around Korea.

The meeting opened with a singsong after which the leader announced the slate of officers for the year.

The group was then divided into two classes with Mrs. Spencer and Mrs. Scott in charge of the Junior study and Mrs. McConnell gave the primary story.

The business period followed with minutes and roll call.

The programme was arranged by Jim Scott and Glenn Spencer and was as follows: Piano solos, by Betty McAdam and Brenda Williams and a reading by Gordon Hoard.

The devotional was on the theme "sharing." Brenda Campbell gave the call to worship and all sang "Now Thank We All Our God." Donna Knight read the Scripture. Mrs. Frank Spencer gave the meditation and prayer. Lorraine Jeffs gathered the offering and all sang a hymn of dedication. The devotional service closed with prayer.

A guessing game of musical hymns was conducted at the close of the programme.

February Meeting Carmel U.C.W.

The February meeting of Carmel United Church Women was held at the home of Mrs. Everett Grills on Thursday afternoon.

The President, Mrs. Harold Johnston, opened the meeting with the theme hymn and prayer. The Scripture lesson was taken from Luke on the Good Samaritan and was read re- the lesson commentary on "Friendship" and closed with prayer.

Rev. P. J. Hommersen reviewed the second chapter of the study book, "The Word and the Way" and conducted a question period.

The business was dealt with and the remainder of the afternoon was spent in quilting. The hostess served lunch including a birthday cake made by one of the members as it was Mrs. Grills' birthday.

FAMILY PROTECTION and RETIREMENT PLANS

SUN LIFE ASSURANCE COMPANY OF CANADA

LEGION NOTES

All members of Branch No. 228 are again reminded of the branch skating party to be held this coming Saturday, February 23rd at the Legion Arena. Please plan to come along and bring the whole family for an evening's fun. There will be treats for the children of all members. Skating is from 7.30 to 9 p.m.

The branch membership drive will begin in early March. It is expected that President Allan Lawes will be calling an executive meeting in the very near future to deal with plans for this campaign. As we have mentioned before, a highlight of the Membership Campaign will be a pot luck dinner and smoker at the Legion Hall later in March. Any comrade who knows of a prospective member of the branch is asked to contact Comrade Doug Patterson with that person's name. We again remind all members that their dues are now payable and may be given to Comrade Doug Patterson at any time.

The Branch is most appreciative of the good public support given to the Annual Ice Carnival last week-end. Despite the fact that there were many events crowded into a busy week-end, the Carnival was a great success.

Some thought is being given to holding a special Vimy night in April. It has been suggested that the branch honour its many veterans members of 25 years Legion service. This item will be on the agenda of the forthcoming executive meeting for further discussion. It would help the executive if any member has any ideas or suggestions for such an event. Please contact Comrade Allan Lawes in this regard.

The Branch has had a recent communication from the Zone Public Relations Officer, Comrade Ed King, of Hillier. We have been informed that from time to time news items of our branch will be appearing in the Legionary. This is another facet of Legion activity which we have neglected in past years, and it is our hope to improve our performance in this respect. All members who may have newsworthy items are asked to contact Comrade Doug Patterson.

Again we ask the question: "Why Join the Legion?"

One good reason for joining the Legion is that if the Legion is to have an effective voice in its representations to all levels of government on behalf of all war veterans, it must speak on behalf of all veterans. When you join the Legion, you add your voice to that of hundreds of thousands of veterans all across Canada. The Legion's true strength is its national strength. Even if a veteran cannot attend a single meeting, he will add his voice to the Legion by becoming a member. While all branches hope for full turn-outs of membership at meetings and so forth, it is fully realized that all members simply cannot be on hand as much as they would wish. By joining the Legion, a veteran adds voice and influence on all matters concerning his welfare.

The next regular meeting of Branch No. 228 will be held in the Legion Hall on Tuesday, March 5th at 8.15 p.m. We expect to have a full agenda of business for the attention of all comrades. Please plan now to attend.

Ladies' high single, triple and average, Joyce McCrory, 336, 715 and 176.

Men's high single, triple and average, Doug McCrory, 247, 666 and 188.

200 Games — Donna Ray 242, Art Wood 243, Marlene Bruce 203, Jack Fraser 227, Joyce McCrory 221, Doug McCrory 245, Ray Poste 212 and 265.

Standings — Cadillacs 83, Corvettes 59, Stardusters 50, Thunderbirds 48.

Public School Bowling

On Saturday, February 16th Bob West's Chevies team was the only one with six bowlers and they took all 5 points from Greg Dafoe's Caddys. Beth Fraser's Buicks and Allon Duffin's Monarchs took one game each for 2 points and the odd point for total pinfall went to the Buicks.

Greg Dafoe had the high single of 171, followed closely by Allan Duffin with 170. Allan Duffin took the high double with 287. Greg had a double of 283 and Beth Fraser 273.

Ryan — Warren Wedding

A pretty wedding was solemnized by Father O'Neill on Saturday morning, February 9th, at St. Joseph's Church, Belleville, when Wendy Elaine, daughter of Mr. and Mrs. G. E. Warren, Stirling, became the bride of Gerrard Ryan, youngest son of Mr. and Mrs. John Ryan, R.R. 1, Stirling.

Given in marriage by her father, the bride wore a short-length gown of white satin brocade fashioned very simply with back accent of two tiers centred by two roses of matching brocade. A petal-like caplet held her finger-length veil and she carried a white Bible with a tiny cascade of red rose buds.

Her only attendant, Mrs. Allan Fisher, of Oakville, sister of the groom, was attired in short moss green velvet with white fur hat and muff adorned by single red roses.

Mr. Vincent Ryan, Marysville, assisted his brother as best man. The ushers were Mr. William Ryan, Belleville, and Mr. Gary Poste, Batawa.

Miss Rose Ann McAvoy was guest soloist.

A wedding reception was held at the Queen's Motel, Belleville, when the bride's mother chose a brown wool dress with darker brown accessories. The groom's mother wore a pretty blue brocade with beige hat and accessories.

Mrs. John Ryan held "open house" from 4 to 10 p.m. when many young folks attended to congratulate the happy couple.

Funeral of Burness Demorest

The funeral of Burness Demorest, R.R. 2, Stirling, was held on Wednesday, February 13th at the Duffin Funeral Home, Stirling. Rev. F. A. Crook, assistant minister of St. John's Anglican Church, officiated.

The pallbearers were Messrs. Fred Bruyea and five nephews, Sid Demorest, George Demorest, Charles Demorest, Emory Demorest and Ralph Demorest.

Entombment was made in Stirling Cemetery Chapel Vault.

St. Andrew's W.M.S.

Mrs. James Johnston was re-elected President of St. Andrew's Presbyterian Women's Missionary Society at the regular monthly meeting held at the home of Miss Gena Spry.

The Scripture lesson was read by Mrs. B. Reid, followed by prayer by Mrs. E. Foster. Seventeen members and two visitors answered the roll call. Monthly reports were given and the business dealt with.

The installation of the officers was conducted by Mr. T. Dodds, as follows:

Honorary President — Mrs. B. Reid
President — Mrs. J. Johnston
1st Vice-President — Mrs. Donald Fargey
2nd Vice-President — Mrs. L. Dafoe
Secretary — Mrs. B. Cook
Treasurer — Mrs. E. Cain
Press Reporter — Mrs. B. Reid
Glad Tidings — Mrs. G. Haggerty
Pianist — Mrs. V. Matthews

Supply Secretaries — Mrs. Lloyd Dafoe and Mrs. G. Haggerty
Cradle Roll — Mrs. H. Tompkins
Auditors — Mrs. S. McIntosh and Mrs. D. Montgomery
Nominating Committee — Mrs. G. Searles and Mrs. L. Rawlings

Miss Gena Spry convened the programme which opened with the singing of the hymn "Who Is On the Lord's Side." Mrs. Bert Cook gave the report on the meeting of Kingston Presbyterial. The topic taken from the study book, "On Asia's Rim," dealing with Hong Kong, was taken by Miss Gena Spry, assisted by Mrs. Don McIntosh, Mrs. E. Fox and Mrs. C. Sills. Prayer was offered by Mrs. L. Rodgers and a heart contest concluded the programme.

A dainty lunch was served by Miss Spry and members of the committee and Mrs. T. Dodds expressed thanks.

Scouts, Girl Guides, Rangers, Cubs and Brownies Attend St. Andrew's

Commemorate Anniversary Lord Baden-Powell — Mr. T. Dodds Delivers Message

St. Andrew's Presbyterian Church was filled to capacity on Sunday morning when the Boy Scouts, Girl Guides, Rangers, Cubs and Brownies, with their leaders, attended Divine Service commemorating the anniversary of Lord Baden-Powell, the founder of the Boy Scout movement. Members of the various groups assembled at the Community Hall and led by District Scout Commissioner Joe Irish, and the colour party paraded to and from the Church. Members of the colour party were Ross McIntosh, Vernon Cook, Nancy Wilson, Bonnie Bateman, Ricky Montgomery, Robert Cooke and Susan Richardson.

Leaders Present

The various leaders present in addition to the Scout Commissioner were Mrs. Robt. Luery, District Girl Guide Commissioner; Mrs. E. Warren, Guide leader, with Mrs. A. Wagner and Mrs. E. Cooke, assistants; Mrs. Maurice Bell and Mrs. Harold Chambers, Ranger leaders; Mrs. J. Irish, District Cub Master, and Mrs. B. Woodbeck, Douglas Robson and A. Wagner, Mrs. J. Svoboda and Mr. and Mrs. Kenneth Cooke, assistants; Frank Harding, District Scout Master, Ron Woodbeck, Scout Master, J. Haggerty and Mr. E. Harvey, assistants; District Commissioner and Mrs. Frank Harding, Mrs. Don Dean and Mrs. Ray Shortt, with the Brownies.

Mr. Dodds welcomed the members of the various groups and was assisted in the service by Miss Sue Ann Bastedo, who read the Old Testament Lesson; Jan Valchar, who read the New Testament Lesson, and Joe Irish, who led in prayer.

Gives Message

Choosing as his subject, "Obedience, Loyalty and Purity," Mr. Dodds delivered a thought-provoking address. He reminded his listeners of the importance of obedience. "Treat your leaders and your parents with respect," stated Mr. Dodds. "Reverence begins in the home and is continued in Sunday School and Church. Be obedient to the Commandments of God, our guide to a happy and fruitful living," continued the speaker.

"Be loyal and faithful to your parents, friends, the Scout Law and to Jesus Christ. Help your parents make a Christian home and be loyal to your Church," stated Mr. Dodds.

"Purity of thought, word and deed was equally important. Shun unclean thoughts, obscene books and literature," stated Mr. Dodds, who concluded with the admonition, "Be a good scout and help your leaders."

Special music by the choir included an anthem, "God Is Love," by the senior choir and a solo, "Where Jesus Loved To Be," by Mrs. Walter Warren. Mrs. Harry Morrow presided at the console of the organ.

Pee Wees Triumph

Stirling Pee Wees defeated Tweed 5-1 at the Stirling Arena on Friday night last in the first game of a round robin play-off series, with Tweed and Norwood.

Robert Bastedo, of the locals, scored the only goal of the first period and Les Pyear made it 2-0 early in the second on an assist from Donnie Potts. Boyle got Tweed's lone counter at the 6.55 mark in the second, with Curry and Holmes drawing assists.

Stirling had an edge in the final stanza and rapped in three counters, Pyear from Potts, Wannamaker from Potts and Bastedo unassisted. There was only one penalty called by referees Jack Fisher and Joe Hagerman.

TWEED — Goal, Kelly; def., Gray and Spencer; centre, Boyle; wings, Holmes and Curry; alternates, Morton, McCormick, Farrell, Genereaux, Lessard, Goode, Maines, Cassidy; spare goalie, Beigeron.

STIRLING — Goal, Robert Cooke; def., Reynolds and Hagerman; centre, R. Bastedo; wings, Les Pyear and Donnie Potts; alternates, K. Nunn, Glen Spencer, Murray Wannamaker, Gordon Spencer, Bob McIntosh and Rodney Brown.

Rod Webb, Norwood P.C. Candidate

At a largely attended convention held in Madoc Wednesday afternoon, Rod Webb, of Norwood, was again chosen as Progressive Conservative candidate in Hastings-Frontenac in the forthcoming Federal election. Senator Gratton O'Leary was the special speaker at the convention.

Stirling Juveniles Winners of District League Championship

Record Three Wins and a Tie in Round Robin Series with Norwood - Marmora

Compiling a record of three wins and a tie in the O.M.H.A. Juvenile "C" round robin play-off series, Stirling Juveniles have won the League championship. They defeated Norwood twice and gained a win and a tie against Marmora. They will now meet the winner of the Frankford-Tweed series for the group championship.

Won at Norwood 7-5

At Norwood on Thursday night they defeated the homesters 7 to 5 in one of the best games of the season. The home club took a 2-0 lead early in the first period with Delaney and La Plante counting. Midway in the period Hagerman put Stirling back in the game but Fleming again gave them a two-goal advantage when he beat Rowe at the 13.33 mark to make the score 3 to 1.

Down two goals, Stirling put on a sustained offensive at the opening of the second period and scored three goals inside of three minutes. Jack Donnan got the first on an assist from Hagerman, Hagerman the second and Wrightman the third to make it 4-3. However Delaney tied the count shortly before the end of the period.

With the score tied both teams opened the final stanza playing cautiously but at the 1.30 mark Wrightman got his second goal of the game to break the tie and from then until the finish it was wide open, with both Rowe and Long coming up with some sensational saves. Hagerman got an insurance marker at the 6.33 mark on an assist from Donnan and Faulkner made it safe with a counter at 15.22. Patterson got the final counter for the home club at 18.59.

Summary:

Do You Remember?

TWENTY-FIVE YEARS AGO

THURSDAY, FEBRUARY 24th, 1938

While on his rounds of duty Chief Constable S. Eggleton slipped and fell and sustained a broken collar bone and a fracture of the arm just below the shoulder.

E. J. Pyear was re-elected director of the Ontario Cheese Producers' Association at its annual convention last week.

T. W. Solmes was re-elected President of St. Paul's Laymen's Association on Tuesday last.

Miss Dorothy Eggleton is convalescing following an appendectomy in Belleville Hospital Monday night.

Local and Personal

Mr. and Mrs. H. C. Martin spent the week-end in Napanee, guests of Mr. and Mrs. Geo. H. Challies.

Rev. E. W. Rowland, Peterborough, was a guest at the home of Mr. and Mrs. C. L. Linn.

Spring Brook

Arthur Reid is slowing recovering following a recent operation.

The Misses Jean and Margaret Moore, of Belleville, are home with their mother, who is ill.

Carmel

Friends gathered at the home of Mr. and Mrs. Alex Haig on Saturday evening and made a presentation prior to their departure to reside at Hoard's.

Jos. Grills lost a valuable horse on Tuesday when his team and load of logs went through the ice on the Trent River.

Mrs. Webber Hostess St. John's W.A.

The monthly meeting of St. John's W.A. was held on Monday evening, February 11th at the home of Mrs. Wm. Webber with the Vice-President, Mrs. E. Carr taking the chair.

The meeting opened by singing a hymn, followed by the W.A. Litany, the W.A. Prayer, Prayer Partner's Prayer and a prayer for the sick, after which Mrs. Coombes read the Bible reading.

The roll call was answered by 18. Letters were read from the Rev. Ellis, thanking the W.A. and church members for the money gift sent to them; from Mrs. Parker, Diocesan Treasurer, concerning the pledge and asking for the members' full support; and a letter from Mrs. Brooks concerning Prayer Partners.

The Treasurer's report was given and reports of the different secretaries.

Mrs. G. Mouck read, "The Anglican Mosiac," which was very interesting. Mrs. Carr closed this part of the meeting with prayer.

A delicious lunch was served by Mrs. Webber and Mrs. Weatherall. Mrs. Harding thanked the hostess and co-hostesses for an enjoyable evening.

St. John's Ladies' Afternoon Guild

The regular business meeting of St. John's Ladies' Afternoon Guild was held in the Parish Hall on Tuesday afternoon.

The President, Mrs. E. C. Hay-Ellis, opened the meeting with hymn 779 with Mrs. Frank McGee at the piano, followed by prayer and a minute's silence in honour of a faithful and loyal member who had passed away, Mrs. Hiram Rodgers. This was followed by the Lord's Prayer and the Guild Prayer.

Mrs. Hay-Ellis welcomed all those present. A donation of $1.00 from Mrs. Gould. Roll call was answered by 11 present.

A dainty lunch was served by Mrs. J. Whitehead with Mrs. F. Harding pouring tea in the absence of Mrs. H. Cooke. Mrs. Harding voiced the appreciation of all.

St. Andrew's Ladies' Aid

St. Andrew's Presbyterian Ladies' Aid meeting was held at the home of Mrs. L. Rawlings on Tuesday afternoon, February 19th, with 18 members present. Mrs. E. Fox presided.

The singing of the hymn "O Master Let Me Walk With Thee" opened the meeting, followed by the reading of the 23rd and 24th Psalms by Mrs. G. Haggerty Prayer was offered by Mrs. R. Eggleton.

The business was dealt with and monthly reports given. The travelling apron was brought in at this meeting and the contributions amounted to $50.25.

The Mizpah Benediction brought the meeting to a close. The ladies enjoyed a social time with Valentine contest conducted by Mrs. D. Fargey. The winners were Mrs. C. Montgomery and Mrs. W. Rodgers. Mrs. A. Greenley and Mrs. B. Cook won prizes for having the "lucky" cup. A vote of thanks to Mrs. Rawlings and her assistants was voiced by Mrs. W. Rodgers.

Eggleton United Church Women

Mrs. Carl Bridges was hostess for the February meeting on Thursday afternoon.

Mrs. W. Harlow presided over a programme prepared by Mrs. Charles Stapley and Mrs. Clayton Prest. The meeting opened with the call to worship and the hymn, "Rescue the Perishing" with Mrs. Maurice Clancy as pianist. The Scripture lesson taken from part of the 17th chapter of Acts and Psalm 147, verses 1-6, was read by Mrs. Wm. McMullen, after which the pastor, Mr. George Dyson, offered prayer.

The Bible study period on the chapter "The Living God" taken from "The Word and the Way," was conducted by Mrs. Clayton Prest.

The roll call showed 11 in attendance. The March meeting is to be held at the home of Mrs. W. Harlow with Mrs. F. Smith to prepare the program.

By request, Mrs. Maurice Clancy spoke briefly, giving some of the highlights from the meeting held recently in Picton. Mrs. Clancy also announced that a meeting, "Training Day" is to be held on March 25th from 10 a.m. to 4 p.m. at Halloway Street United Church, Belleville.

A short discussion was held on allocation for supply work. Mrs. Bruce Stapley, Community Friendship Secretary, gave a complete report on cards sent out, visits made to homes and hospital, flowers and boxes of fruit sent out during 1962; also on cards, flowers, etc. sent during the past month.

A motion was passed to pay the bill for fuel oil purchased for the Church; also that Eggleton's share of the Parsonage Fund be paid.

Mrs. Harlow thanked the program conveners, those assisting on the program and Mrs. Bridges for the use of her home.

Two readings followed, "A Little Boy's First Valentine Party at School," read by Mrs. Keith Johnson and "God Works Wonders," by Mrs. Seaborn Prest. The first chapter from the study book "On Asia's Rim," was presented by Mrs. Charles Stapley.

The President announced that the World's Day of Prayer Service will be held on March 1st at Moira United Church.

The hostess served dainty refreshments and all enjoyed a social half hour.

Lose To Norwood

Norwood and Stirling seniors played a close, hard game last Friday. The two teams battled through a tough game with neither of them being able to gain and keep a lead over the other. Thus, the final score was 31 to 30 in favour of the visitors. However, our senior boys really deserve a lot of credit for their strenuous efforts. A special pat on the back goes to Al Fletcher who was the top scorer with 16 points.

The junior game, though just as interesting, also went to Norwood. Bob Vandervoort with 12 points and Ken Smith with 10 spearheaded the Stirling attack.

The games which were very well attended received a great deal of support from enthused fans from both Stirling and Norwood.

Dance Held

At 9.30 p.m., after the basketball games were completed, a dance was held in the gym. Due to excellent radio coverage on Peterborough Station, there was also a good attendance here. Don Armstrong's Band supplied very enjoyable music and the evening was highlighted further by the donation of prizes for some of the special dances by several local merchants. The gifts from Livesey's Red and White, Patterson's Men's Wear, Farrell's Barber Shop, Johnson's Bakery, Bateman's Ladies' Wear, Steacy's Restaurant and Burrell's Jewellery Shop were gratefully received.

Cooper Evens Play-off Series

Cooper North Stars went all out and edged Stirling Elaines 3-2 Monday night in Cooper to even their best two out of three series at one game apiece. Backed up by the outstanding goal tending by Curtis and led by Elgin Grey, their high-scoring left winger who picked up two goals and set up the winning tally. The game was marred by a total of 44 minutes in penalites, two of which were fighting majors to Chapman of Cooper and Nipper Smith of the locals in the opening stanza.

Clayton Whiteman scored the Stars winning tally while Doug Scott scored his first goal of the season for Stirling, Gord Barrie got Stirling's other marker.

Cooper led 1-0 in the first stanza on Grey's tally. Grey also scored in the second to make it 2-0. In the third with Cooper playing a man short, Chapman cleared the puck down the ice into the Stirling corner. The Stirling team was slow coming back and Grey grabbed the loose puck and passed back to Whiteman whose drive found its way between Taylor and the right post.

D. Scott broke Curtis' shut-out late in the third period on passes from McGee and Bob McCrory. Shortly afterwards Gord Barrie narrowed it to 3-2 with Hunter and Anderson drawing assists. Stirling lifted Taylor in the final minute for a sixth attacker but couldn't get the equalizer.

A bus and several cars made the trip to the northern community and the largest crowd of the season witnessed the game. F. Bailey officiated.

Play Monday

The third and deciding game will be played in Cooper on Monday night. Stirling will prove either to be the Cinderella team of the league, coming from last place to the final, or out of the action for the season.

ELAINE TEAM — Goal, B. Taylor; def., R. Darrah, D. Smith; centre, R. Anderson; wings, G. Barrie, B. Hunter; alternates, G. McGee, D. Scott, Doug McCrory, Don McCrory, Bob McCrory, B. Noble, A. Kinton, R. Little. Spare goalie, Don Brady.

Men's Ten Pin Bowling League

Don McCrory's team took Ralph Scea's team 5 points to 2 this past week, although there were only 14 pins difference in total pinfall.

Ray Poste had the high single of 174 and triple of 433, followed closely by Ralph Scea with 432. Bill Blakeley had 401.

Team standings — Don McCrory's team 26; Ralph Scea's, 23.

Men's Bowling

Some very impressive scores were rolled last Monday evening. Doug Scea just couldn't seem to make a wrong move if he tried. He bowled a beautiful game of 376, followed by two more of 269 and 213. These games gave Doug the high single and high triple for the week. Dick Reid of the "Odds and Ends" team wasn't too far behind with 325, 215 and 239. Gordon Bailey rolled a 220.

George Noble is back with the Legion team after his holidays. Rolling a 289, 232 and 226 must prove something in favour of a Florida vacation. Other good scores on the Legion team were Howy Parsonson with 216 and 212; Al Sine 208, Jack Edgar 264, and Cliff Short 233.

The over-200 scores for the "Bolows" were Al MacConnell 243 and 276, Bruce Hemmerick 231, Ray Rose 219, Ken Cooke 228 and 206 and Tom Kovack 231, 208 and 214.

Keith Johnson and Ralph Scea of the "Maple Leafs" bowled 210 and 236 and 241 and 233 respectively.

The only "Six-R-Dee" bowler to make a showing was Doug Harris with a nice 301.

The "Drones" had four over 200 games this week. They were Ray Mallory 240, B. Blakeley 253, and Ron Williams with 212 and 202.

Deseronto Bowlers Compete Here

At the local Bowl-O-Drome this past week-end two mixed teams from the Lucky Strike Lanes, Deseronto, bowled against two Stirling teams.

A team of Ralph Scea, Vicki Morgan, Doug and Cathy Ferguson and Tom and Marion Kovack, took top honours.

Second place was taken by a Deseronto team and third position by a local team consisting of Marlene Bruce, Jack Fraser, Joan McArton, David Sager, Cathy Hubble and Tom Moore.

There were some real good triples turned in by the men, topped by Tom Kovack's 725. The women did not fare so well however with Marlene Bruce taking the high triple with 493.

The Town of Lindsay was once known as Purdy's Mills. The name was changed to Lindsay in honour of the first surveyor. The Trent Canal was begun in 1833 and the locks at Lindsay were built in 1843.

CANADA DEPARTMENT OF AGRICULTURE

POTATOES CAN BE GLAMOROUS

The word "glamour" is one that we do not usually associate with potatoes. In fact they are more often considered the "plain Janes" of the vegetable kingdom. Like any other food that we get used to seeing everyday, we probably don't think of serving them in other than the usual ways i.e. boiled, mashed, baked or fried.

Potatoes used to be considered only as companions of the poor but today they are the mainstay of rich and poor alike. The reason that they have survived over the years in competition with so many new and more colourful foods is probably because they are genuinely enjoyed by so many people who find them a necessary and satisfying part of the meal. Another point in their favour is that the calories they provide are not "empty calories" — they contain valuable vitamins and minerals as well.

When we eat out, we find that potatoes suddenly develop new glamour. Names such as Duchess or Lyonnaise are intriguing. When they come to the table, we see that they are dressed-up versions of one of the ways we cook them at home and in most cases could be prepared very easily. Many different names for potatoes may appear on formal menus and different chefs may prepare them in different ways. Some of the more usual ways of serving them are described by the Consumer Section, Canada Department of Agriculture with suggestions as to how they may be prepared at home.

Noisette Potatoes — are similar to "parsley" potatoes. They are small, boiled potato balls sauteed in butter. To make them, cut small balls from raw potatoes with a melon baller or cut the potato in quarters and trim off the corners. Boil them until they are just tender, lightly saute them in butter and garnish with chopped parsley.

Shoestring or Julienne Potatoes — Are crisp, french fried potatoes cut in thin, matchlike strips. It is best to fry only a small amount at a time.

Forestiere Potatoes — Are french fried potatoes cut in cubes. Mix them with sauteed mushrooms and onions and serve them with steak. Frozen french fries may be used to make this specialty.

Franconia Potatoes — Are browned potatoes cut in lengthwise pieces. They are best parboiled about 10 minutes and then cooked around the roast, and basted with fat.

Lyonnaise Potatoes — Are similar to home fried potatoes. Cut cooked potatoes in thin slices and fry them in butter until golden brown. Mix them with sauteed sliced onions and sprinkle with salt, pepper and chopped parsley.

O'Brien Potatoes — Are cooked, diced potatoes fried with chopped onion and green pepper. Sprinkle them with salt and pepper. Press them firmly in fryer and cook them uncovered over medium heat until crusty brown on both sides.

Baked Potatoes — May be easily glamorized with different toppings or fillings. In some hotels or restaurants sour cream is offered as a topping for baked potatoes and a tray of toppings such as chopped onion or green pepper, or chopped bacon pieces is passed with them.

Stuffed baked potatoes may be served with a variety of fillings or toppings. They may appear on the menu for example as "pommes de terre au fromage" meaning that the potatoes have grated cheese in the filling and are sprinkled with cheese and browned on top. They may also have fillings of chopped cooked mushrooms, crisp bacon pieces, diced cooked meat or vegetables etc. To stuff baked potatoes, simply cut a slice from the top of each potato and scoop out the center. Mash with a little hot milk, butter and salt and pepper. Add one of the above ingredients to the filling and garnish with more of the same. Reheat the filled shells in a hot oven (400 degs. F.) for 15 minutes.

Duchess Potatoes — Are really a dressed up version of mashed potatoes. Beat mashed potatoes with milk and butter until smooth and fluffy and add slightly beaten egg yolks (3 egg yolks to 6 medium boiled potatoes). Shape this mixture on a lightly greased baking sheet into mounds. A pastry tube may be used for the more decorative rosettes used as garnish with steaks. Brush duchess potatoes with lightly beaten egg white and bake in a very hot, 425 degs. F. oven until golden, about 20 minutes.

Croquette Potatoes — Are made from the same mashed potato mixture as are "duchess" potatoes. Shape the mixture into "logs" or "cones" dip in beaten egg, roll in bread crumbs and fry in deep fat until golden brown.

Dauphine Potatoes — Are similar to the "croquette" potatoes. They are usually formed into logs and fried in deep fat. In some restaurants, a paste similar to a cream puff mixture is mixed with the mashed potatoes. This results in a very light, puffy potato when it is fried.

Delmonico Potatoes — Are like creamed potatoes and are made from diced, cooked potatoes. When making them, add sauteed onion slices and chopped green pepper. Add table cream (about ½ cup for 6 medium servings), 2 tablespoons of pimento and a dash of nutmeg. Heat the mixture thoroughly to combine the flavours and garnish with parsley.

To serve potatoes in interesting ways everyday is a challenge to all good cooks. The Consumer Section, Canada Department of Agriculture have a booklet with over 50 ways of serving potatoes. To obtain your free copy, write for the booklet "Potatoes" to Information Division, Canada Department of Agriculture, Ottawa.

OF MANY THINGS

(By Ambrose Hills)

SPRAY-ON STOCKINGS?

Canada's textile industry holds an international textile seminar each year to keep itself up to date, and exciting news is usually the result when these experts gather. Exciting to technologists and ladies, that is. Depressing, in this case, to me.

Thomas Edman, of the Philadelphia College of Textiles and Science, was the man who noted that, "there is no reason why a very sheer stocking could not be imitated with a spray of fabric-like solution applied directly on women's legs."

This thought has disturbed me ever since I read about it. I live in a household of females — five of them — and part of the homelike atmosphere I've grown used to is the familiar stocking, dangling from shower-curtain rods, drooped over the towel holders, or heaped in a gossimer pyramid on the dresser where I hunt for my cuff links or tie clips. I am going to miss this delightfully feminine disarray. It has become part of my life.

While I am glad to learn that the Canadian textile people are keeping themselves up to date, I must confess that in this instance I hope they drag their feet a bit. You see, whenever a silk stocking is abandoned by one of my daughters, I snitch it. There is no better car-washing aid than a couple of old silk stockings, dipped in detergent. Recently, I acquired a used pair and tucked them in the back of my trousers, intending to put them in the glove compartment of the car. I forgot about them. Apparently, one of them drooped out of my pocket. At any rate, in the MOSS I GATHER column of the Winnipeg Tribune next day, I read: "I saw a man walking down Portage Avenue with a woman's silk stocking hanging below his coat."

Some woman won $5 for sending in that "I Saw" feature, and I was the butt of several family jokes about the matter for a couple of days. This sort of family fun will be wiped out with the spray-gun approach.

I suppose I am an old reactionary, but if progress means the end of sheer silk stockings I'm agin it. If the textile industry wants to monkey with tradition, let it come up with adhesive shirt cuffs and ties that need no clips.

Mt. Pleasant Rawdon U.C.W.

Sixteen members and two preschool children were in attendance Thursday, February 21st for the postponed meeting of Mount Pleasant Rawdon United Church Women.

Mrs. Raymond McConnell and Mrs. Clarence Scott arranged the program. Mrs. Garth Joslin was pianist. The service opened with call to worship and the hymn "Praise Ye the Lord." Mrs. Doug Campbell read the Bible lesson. Mrs. Robert H. Hoard read a message based on "The Work of Dr. Allen Knight," an agricultural missionary in Angola, West Africa. All sang "In Christ There Is No East Nor West." Mrs. Don Knight gathered the offering and Mrs. Joslin dedicated it. Mrs. James Hoard sang "Bless This House."

A reading play entitled "Bow Before the Wind," by Hilda Benson Powicke was presented by four members, Mrs. Ross Jeffs, a girl of eighteen, named Shu Mei; Mrs. Frank Spencer, her best friend, Cheng; Mrs. Donald Knight, a widow and mother of Shu Mei, Mrs. Wang, and Mrs. Wm. McAdam, a sister of Mrs. Wang.

Mrs. Raymond McConnell introduced the cast and read from the author's message. She said it takes both effort and understanding to realize that their are real people in China, with the same hopes, fears, problems and reactions as we have here in Canada. The Church is like the big bamboo tree at the east of the village, it often bowed before the wind when the great storms come. However, when the wind ceased the old tree straightened again and in this message the Church was like the bamboo tree.

Study Book

Mrs. Percy MacMullen introduced the new mission book, "On Asia's Rim," by Andrew Roy. The author says the problems confronting the Church in its mission are tremendous and much prayer and thought is needed in this critical time.

She synopsized the first two chapters. The book discribes the islands and peninsulas of Korea, Okinawa, Taiwan (also known as Formosa) and Hong Kong. Thirty-eight million people are crowded in this area and of that amount fifteen million are refugees.

The United Church of Canada has made a contribution of eighteen thousand dollars toward a permanent radio station and equipment.

Korea has a population of thirty million people and their chief crop is rice. The young people are being educated and the Bible study is a must for all their converts.

In 1960 Seoul University had an enrollment of 7,481 students. The chief hope for their economic problem is the improvement in farming methods.

Mrs. Herbert Smith synopsized the story entitled "Out of the Storm," by Jessie L. Beattie. She gave a description of the mission boats that ply the coastal waters and visit small communities and the story related how assistance had been given by a missionary.

Mrs. Donald Knight, 1st Vice-President, conducted the usual business. The roll call centred around the names of missionaries who are at work in various places in the world.

Bethel U.C.W.

The Bethel United Church Women met at the Rawdon Manse on February 21st with a good attendance.

Mrs. T. Laycock opened the meeting with all the members repeating the theme verse and singing a hymn.

The worship service topic was on "Love." Mrs. H. Elliott read the Scripture lesson from 1st Corinthians, 13th chapter. Mrs. E. McKeown gave the commentation. A hymn was sung and prayer closed this part of the programme.

Roll call was responded to by the paying of fees and twenty visits were recorded. Mrs. Don Heath reported the results of the sale at Mr. Brady's and gave the Treasurer's report.

Plans were made for the community sale at Hoard's on March 18th.

The World's Day of Prayer Service will be held at Bethel on March 1st at 2p.m. Mrs. T. Laycock will be the key woman.

For the programme Mrs. Mulheron rendered a very beautiful piano selection. Mrs. Fletcher gave a paper on beginnings and stressed that we take God into all our beginnings and to make only such plans that will meet His approval.

Rev. W. G. Fletcher synopsized the chapter on "Creation" from the book "The Word and the Way."

The March meeting will be held at the home of Mrs. H. Heath.

Mrs. F. Reid and Mrs. Laycock served refreshments and a social hour was enjoyed.

St. Paul's U.C.W. Unit Three

Miss Mary Hulin and Mrs. Roy Tucker were hostesses on Tuesday evening, February 19th when Unit 3 of St. Paul's United Church Women met in the Sunday School rooms for their second meeting of 1963. Nineteen members and their guest, Mrs. D. Duffin, sat down to a delicious pot luck supper at 7 o'clock.

Following the supper the assistant leader, Mrs. Marvyn Scott took charge and opened with words of welcome and an inspiring poem. Mrs. D. Pollock led in the worship service, assisted by Mrs. B. Faulkner. Following the singing of a hymn Mrs. Faulkner gave a very fine devotional entitled "Definitions of God."

The roll call was taken by the Secretary, Mrs. J. Svoboda, and was answered by a Bible verse with the word "Love" in it.

The members were reminded of the following events. The World Day of Prayer Service March 1st at St. John's, with St. Paul's in charge of the worship service. In the absence of Rev. Hommersen the U.C.W. will be in charge of the church service on March 31st.

Reports were received from the conveners and the fund barrel was passed with each contributing. A vote was taken and it was agreed to help sponsor the young people who will be going to Kingston in May as delegates to the Christian Vacation Conference.

Mrs. Faulkner conducted the study group using the topic "Rim of East Asia" from the missionary book and followed this with a discussion on how we can assist these unfortunate people in Eastern countries. Mrs. D. Pollock gave a reading and conducted a very good contest using verses from the Bible.

Mrs. G. Richardson thanked everyone, especially the programme committee and Mrs. B. St. Pierre and Mrs. G. Bradshaw who provided refreshments and the hostesses for making it ssch an enjoyable evening.

Ranger News

The 1st Stirling Rangers met at the home of Mrs. M. Bell on February 19th. Following the Lord's Prayer two notes were read by the Secretary. During the business there was a discussion on the billeting of girls for the Ranger Conference in March.

The Treasurer's report showed that the Rangers had made $16.00 on their bus trip.

Since Thinking Day was on February 22nd the girls observed a Thinking Day Ceremony. Each girl had a candle and read a Guide Law. Several songs were sung.

To complete the evening a delightful lunch was served by the leaders and the meeting closed with taps.

W.I. District Business Meeting

Mrs. Percy MacMullen, President of Hastings West District Women's Institute; Mrs. Harry Coulter, Secretary-Treasurer, and Mrs. Everett Phillips, Federation representative, attended a business meeting Saturday afternoon, February 23rd, in the Y.M.C.A., Belleville.

Mrs. Grant McLaren, Shannonville, Chairman of Sub-Division No. 5 of the Trent Valley Convention Area, gave a synopsis of the recent Provincial Board meeting held in Toronto. It is hoped that the International Scholarship Fund will reach its objective of $50,000 by the end of 1963.

The Adelaide Hoodless ten cent per member fund for this year will be used for furnishings for this historic birthplace. The Institute members were also asked to support F.W.I.C. Foundation Fund, A.C.W.W. Pennies for Friendship and the new project for the expansion of the North West Territories.

There were ten ladies in attendance from Hastings West, Hastings North, Hasting East and Prince Edward.

River Valley U.C. Women

The February meeting of River Valley United Church Women was held at the home of Mrs. Roy and Mrs. Glenn Bush with a good attendance.

The leader, Mrs. Jack Bush, opened the meeting with a poem, "The Prayer." All joined in singing the theme hymn, followed by the Lord's Prayer.

Mrs. Roy Irven had charge of the programme which she opened with a poem, "The Robin's Way." All joined in singing a hymn. Mrs. Glenn Bush read the Scripture lesson taken from Genesis, followed by prayer by Mrs. Clarence Chard.

Mrs. Glen Brooks contributed a solo. Mrs. Ernest Carr introduced the study book, "The Rim of Asia" by giving a general description of conditions in Tiawan, Okinawa, Hong Kong and Korea.

Mrs. Roy Bush had charge of the Bible study and continued on with the study of "Creation." Mrs. Clarence Chard gave a reading on "The Future." The meeting closed with the Mizpah Benediction.

Everyone enjoyed a lovely lunch and social time. Mrs. Phil Conley moved a vote of thanks to the hostess and programme and lunch conveners.

The southern prairies hold the record for the highest temperature ever recorded in Canada, 113 degrees.

HIDDEN PERSUADER

The little brat rode the hobby-horse in the toy department for hours. His doting parents pleaded, offered bribes, but to no avail. Their darling wouldn't budge. Finally, old Santa walked over to the child and whispered into his ear. The kid was off in a jiffy.

On the way home, the curious mother asked, "What did Santa say to you, sweetie, that made you jump off the horse?"

The little brat replied, "He said, 'Get off that horse or I'll break your little neck'."

NEWS FOR THE BUSY FARMER

APPLES IN STORAGE

There were 4,767,000 bushels of apples in storage in Canada at the beginning of February, reports the Canada Department of Agriculture's Markets Information Section. This was the highest figure for several years. Nearly half were the McIntosh variety, next coming Winesap, Delicious and Spy.

1962 CHEESE OUTPUT

Volume of cheese production and the amount graded last year declined slightly from 1961 levels, according to a preliminary report by the Canada Department of Agriculture.

Production amounted to 115.5 million pounds — down about 2.5 million from 1961.

Amount of cheese graded fell from 106.2 million pounds to 105 million.

At the same time, an increase was registered in the amount of cheese given top rating. Output of Canada First Grade totalled 95.1 million pounds to edge the 1961 amount by 1.3 per cent.

ECONOMIST SEES SOME CHALLENGES IN MARKETING

The job of food and agricultural marketing and distribution promises to be an interesting one during the next 10 to 15 years, economist A. H. Turner noted recently.

The director of the Economics Division, Canada Department of Agriculture, covered some aspects of the subject in a Farm and Home Week talk recently.

He said that almost as important as the increase in world population expected from the rising birth rate is the extension of the average life span through improved health and medical care. There will be a rise in people's incomes and changes in their eating habits

Since pre-war the Canadian per capita consumption of vegetables, fruits, tomatoes, poultry and other meats, excepting veal and lamb, has increased substantially.

Consumption of eggs and sugar increased to a lesser extent. Consumption of butter, most cereal products and potatoes decreased substantially and consumption of fluid milk decreased slightly during the 25 year period.

Calories consumed per person has remained at about 3,000 throughout, but carbohydrates have decreased and fats in the diet have increased by 10 and 15 per cent in the same period.

Domestic use of Canadian farm products accounts for about 70 per cent of output. The remainder, valued at about one billion dollars, is exported.

Canada's Course

Mr. Turner said protectionism and greater production in developing countries may pose difficulties for some export items. Canada should aim for international arrangements giving access to markets to those who can produce most economically. This may require changes in some programmes at home where we are urging more protection, he added.

We might ensure our future better by specializing in growing foods we can produce most economically, taking account of the economic and social considerations involved," said Mr. Turner.

There are going to be many new food products but they will have to be distinctly new or better to earn their place on the already crowded shelves of retail food stores.

Retailing has undergone a dramatic revolution with the emergence of the chain store but despite this the trend has been to bring the producer again close to the consumer, whose needs he must study and meet.

Keys To Change

Some of the keys to change in food marketing in this era of streamlined merchandising will include greater emphasis on quality control, consumer and market information, methods of physical handling and general market control techniques.

Mr. Turner concluded that evening shopping, more meals out in restaurants and other institutions, more leisure hours with a greater variety of interests, and the further elimination of the calendar as to availability of foods are among other features which will continue the process of change in food marketing.

Mr. and Mrs. Fred Elliott Observe 20th Anniversary

Last Wednesday evening Mr. and Mrs. Clair Post, 315 Charles Street, Belleville, entertained at a family dinner in honour of the 20th wedding anniversary of her parents, Mr. and Mrs. Fred Elliott, of Stirling.

The dinner table was daintily appointed with white damask and centred by a two-tier anniversary cake in white, trimmed in yellow; topped by a tiny bride and bridegroom, and encircled about the base with ruffles of yellow crepe paper, while bands of yellow which extended from end to end were complemented at each corner with yellow bows. Tall yellow candles in crystal holders added greatly to the occasion.

Mr. and Mrs. Elliott were married at the Grace Chapel, Stirling, in 1943 by Mr. William Belch, now pastor of Bethel Chapel, Belleville.

Mrs. Elliott, the former Mrs. Blanche Gibson, is the daughter of the late Mr. and Mrs. Meiklejohn, of Rylstone, and Mr. Elliott is the son of the late Mr. and Mrs. Simon Elliott, of Halloway, Ont.

Atfter their marriage, they resided on the bridegroom's farm near Moira, where they remained for several years. Later they moved to Stirling where they have resided for ten or more years.

By a former marriage, Mr. Elliott had four children, three daughters and one son: Mrs. Gardner (Hazel) Welsh, Mrs. Clair (Mae) Post, and Mrs. Vernon (Dorothy) Rose, all of Belleville; and Everett Elliott, Halloway. There are also four grandchildren, Mrs. Grant (Lola) Clark, Napanee; Mr. Fred Elliott, London, Ont.; Mr. Murray Elliott, Halloway, and little Roxanne Rose, Belleville.

Both Mr. and Mrs. Elliott are enjoying good health, enjoy the daily news, and, in short, keep abreast of the times.

They were the recipients of many cards and gifts, among which was a beautiful display of pink roses in a china container, all of which were accompanied by best wishes for many more anniversaries together.

Mrs. Ted Pollock Hostess Ivanhoe W.I.

The February meeting of Ivanhoe Women's Institute was held at the home of the President, Mrs. Ted Pollock, on Thursday afternoon, February 13th.

The Citizenship Convener, Mrs. Klass Tuinman, had charge of the programme. Roll call, "What makes a good citizen," was answered by 16 members. Ten visitors and twelve children were also present.

Mrs. Rex Rollins, of Cooper, District President, paid her official visit. Her message explained the work of the A.C.W.W. and some thoughts given by the Provincial President, Mrs. Lymburner.

Business items were then discussed. The President reported proceeds of $10.25 from the lunch served at the County Federation annual meeting held in the Township Hall.

Mrs. George Wood was appointed Branch Curator of the Tweedsmuir Book with a committee comprising Bessie M. Fleming, Mrs. John McInroy and Mrs. Barton Haggerty.

Mrs. K. Tuinman presided over the following programme.

The motto, "Why is a good neighbour better than a far friend?" was capably dealt with by Mrs. John Wallace. A piano solo was contributed by Mrs. Art Hassall.

Mrs. Peter Roeper, one of our newest citizens, described their experiences in obtaining their Canadian citizenship. She also displayed her citizenship card and papers. It proved interesting to all present to hear of Mrs. Roeper's personal experiences.

The March meeting will be held in the afternoon on the regular day at the home of Mrs. Elmer Wood with Mrs. Jas. McMillan, Agriculture Convener, in charge of the programme.

The hostess and her assistants served a delicious lunch and a social half hour was spent visiting with former members and visitors.

Eggleton Messengers Met At School

The February meeting was held at the school on Friday afternoon with 26 pupils and 3 adults present. Lois Danford presided and opened the meeting with the hymn "Stand Up! Stand Up for Jesus," followed by all repeating the Lord's Prayer and the Messenger Motto. The Scripture reading, Psalm 95, was read by Gerald Stapley.

A reading, "Colours of Men," was given by Carol Danford. The Secretary, Carol White, read the minutes and gave the roll call.

The next meeting will be held on March 15th with Sheila Clarke and Linda Prest preparing the program. A reading, "The Land of Silence," was given by Mary Jones.

The leader, Mrs. Maurice Clancy, read the story, "God's Gift," about the little boy Paquito, who lived in a village in Porto Rico.

Kenneth Danford gave a reading about Louis Braille who became blind at 3 years of age. In later years he worked to perfect the Braille system of printing so blind people could read.

A special reading, "When Jesus was a Boy," was given in parts with Lois Danford, Lloyd Clancy, Gerald Stapley, Wayne McMullen, Brian Kovach, Lin Stapley, Douglas Danford and Judy Johnson each reading a verse. Mrs. Clancy offered prayer. The meeting closed with the hymn "Jesus Bids Us Shine" with Lois Danford at the piano and prayer by Mrs. Fitchett.

Lunch of cookies and pop corn was served by Billy Stapley, Teddy Clarke and Gerald Stapley.

Mrs. W. Spencer Entertains U.C.W.

The Rylstone United Church Women were entertained on Wednesday afternoon, February 13th at the home of Mrs. Wilfred Spencer. The opening hymn was "Come let us sing of a wonderful love", followed by prayer and the meditation by the President, Mrs. Will Rutherford.

The Scripture selection, 1st Corinthians, chapter 13, was read by Mrs. Jack Spencer. Mrs. Wilfred Spencer gave the Bible study entitled, "The Love of God;" also some selections from the book "The Word and the Way." Roll call was answered by a Scripture verse containing the word "Love."

A thank you note was read from Mrs. Chester Meiklejohn for cards and gifts while in Campbellford Hospital.

Mrs. Harold Pillen gave a report on the Presbyterial meeting held in Picton recently.

Mrs. Bob Spencer was convener for the balance of the programme as follows:

Reading, "There Is So Much Good," by Mrs. Bob Spencer; piano solo, "Since the Fullness of His Love Came In," by Mrs. Clarence Thomson; reading, "God Loveth Thee," by Mrs. Jack Spencer; accordion and vocal solo, "There's A Rose Upon the Bible," by Mrs. Bob Spencer; reading, "Be the Best of Whatever You Are," by Mrs. Ray Stewart; contests, "Bible Quiz" and "Scrambled Books of the Bible," conducted by Mrs. Bob Spencer.

The closing hymn was "Love Divine all Love Excelling" and the meeting closed with the Mizpah Benediction.

A bazaar of home cooking, sewing, fancy work, greeting cards, etc. was held under the management of the Treasurer, Mrs. Clarence Thomson.

There was an attendance of eleven members, eight visitors and four preschool children in attendance.

Refreshments were served by the hostess and refreshment committee.

The next meeting will be held at the home of Mrs. Ross Dickie. Programme committee to be Mrs. Jack Spencer and Mrs. Ellis Jones. Roll call will be "A Proverb from memory."

Cooking Comments

If you have a little too much pumpkin pie filling for that pie shell, food experts at Macdonald Institute, Guelph, say to pour the extra into individual custard cups, place in a pan of hot water and bake in a 350 deg. F. oven until a silver knife comes out clean when inserted in the custard.

* * *

A good and easy shell for creamed ham can be made by pressing buttered bread onto a greased muffin pan and toasting in a hot oven until crisp and delicately browned.

* * *

What to do with that leftover meat loaf? It is good cubed and heated in undiluted tomato or mushroom soup.

* * *

Would you like to give whipped cream a little different flavour for a change? Substitute brown sugar and a dash of cinnamon for the usual white sugar, or try beating in 2 tablespoons of cocoa per cup of cream. Don't forget the vanilla and add sugar to taste.

Wm. Shannon Liberal Candidate Hastings-Frontenac

William Shannon, Reeve of Marmora, was the choice of the Liberals of Hastings-Frontenac at the Convention held in Marmora on Saturday to select a candidate for the coming federal election on April 8th. The hall was filled to capacity with some 300 in attendance.

Five candidates offered their services to the party with Mr. Shannon winning on the fourth ballot. Others in the running were Thos. Neal, of Harlowe, who was the candidate in last year's election; Wm. Smith, of Centreville; Wm. Shannon, Marmora; M. Hamilton, Havelock, and Carl Heath, Marmora.

The guest speaker was Robert Temple, Liberal candidate in Hastings-South, who delivered a lengthy address outlining the Liberal policy on nuclear warheads and loans to deserving students.

The new executive elected is as follows:

President, Jack Davidson; Vice-President, John Bristol; Secretary, Ron Stephens; Treasurer, Ed McNamara; Chairman of the Women's Liberal Activities, Mrs. F. Laycock; Chairman of the Youth Liberal Activities, Mr. Don Bristol; also 20 Area Vice-Chairmen were elected to assist the executive in their respective districts.

2nd Brownie Pack Celebrate Baden-Powell's Anniversary

The 2nd Brownie Pack, under the leadership of Brown Owl Mrs. F. Harding; Tawny Owl, Mrs. R. Shortt and Packey, Miss Edith DeJong, held a special meeting on Monday last to celebrate the birthday of Lord Baden-Powell, the founder of the Scout Movement.

Special guests were Mrs. R. Luery, District Commissioner, and a good number of mothers of the Brownies who were presented with their Golden Bar were present.

Commissioner Luery presented the following Brownies with their Golden Bar: Anne Glendinning, Karen Johnson, Lana LaChappelle, Denise Meeks, Cris Ray, Susan Rose, Susan Tucker, Ruth Wannamaker and Ardeth Wilson.

Packey told a story of Baden-Powell's life after which the Brownies, each representing a different country, spoke briefly. The mothers then joined in with songs followed by games.

Everyone was seated around the large table which had been arranged by the leaders. Commissioner Luery led in a Thinking Day Prayer.

A lovely lunch was served and brought to an end by the lighting of candles on a large chocolate cake which had on it written the names of many countries which had been thought of during the programme.

Mrs. Glendinning, on behalf of the mothers and Brownies present, thanked the leaders for the lovely program and delicious lunch. Brown Owl Harding thanked all the mothers and of course Commissioner Luery for being able to join in the celebration.

STIRLING HORTICULTURAL SOCIETY

House plants in plastic pots do not need to be watered as often as those in clay pots, as the water does not evaporate through the non-porous walls. The condition of the surface soil usually indicates when water is required.

THE BIBLE TODAY

Celebrations of thanksgiving were held recently on the publication of the Lunda Ndembu Bible in the north-west corner of Northern Rhodesia. Here Angola and Katanga touch the Rhodesias.

Three days of great rejoicing climaxed thirty-five years of long and patient toil necessary to complete the translation and publication of this version of the Holy Bible.

The chief translator did not live to join in the services of thanksgiving but many others who shared in the translation work were present.

Refugees from Katanga and Angola participated. Those from Katanga were anxious to purchase the new Bible and could pay only 75 francs Katangese. The Katangese franc has no value in foreign exchange.

The Rev. Maynard Booth, a Canadian, who was present says, "These folk were going to repay the Bible Society for the beautiful Bibles that were now available." It was explained that people in other parts of the world would help pay for their copies.

"This Word is so precious," explains Mr. Booth, "that exchange barriers must not prevent its distribution."

TIE WITH MARMORA

In the final game of the series against Marmora at the Henry Street Arena on Friday night the result was a 4-4 tie. The locals showed the effects of a hard game with Norwood the previous night and played with less fire than usual.

John Noble opened the scoring for the home forces at the 10.20 mark on a pass from Doug Potts but Shannon tied the score at 17.30. Stirling again took the lead a minute later with Wrightman being the marksman on a pass from Noble.

Early in the second period McNamara beat Rowe in the local nets for the equalizer. Doug Bolte scored to give Stirling a 3-2 lead and Marmora came back to tie the score with McInroy denting the twine.

In the final stanza each team scored. Wrightman counting for Stirling and Lynch for Marmora. Morrow replaced Rowe in the Stirling nets in the final period.

Line-ups
